"I never thought **managing** my institute would be this simple."

"efficient, effective, errorless."

CHALLENGES FOR THE INSTITUTES

- Worried about piling data?
- Don't have trained personnel to use software?
- Excess paper work a Headache?
- How to increase the quality of learning and teaching?
- How to raise student / Parents satisfaction and increase student admissions every year?

WHY WEBDESK?

WEBDESK is rich in its Standard Operating Procedure (SOP) for any Institute. The distributed and synchronized data provides a source of information and offers modules with robust features needed for Students, Parents, Staff and Management.

An ERP solution that can be accessed anytime, anywhere, WEBDESK automatizes the entire student's life-cycle — integrating admissions, registration, student fees, and student services and more into a single secure shared database. WEBDESK unites all departments, faculty, students, alumni and other stakeholders. It enables everyone to benefit from readily available data shared in real-time, boosting efficiency and reducing the number of systems an institution maintains, also eliminating superfluous data.

FEATURES of WEBDESK
