

# **International Institute of Information Technology (I<sup>2</sup>IT), Pune**

## **Accredited with Grade B++ by NAAC**

### **I<sup>2</sup>IT Accredited with Grade B++ by NAAC**

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) is an autonomous body established by the University Grants Commission (UGC) of India to assess and accredit institutions of higher education in the country. It is an outcome of the recommendations of the National Policy in Education (1986) which laid special emphasis on upholding the quality of higher education in India. To address the issues of quality, the National Policy on Education (1986) and the Plan of Action (POA-1992) advocated the establishment of an independent national accreditation body. Consequently, the NAAC was established in 1994 with its headquarters at Bangalore.

#### **Criteria for Assessment**

NAAC has identified the following seven criteria to serve as the basis of its assessment procedures:

- Curricular Aspects
- Teaching-Learning and Evaluation
- Research, Innovations and Extension
- Infrastructure and Learning Resources
- Student Support and Progression
- Governance, Leadership and Management
- Institutional Values and Best Practices

**International Institute of Information Technology (I<sup>2</sup>IT), Pune has gone through the above accreditation process of NAAC and secured B++ Grade by NAAC**
