Dear Madam,

Please find the forwarded mail from eoutreach of IIT Bombay. Let me know the feasibility of our college to have remote center status for the said course.

Thanks & Regards,

Dr. Satyavathi Nath Pentapati

Announcement of AICTE approved Faculty Development Programmes

Dear Sir/Madam,

Greetings from IIT Bombay.

IIT Bombay, under the aegis of PMMNMTT, is offering a two part AICTE approved Faculty Development Programme with aim of empowering faculty in online and blended teaching-learning process.

This FDP is being offered as a two-part course so as to focus on both the exposure to technology and enhancing the pedagogy. The FDP will be conducted in a blended MOOC format. Following are the details of these two courses:

1. **Foundation Program in ICT for Education (FDP101x):** This course will be focused on technology awareness, it is scheduled from 8 March 2018 till 12 April 2018. The course content are released on IIT BombayX platform and there will be one weekend face to face session (through A-VIEW) at the remote centres.

2. **Pedagogy for Online and Blended Teaching- Learning Process (FDP201x):** This course will be offered with a focus on pedagogy, it is scheduled from 03 May till 31 May 2018. The course content will be released on IIT BombayX platform and there will be two weekends face to face sessions (through A-VIEW) at the remote centres.

The details of this FDP (which includes course content, programme format, topics to be covered, registration process, course fee, certificate eligibility criteria etc.) are explained in the announcement link. Kindly go through it thoroughly.

You are requested to kindly circulate this mail amongst your colleagues/friends of your and nearby institutes, so that they can benefit from this opportunity.

Please note that the online registration for FDP101x will remain open till **10 March 2018**. If you have already participated and completed the last year's FDP on "Use of ICT in Education for Online and Blended Learning" then you will not be eligible to register in this FDP as the content is similar.

Thanks and Regards,
T10kT Team
