Counseling Support & Services

The Institute's advisors are available to provide confidential counseling assistance (on demand/appointment) to students. A variety of concerns relating to educational difficulties can be addressed including habits, stress, lack of motivation, or attitudes related to Institute.

Project Internships & Placements

Project internships expose students to the corporate world beyond the boundaries of the campus, enhancing their self-awareness and aiding them in their career choice. As a result of these internships, students have a better understanding of work and challenges and demands of various careers. This would also enable them to examine and refine their goals and make more appropriate and informed occupational decisions. To make this happen, we have a dedicated Training & Placement department that provides assistance to eligible students.

- The role of the Training & Placement department is that of a facilitator and counselor for project internships/placement related activities. **Neither the Institute nor the Training & Placement department guarantees a job.** Applying for a company or joining a company is entirely the responsibility/decision of the student concerned.
- A joint committee comprising of students, Training & Placement department team members & respective academic department team members will discuss and decide on various strategies for placements.
- Students must keep their Identity Card with them at the time of PPT/Test/Group Discussion/Interviews, and produce the same when demanded by the visiting team or Training & Placement department.
- There is a limitation upto **5** times that a student can apply/appear in interviews for projects and projects-cum-placement and a limitation upto **5** times that a student can appear for interviews for final placement until the first job is secured. A student will be considered to have secured a job if his/her name appears in the selection list or an appointment letter is received by the Training & Placement department.
- The selected student could be given an opportunity to re-apply/appear to a company on campus if the CTC is **two times** or an overseas opportunity.
- Interviewing companies have their own minimum standards before they interview a student. Students have to follow the company criteria in addition to the process of campus recruitment. You are required to read, understand the Job Description thoroughly and only then register you name for the process which would be considered as a chance.

International Institute of Information Technology Hinjawadi, Pune – 411 057

- One could refrain from attending the process after registering, by seeking prior written permission, failing to which would be considered as a chance.
- Once a student has been short-listed by the Company for further test/interview etc., he/she is not permitted to leave the placement process in between, unless he/she decides to completely de-register with Training & Placement department
- Once a student has been short-listed by a company for the placement process he/she is NOT allowed to contact the members of the team visiting the campus for placement purpose without prior permission of the Training & Placement department.
- Training & Placement department strongly discourages students from going for off-campus placements to companies who are existing campus recruiters, as this adversely affects the company-Institute relations. Students are also requested to forward contacts they have, if any, in different companies so that Training & Placement department may formally invite these companies for placements.
- If a student is found doctoring his/her resume submitted to Training & Placement department, his/her registration at Training & Placement department will be cancelled and the matter will be referred for disciplinary action.
- In case a student does not attend the PPT (Pre-Placement Talk) of any company then he/she would NOT be allowed to sit for the final recruitment in that company.
- You are advised to refer the Guidelines of Training & Placement department for further details.
- Students are encouraged to make their own plans and efforts according to their own preferences and career goals.
- Any violation of the aforesaid rules/regulations, or indulging in any act of indiscipline/ misbehavior may result in debarring the student from availing project internships/ placement assistance and/or a penalty. The nature of the penalty will be decided on a case-to-case basis by the disciplinary committee.

- **FX Grade**-The grade FX in a course is awarded by the college, if a student does not maintain the minimum attendance in the Lecture / Tutorial class as prescribed by the Savitribai Phule Pune University and/or his performance during the semester is not satisfactory and/or he/she fails in the Term Work head of that course.
The student with FX grade in a given course is not permitted to take the end of semester examination in that course. Such a student will have to re-register for the course.
- **Grade II**-Grade II shall be awarded to a candidate in a course in which he has the minimum attendance as prescribed by the University and satisfactory in-semester performance but could not

appear for the end-semester examination. Such a student will have to appear in the subsequent end-semester examination.

- **PP / NP Grade** -The non-credit courses, such as Practical Training, Communication Skill, Field Visit Courses etc. shall be awarded PP/NP grades. No grade points are associated with these grades and performance in these courses is not accounted in the calculation of the performance indices SGPA and CGPA. However, the award of the degree is subject to obtain a PP grade in all such compulsory courses.
- The student with F / FX / grade II in a course shall not be awarded any credits for that course.

8. PERFORMANCE INDICES:

R-8.1

The semester end grade sheet will contain grades for the courses along with titles and SGPA. Final grade sheet and transcript shall contain CGPA.

R-8.2

SGPA -The performance of a student in a semester is indicated by a number called the Semester Grade Point Average (SGPA). The SGPA is the weighted average of the grade points obtained in all the courses, seminars and projects registered by the student during the semester.

(i) Semester Grade Point Average (SGPA) =

$$SGPA = \frac{\sum_{i=1}^p C_i G_i}{\sum_{i=1}^p C_i}$$

$$SGPA = \frac{\sum \text{Grade Points Earned} \times \text{Credits for each course}}{\text{Total Credits}}$$

For Example: suppose in a given semester a student has registered for five courses having credits C1, C2, C3, C4, C5 and his / her grade points in those courses are G1, G2, G3, G4, G5 respectively.

Then students

$$SGPA = \frac{C_1G_1 + C_2G_2 + C_3G_3 + C_4G_4 + C_5G_5}{C_1 + C_2 + C_3 + C_4 + C_5}$$

SGPA is calculated up to two decimal places by rounding off.

R-8.3

CGPA- The CGPA is the weighted average of the grade points obtained in all the courses (Theory/term work/practical/oral/presentation) of first semester to eighth semester for the students admitted in the First year and third to eighth semester for the students directly admitted at Second year. It is calculated in the same manner as the SGPA.

R-8.3

In case of a student passing a failed course or in case of improvement, the earlier grade would be replaced by the new grade in calculation of the SGPA and CGPA.

- 9. RESULT:** Based on the performance of the student in the semester examinations, the University of Pune will declare the results and issue the Semester Grade sheets.

R-9.1

The class shall be awarded to a student on the CGPA calculated as mentioned in Rule no. R 8.3. The award of the class shall be as per Table 12.
