Subject: World Environment Day

Dear All,

Greetings.

All of us are working towards improving the visibility and marketing strategy to ensure better admissions for the year 2015 - 16. Along with the direct marketing on campus, we are keeping our FB page dynamic and constantly in news. The same is being done for our website too.

In line with the above, 5th June 2015 is World Environment Day. As suggested by Aruna Mam, we need to arrange a Clean & Green Campus Drive. Though there might be few students on campus, we can invite them to participate. Principal Sir and Aruna Mam can plant saplings. The photos of the same along with a small write up can be posted on FB and website.

Principal Sir, could I request you to send a mail accordingly to all staff?

Satheesh, please do the needful to click the photographs. Also, in the next couple of days, you can click more photos of the greenery on campus (starting from the patch outside the main gate). Since I am at home, you will have to send these to me over mail (kasovasa@gmail.com) and I will post them on FB

Adesh, Please coordinate with Kanchan Mam for the website.

Regards

Valdehi
