Title: Celebrating Indian Culture and Values through "Granth Dindi"

At Institute, we prioritize holistic education that blends academic excellence with cultural awareness. In alignment with the National Education Policy (NEP) 2020, our institution emphasizes the Indian Knowledge System (IKS) and human values. One of our distinctive initiatives is the annual "Granth Dindi," a cultural procession that showcases India's diverse heritage, fostering a deeper understanding of Indian traditions and values.

The "Granth Dindi" cultural event at I²IT was a vibrant celebration of India's rich traditions. The event began with a procession led by the Principal, accompanied by chants of "Ram Krushna Hari". Students, faculty, and staff participated by representing various Indian states through traditional attire, performances, and cultural artifacts. The procession highlighted the unity in diversity of India, with participants showcasing the unique cultures of Maharashtra, Tamil Nadu, Gujarat, Punjab, and more. The event successfully integrated elements of the Indian Knowledge System and promoted values like empathy, respect, and inclusivity.

The annual "Granth Dindi" reinforces I²IT's commitment to blending cultural consciousness with education, offering students a meaningful way to connect with their roots and embrace human values.
