CLEANLINESS CAMPAIGN

The NSS units of Hope foundation's International Institute of Information Technology, Hinjawadi Pune and Rajshri Shahu College of Engineering had organized the second time for one week camp in the Jambawade Village situated in Maval Taluka of Pune under guidance of Dr. Sandeep Varpe, NSS Program Officer of I²IT and Prof. V.S. Deshmukh, NSS Program Officer of RSCOE. This camp was organized from 24th December 2019 to 30th December 2019.

The major activity of this camp was to run Cleanliness Campaign along with other social activities. In this campaign we cleaned all the surrounding of the village. We gathered all the waste and segregated it into dry and wet waste and dumped it into respective locations.

Repairing and Construction of Earthen Dams

Last year (AY 2018-19) NSS students had built 10 earthen dams at Jambawade which needed a little repairing. This year students repaired all these 10 dams and in addition to those 04 more dams are constructed.

NSS Rally

During the camp the team decided to organize a rally for awareness about de-addiction of drugs, girl education and cleanliness. This rally was organized on 28th December 2019.

Guest Lectures

During the camp, different guest visited to camp, some of them took lecture on different issues in society.

On 25/12/2019 Prof. Mahadev Waghmare talked about Living life Happily. On

27/12/2019 Dr. Shirode gave us detailed information on correct use of Medicines

and on 29/12/2019 delivered lecture on

Environmental Awareness.

“Making Compost”

All camp members along with cleaning the surroundings they also decided to make all the vermicompost beds. They built large 6 beds which could manufacture 1.5 tons (approximate) manure each. Then they filled them up with various dried leaves and earthworms. On top they filled it with cow dung. This task was performed for about two days for 5 hours a day each.

Visit to Historical Place “Bhandara Dongar”

All team members decided to visit a Historical Place Bhandara Dongar on sixth day of camp 29th December 2019. All Five Teams visited Bhandara hill which is a great devoted place of villagers. On that day all Five Teams after having their breakfast arrived at 9:30 a.m. towards Bhandara Hill. All Teams together started climbing the hill. Everyone reached the hill by 11:00 p.m. There was a temple of Sant Tukaram Maharaj. All went to the Temple and worshiped God. After that we took information about the temple from the Villagers. Students helped to villagers to served food. Then they cleaned the Surrounding area of the temple. It was a great Experience for all the students.

Study Visit to “JADHAVWADI DAM”

During the camp it was decided to visit the Jadhavwadi Dam on the fifth day to study the construction of the dam and the backwater region.

The team visited the dam on 28th December in the evening at 4:30 pm. This dam is an earthen dam. Its total length is 1215 meter, and its foundation height is 36 meters. The purpose of building this dam was to bring the surrounding land under water and irrigation. We enjoyed the sunset at the dam.

A Study Visit

“Polyhouse: Plant Biodiversity”

The NSS unit had organized a visit to Polyhouse on 28th December 2019 at 5:30 pm. Mr. Somnath Chorghe, owner of the Polyhouse explains students and faculties the construction and working of Polyhouse and the flower business. Mr. Somnath told us the overall working of his business. Also, he explained the scientific process of farming flowers. Along with this information he shares the economics of the business.
