Sponsorship Confirmation for AWS Microservice Project at I2IT, Pune

To Whomsoever It May Concern

I hope this message finds you well. We are pleased to inform you that Codvatech Labs is sponsoring the project undertaken by the talented students of BE IT at I2IT, Pune. The project focuses on the topic "Design and Setup Highly Scalable Microservice Application on AWS." We would like to extend our appreciation to the dedicated students who are actively involved in this cloud project, including Mansi Mengde, Mansi Badnapurkar, and Prayukta Kulkarni.

The students embarked on this project on September 8th and have already made significant progress in their research and development efforts. Codvatech Labs recognizes the importance of hands-on experience and innovation in the field of cloud computing, and we are excited to support these students as they work to build a highly scalable microservice application on AWS.

As part of our sponsorship, Codvatech Labs will provide financial assistance and technical guidance to ensure the successful completion of the project. We believe that this project will not only enhance the students' knowledge and skills but also contribute to the academic and research excellence of I2IT.

We look forward to seeing the remarkable achievements of Mansi Mengde, Mansi Badnapurkar, and Prayukta Kulkarni in their AWS Microservice Project and anticipate that their work will serve as an inspiring example to fellow students and the broader community.

Please feel free to reach out to us if you have any questions or require further information regarding our sponsorship. We are committed to supporting educational initiatives that promote innovation and excellence in technology.

Thank you for your attention, and we eagerly await the exciting developments of this project. We wish you all success in their future Endeavour.

For and on behalf of CodvaTech Labs LLP.

Dear All,

Greetings of the day...!!

First, I would like to take the opportunity to introduce our institute, The Hope Foundation's International Institute of Information Technology (I²IT), Pune was established by Late Shri. P. P. Chhabria, Founder Chairman of Finolex Group of Industries, a well-known philanthropist and former President of Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA). As a world class academy to impart high- end education in Engineering and Technology the Institute has strived to meet the growing needs of the industry. I²IT was dedicated to the service of nation at the hands of the former President of India, late Dr. A P J Abdul Kalam.

I²IT also has an in-house research center, Pralhad P. Chhabria Research Center (PPCRC), established in 2016 to promote and undertake research & development, capacity building, software development & consulting activities. Over the years, PPCRC has grown and become Tech Partner to our industry associates in India and abroad by providing greenfield and brownfield IT design and development services ranging from enterprise software products, customized ERP solutions, Mobile & Web App development, Cloud based solutions, Automation etc.

It gives me immense pleasure to accept the following students group and offer the technically sponsored research project for the partial fulfilment of B.E degree at PPCRC till 28th March 2024.

Mr Vaibhav Vijay Devkate
Mr Atharv Ashok Divekar
Mr Prasad Dnyandeve Hulmukhe
Mr Om Vijay Randhir

You will be working on one of the ongoing projects at PPCRC during this period. You all will get a completion certificate post successful delivery of the project objectives.
Congratulations and looking forward to working with you all.

INTERNSHIP OFFER LETTER

Date: 29/01/2024

CIN: PIT/FEB24/2033

Dear Om Chaudhary,

We are pleased to offer you the position of **Web Development-Intern** at **Prodigy InfoTech**. This is an educational internship. As a valued member of our team, you will have the opportunity to gain hands-on experience in this field.

The internship is scheduled to commence on the **1st February, 24** and will conclude on the **29th February, 24**, resulting in a one-month duration for the program.

By accepting this offer, you acknowledge that you understand participation in this program is not an offer of employment, and successful completion of the program does not entitle you to an employment offer from Prodigy InfoTech.

You also agree that you will follow all of the company's policies that apply to non-employee interns. This letter constitutes the complete understanding between you and the company regarding your internship and supersedes all prior discussions or agreements. This letter may only be modified by a written agreement signed by both of us.

We eagerly anticipate your commencement of the internship program at Prodigy InfoTech and extend our best wishes for a prosperous experience.

Sincerely,

Prodigy InfoTech

Internship Offer Letter

To,
Vidula Diwate
Third Year, Information Technology, I²IT

Firstly, I would like to take the opportunity to introduce our institute, The Hope Foundation's International Institute of Information Technology (I²IT), Pune was established by Late Shri. P. P. Chhabria, Founder Chairman of Finolex Group of Industries, a well-known philanthropist and former President of Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA). As a world class academy to impart high- end education in Engineering and Technology the Institute has strived to meet the growing needs of the industry. I²IT was dedicated to the service of nation at the hands of the former President of India, late Dr. A P J Abdul Kalam.

I²IT also has an in-house research center, **Pralhad P. Chhabria Research Center (PPCRC)**, established in 2016 to promote and undertake research & development, capacity building, software development & consulting activities. Over the years, PPCRC has grown and become Tech Partner to our industry associates in India and abroad by providing greenfield and brownfield IT design and development services ranging from enterprise software products, customized ERP solutions, Mobile & Web App development, Cloud based solutions, Automation etc.

It gives me immense pleasure to offer internship position of **"Full Stack Web Development and UI/UX Intern"** at PPCRC, starting 20, December 2023.

You will be working on ongoing projects at PPCRC during your internship period. Congratulations and looking forward to working with you.

Sub: Permission for Internship

Dear Sir/Madam,

International Institute of Information Technology (I²IT) is affiliated to Savitribai Phule Pune University (formerly University of Pune) Please visit www.isquareit.edu.in

I²IT has taken various efforts to improve the skills and the employability of the students viz:

1. Experts Lectures on recent trends on technology by industry persons.
2. Campus Recruitment Training.
3. Students motivated to be member of various professional bodies viz., (ACM, IEEE, CSI, YI etc.).
4. Students are also motivated to undergo professional certifications (MFA, Six Sigma etc.).
5. An activity-based learning method – Mini modeling 's undertaken by each student which helps them to get insight into the project.
6. To participate in various Industry Techathon, Hackathon, etc.

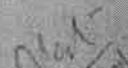

Another effort to enhance the employability of the student in industry is through Internship and industry sponsor project in which we expect the students to learn the practical approach and understand the industry environment. Company is requested to allot project to the students or else depart the student on an ongoing activity project, or they may be placed in different departments within the company to understand the flow of functions and interdepartmental responsibilities. This will save company efforts in training after employment and students will deliver fast once he/she will join the company.

Mr. Aditya Gade is a student of 6th Semester of Information Technology department in our institution and is interested to undergo online training/internship from Jan 2024 to Feb 2024 for two months in your esteemed organization. During his internship he has to complete all the academic activities. For AY2023-24 SEM II (like submissions, Internal & External examinations etc.) I am sure that with your kind support we will be able to establish a meaningful Industry-Academia Collaboration which leads to improvement in quality of our students. This internship is as per the recommendation of the institute for curriculum enrichment.

We request necessary permission be accorded to the student for Internship if any. Kindly
Oblige Thanking You.

INTERNSHIP OFFER LETTER

Date: 29/01/2024

CIN: PIT/FEB24/2022

Dear **Tanvi Hardikar**,

We are pleased to offer you the position of **Data Science Intern** at **Prodigy InfoTech**. This is an educational internship. As a valued member of our team, you will have the opportunity to gain hands-on experience in this field.

The internship is scheduled to commence on the **1st February, 24** and will conclude on the **29th February, 24**, resulting in a one-month duration for the program.

By accepting this offer, you acknowledge that you understand participation in this program is not an offer of employment, and successful completion of the program does not entitle you to an employment offer from Prodigy InfoTech.

You also agree that you will follow all of the company's policies that apply to non-employee interns. This letter constitutes the complete understanding between you and the company regarding your internship and supersedes all prior discussions or agreements. This letter may only be modified by a written agreement signed by both of us.

We eagerly anticipate your commencement of the internship program at Prodigy InfoTech and extend our best wishes for a prosperous experience.

Sincerely,

Prodigy InfoTech

17th January 2024

Dear Adwait Jadhav,

Subject: Internship Offer at GAGAHEALTH PRIVATE LIMITED

We are pleased to offer you an internship opportunity at GAGAHEALTH PRIVATE LIMITED ("Company"), where you will be joining as an Intern in the Backend Team. This letter outlines the terms and conditions of your internship.

Internship Term

Your internship will commence on 18/01/2024 and is expected to complete on 18/04/2024, totaling a period of three months of engagement.

Role and Responsibilities

You will join our back-end development team, where you will be contributing to creating back-end applications. Your responsibilities will align with the team's current projects and objectives.

Stipend

You will receive a monthly stipend as mentioned in Annexure-A. The stipend is conditioned upon your completion of the internship term.

Commitment to Complete Internship

We expect that you will fulfill the duration of your internship to achieve the learning objectives established. If unforeseen circumstances lead you to consider early termination, we ask for a minimum notice period of 7 days to facilitate a smooth transition.

Stipend Adjustment for Early Termination

Should you terminate the internship early without a cause that the Company deems reasonable, the Company reserves the right to adjust the final stipend payment. This will be assessed on a case-by-case basis, in line with the work completed and the learning objectives met up to that point.

Dear Swanand Nandkumar Joshi,

We are delighted to welcome you as Web Developer Intern.

We believe that our team is our biggest strength and we take pride in hiring only the best and the brightest. We are confident that you would play a significant role in the overall success of the venture and wish you the most enjoyable, learning packed and truly meaningful fulltime internship experience with NullClass.

Your appointment will be governed by the terms and conditions presented in the Annexure A.

We look forward to you joining us. Please do not hesitate to call us for any information you may need. Also, please sign the duplicate of this offer as your acceptance and forward the same to us.

Congratulations!

Yours sincerely,

Surenderan

7. You are anticipated to complete all the training and assignments under your project(s), if you fail to do so the offer letter holds no validity in any form.

8. You are expected to conduct yourself with utmost professionalism in dealing with your team members, colleagues, clients and customers and treat everyone with due respect.

9. NullClass is a start-up and we love people who like to go beyond the normal call of duty and can think out of the box. Surprise us with your passion, intelligence, creativity and hard work – and expect appreciation & rewards to follow.

10. Expect constant and continuous objective feedback from your mentor and other team members and we encourage you to ask for and provide feedback at every possible opportunity. It's your right to receive and give feedback – this is the only way we all can continuously push ourselves to do better.

11. Have fun at what you do and do the right thing – both the principles are core of what NullClass stands for and we expect you to imbibe them in your day-to-day actions and continuously challenge us if we are falling short of expectations on either of them.

12. Your stipend will be ₹3000 and also incentive will be provided based on your performance. The tasks should be completed within 30 days. The company is allowed to terminate the contract if the recipient is reckless and inactive.

13. If you leave this internship in between or if we find any irresponsible activities will lead to termination without any prior intimation and you won't get any stipend and certificate

14. I, Swanand Nandkumar Joshi, have negotiated agreed, read, and understand all the terms and conditions of this internship offer letter as well as Annexure A hereto and affixed my signature in complete acceptance of the terms of the letter.

Dear Anuja Bhingardive,

We are pleased to confirm your acceptance of an internship at **POYV Pvt Ltd.** as a **Full-Stack developer intern.** Your day-to-day activities will include:

1. Conducting market research to identify emerging trends and potential user needs.
2. Designing and developing scalable, efficient backend systems and APIs.
3. Implementing and testing frontend interfaces for usability and responsiveness.
4. Troubleshooting and debugging issues across the full stack.
5. Participating in code reviews and providing constructive feedback to peers.
6. Keeping up-to-date with industry best practices and emerging technologies in full-stack development.
7. Documenting code and development processes for knowledge sharing and future reference.

You can start on an immediate basis. We hope you understand that participating in the internship program does not offer any form of monetary compensation and is not an offer to any kind of employment with the Company.

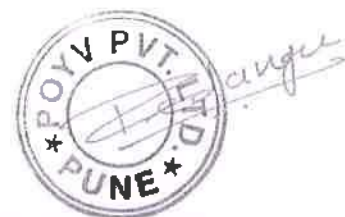

During your internship, you may get access to the company's clients and confidential information. You agree that you will keep all this information and client information strictly confidential and will not share it with anyone outside the company. You will not use it for your benefit. On completion of the internship program; you will return documents, equipment, and all property (if provided) of the company, immediately.

You will be provided with the internship certificate only upon successful completion of the given work. We request you to work along with your academics.

Any amendment to this agreement has to be made in writing. Please read this letter in full carefully and revert with your due acceptance immediately. We wish you a successful internship with us.

Sub: Permission for Internship

Dear Sir/Madam,

International Institute of Information Technology (I²IT) is affiliated to Savitribai Phule Pune University (formerly University of Pune) Please visit www.isquareit.edu.in.

I²IT has taken various efforts to improve the skills and the employability of the students viz.:

1. Experts Lectures on recent trends on technology by industry persons.
2. Campus Recruitment Training.
3. Students motivated to be member of various professional bodies viz., (ACM, IEEE, CSI, Yi etc.).
4. Students are also motivated to undergo professional certifications (MTA, Six Sigma etc.).
5. An activity-based learning method - Mini modeling is undertaken by each student which helps them to get insight into the project.
6. To participate in various Industry Techathon, Hackathon, etc.

Another effort to enhance the employability of the student in industry is through Internship and industry sponsor project in which we expect the students to learn the practical approach and understand the industry environment. Company is requested to allot project to the students or else depute the student on an ongoing activity/project, or they may be placed in different departments within the company to understand the flow of functions and interdepartmental responsibilities. This will save company efforts on training after employment and students will deliver fast once he/she will join the company.

Ms. Vaishnavi Gerange is a student of 6th Semester of Information Technology department in our Institution and is interested to undergo online training/internship from Jan 2024 to Feb 2024 for two months in your esteemed organization. During his internship she has to complete all the academic activities For AY2023-24 SEM II (like submissions, Internal & External examinations etc.). I am sure that with your kind support we will be able to establish a meaningful Industry-Academia Collaboration which leads to improvement in quality of our students. This internship is as per the recommendation of the institute for curriculum enrichment.

We request necessary permission be accorded to the student for Internship if any. Kindly Oblige Thanking You.

To
Vaibhav Pawar

Dear Vaibhav,

Congratulations on successfully completing your Internship as an Android Developer at LLW InfoTech! Your dedication, hard work, and contributions during this period have been exceptional, and we are thrilled with the progress you have made.

Your time with us as an Android Developer Intern has been invaluable, providing you with hands-on experience, exposure to real-world projects, and the opportunity to work alongside experienced professionals. We trust that this experience has enriched your skills, expanded your knowledge, and prepared you for future endeavors in Android development.

We appreciate your passion for Android development and your commitment to learning and growth. Your enthusiasm and dedication have made a positive impact on our team and our projects.

As you move forward, we encourage you to continue exploring and refining your skills in Android development. Your journey doesn't end here, and we believe that you have a bright future ahead in this field.

Once again, congratulations on completing your Android Developer Internship with LLW InfoTech! We wish you all the best in your future endeavors and look forward to seeing your continued success.

Best regards,

Date: 12th Sep 2023

Offer of Internship with SOCIANTE

Dear Prajwal,

Congratulations!! We are delighted to extend this letter as an official confirmation of your acceptance into the internship program at SOCIANTE. At SOCIANTE, we cultivate a culture of unity where every member collaborates passionately, innovatively, and confidently to transform challenges into opportunities and aspirations into achievements.

Your application stood out among many qualified candidates, and we are confident that your skills and enthusiasm will make a valuable contribution to our team. As an intern at SOCIANTE, you will have the opportunity to work on innovative projects, collaborate with talented professionals, and gain hands-on experience in the dynamic field of IT.

This internship offer is in reference to the "Technology Exchange Program" between International Institute of Information Technology (IIT) and Sociante Pvt Ltd (the Company), aimed at providing internship opportunities for students on real world problems.

Your Internship is contingent upon a background check and completion of joining formalities, submission of required documents and terms cited below.

1. Your internship period is starting from 17th Sep 2023 to 16th Apr 2024, 6 days a week. However, at the sole discretion of the company, the duration of the internship may be extended or shortened with or without advance notice.
2. During the period of your internship, your base location will be in Pune, with the flexibility to work from your college premises as per agreed terms and conditions. You must complete 20 hours of work per week and submit weekly timesheets and project reports.
3. This offer of internship does not guarantee any subsequent employment or appointment with the Company.
4. If you are currently engaged in any other professional activities, including internships or freelancing, in the same or a related domain, you must provide a no-objection certificate to the company upon acceptance of this offer.
