Activity Report

Panel Discussion

Academic Year: 2020-21

Semester: I

Name of Event: Panel Discussion

Date of Conduction: 19th September 2020

Time: 11:00 AM to 12:00 PM

Targeted Audience: Students and Faculty

Number of Participants: 126

Venue: Online

Topic: "New Education System of India: Shaping the future generation"

Resource Person: Dr. Avinash Pant, Dr. Viraj Kumar, Dr. Abhijat Vichare

Coordinator: Prof.Manjusha Amritkar

Objectives:

To give awareness of the new education system of India

Outcomes:

1. Faculty will be able to get insights of the NEP for future perspective.

2. Students will be able to know the transformation of education system which will be helpful for them in near future.

Activity Description:

The entire discussion consisted of the panellists answering queries regarding the new education system and also expressing their views regarding the same. The explained how the new system is going to help students put in their efforts only in things that will help them in their career. Not only that, the whole session constituted how the new system overcomes the problems of the existing system.

The insights provided by experts about -

- The need for change in the current education system.
- In what ways it will shape the young minds.
- What will be the role of teachers in this new education system?
- Institute has to provide skill development to teachers.
- How interdisciplinary education will be of importance in future.

will really motivate participants to look at the opportunities, positively

This was a team collaborated effort of all the students and teachers of ITSA and ACM Student Chapter of I^2IT. It was an example of great teamwork, unparalleled determination and a beautiful execution!
