### **A Report on Inter College Department Technical fest - “Technotsav ‘18” held during September 20th,2018**

As per the culture of International Institute of Information Technology ,every academic year Department of Information Technology organizes inter college technical fest for aspirants assembling from various engineering colleges with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes.

For the Academic Year-2018 we organized 'Technotsav'18' with the same enthusiasm and determination among the new set of student coordinators, student volunteers and faculty coordinator on September 20<sup>th</sup>,2018.

These event is organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene.

The event was successful enough to attract as many as 150 registrations for one day fest which includes all the events. The fest executed with a total of two events planned and organized at its best of quality. Technotsav ‘18 was a one day fest having two separate technical events namely WebMela and Sherlock the Coder.

#### **OPENING CEREMONY**

The event started at 9:00 am with the lighting of the lamp and a short address to the participants from the Head of the Department, Prof. Manisha Amritkar. Our guest of honour Praveen Gubbala, Corporate Trainer and Freelance Developer, along with Principal ma'am Dr. Vaishali Patil was present. The members of the I<sup>2</sup>IT teaching, non-teaching staff as well as students were also present for the inauguration ceremony.

#### **WEBMELA**

Webmela was the first event in line to be executed where in a total of 12 teams participated from colleges all over pune. The teams were given a total of five hours to design a website using a framework of their choice based on the theme given by the host college. The

website would then be analysed and judged by a panel of judges which included- to select a winner.

The participants were also given complimentary lunch and breakfast to further motivate them. Along with a participation certificate for all participants were also given free discount coupons of various food joints and stores as a token of encouragement.

### **SHERLOCK THE CODER**

With more than 70 registrations from various colleges , Sherlock The Coder was conducted in the college premises. The event started at 1:00 pm. The participants were given a total of 30 minutes to attempt coding puzzles which were given in a jumbled manner and they had to rearrange them in the correct order. Enthusiasm and excitement was seen in the participants as they later mentioned in the feedback that they would love to attend these events again.

Specially for Sherlock The Coder event our students from I<sup>2</sup>IT developed a software, which was then appreciated by all faculties and students from outside as well as I<sup>2</sup>IT.

As a token of appreciation and encouragement the participants were given participating certificates complimentary gifts.

## Prize Distribution

The winners were announced in the prize distribution ceremony after the two events were successfully completed. The judges on the panel for Webmela were Mr. Vijay Amritkar, Ms. Rohini Malpe, Mr. Pravin. The winners for Sherlock The Coder were decided on the basis of the scores obtained online. Prizes were inclusive of worth Rs.10,000 won by the winners. They were also given trophies as well as certificates as a token of appreciation.

The department feels proud to organize such a successful event under the guidance and mentoring of Prof. Sneha Mehta and Prof. Manjusha Amritkar and would like to convey thanks to principal and management for their timely advice and cooperation for organizing successful event .

Not to forget final year and pre-final year students of IT Department also deserve thanks for contributing their complete efforts and participants for making Technotsav'18 a great success.
