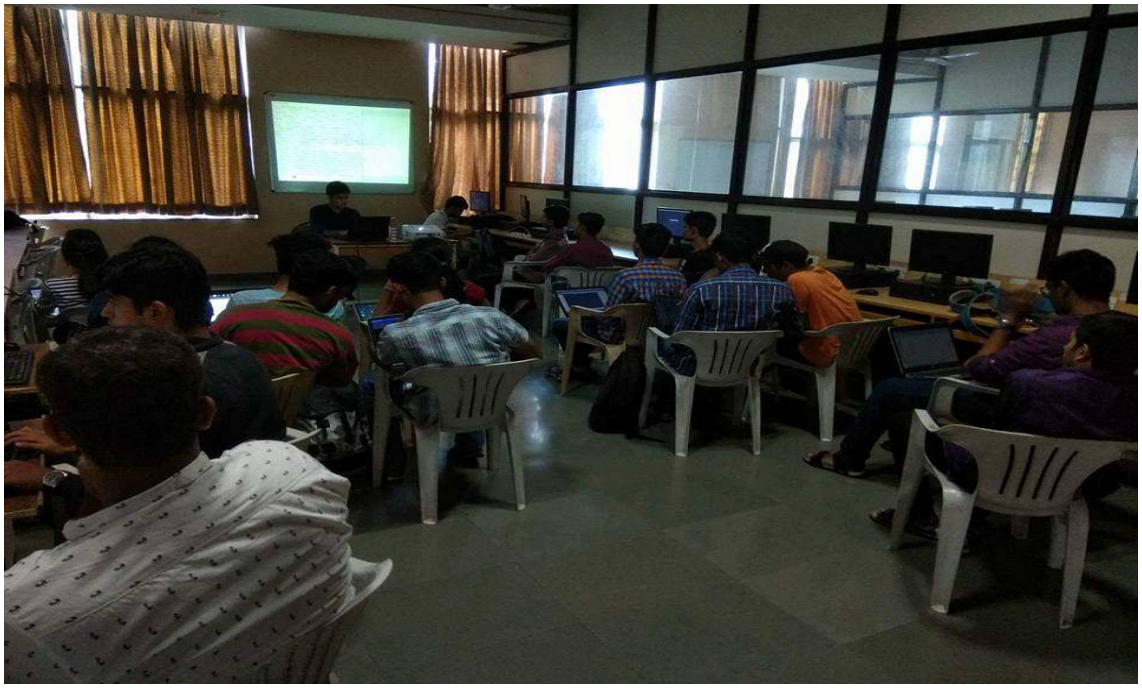
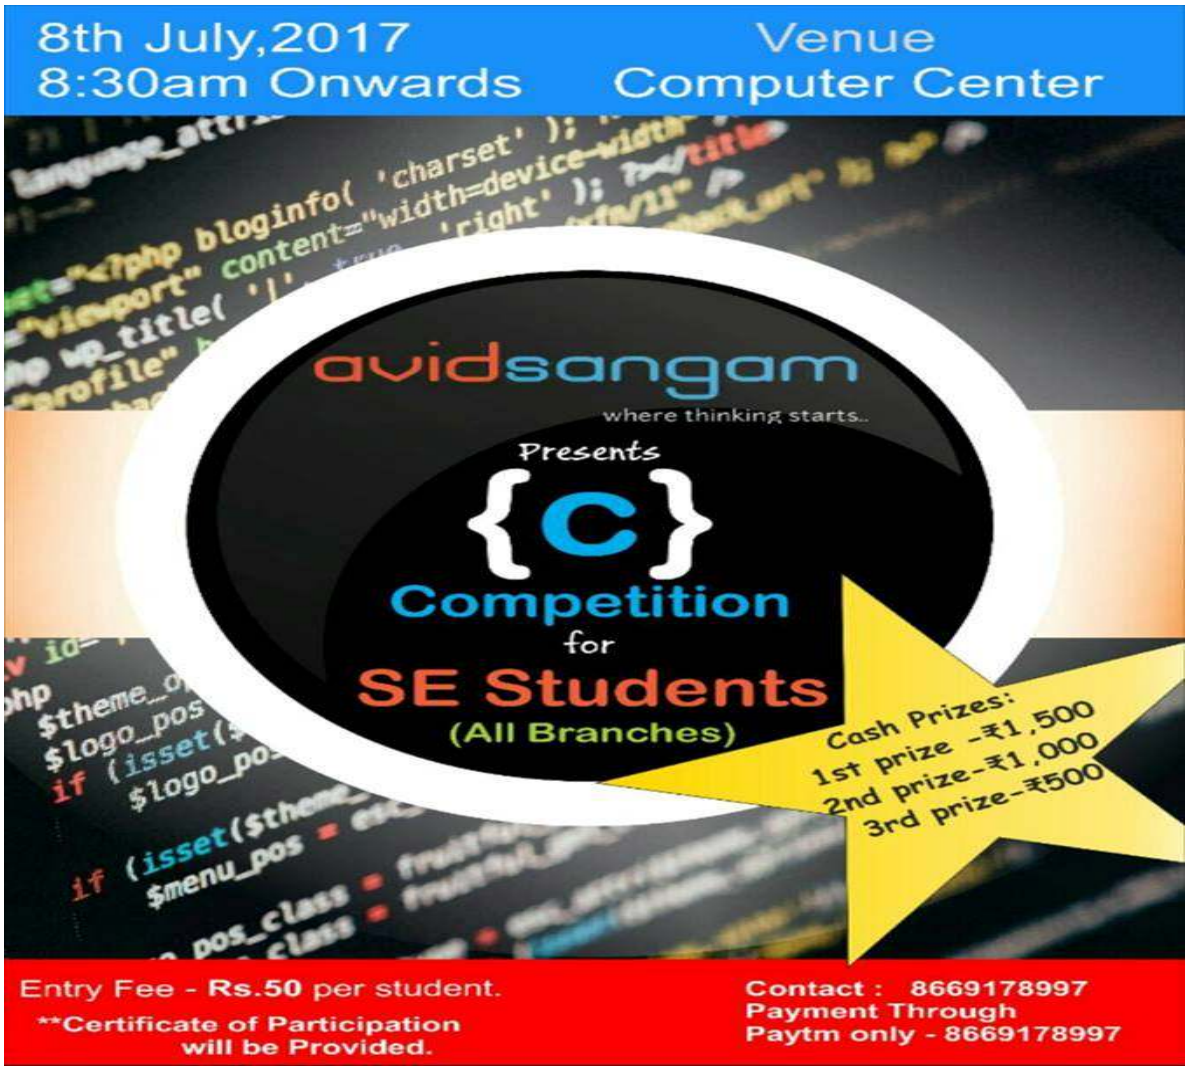
2. Conducted Python workshop

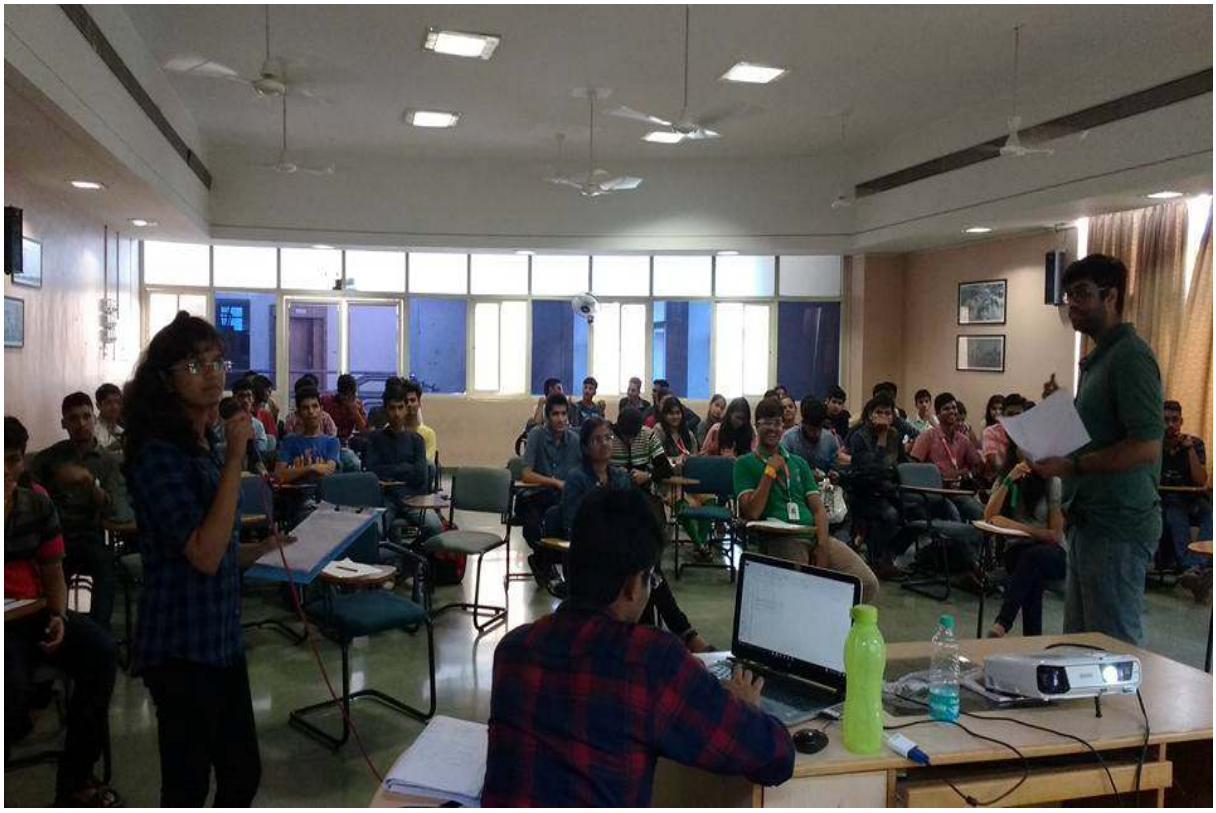
AvidSangam in collaboration with I2IT CESA - Computer Engineering Student Association conducted Python workshop on **July 24, 2017**, mentored by our own BE student Amol Patil and volunteers from AvidSangam and CESA. Third and fourth day consisted of Python OOP concepts, list comprehension, database creation and connectivity, lambda function, GUI and Machine Learning introduction. Python workshop was indeed remarkable. Thanks to our sublime mentor Amol for his efforts and perseverance. Thanks to our teacher coordinators Prof. Aniket Joshi and Prof. Prashant Gadakh and also our ever encouraging Principal Mam, Dr. Vaishali Patil. #GoPython



3. C-Language Competition

AvidSangam's C event conducted on 8th July 2017. From remarkable start to a marvellous end, with the promised and long awaited prize distribution for the first 3 ranks worth Rs 1500, 1000 and 500 respectively. Overall a staggering, flawless and phenomenal event happened, all thanks to our indomitable Principal Mam, Dean sir and our dynamic & resplendent teacher coordinators Prof. Prashant Gadakh And Prof. Aniket Joshi and our stupendous, kickass and legendary AvidSangam coordinators - Amol Patil, Yadnesh Choudhary, Shrinit Padwal, Akshay Wastri and many others who worked remarkably to make this event a majestic success. Thanks to our energetic and vivacious quiz masters Satyam Sharma and Anuja Patil, impeccable technician Nikhil Mahajan and our very own exquisite mentor Amol Patil. Third Round consisted of 6 prodigious contestants Shashank Shanbhag, Janhavi Patil, Akshay Biradar, Deepti Prasad, Parish Kumar and Nikhil Yadav.





4. C-Language Workshop

Avidsangam Conducted C Language Workshop on 27-29th June 2017
- Programming Basics and C Basics
- Condition, Looping, Branching and Functions
- Pointers, arrays and strings, structure and union
and much more...
This C workshop was conducted in collaboration with I2IT CESA and in presence of good coordinator and volunteers and adroit mentors like Amol Patil, Sudarshan Sardar and Chinmay Shah.

5. Code Gym

In association with I²IT Student Avidsangam Chapter launches "CodeGym" on campus 7th Oct 2017.

CodeGym is an initiative 'of passionate programmers for next generation of passionate programmers'. It will require significant time commitment as the program will run for almost 1 year. So if you DONT LOVE programmer or NOT passionate about programming, then CodeGym is NOT for you.

6. Bytes Magazine 2nd Edition Published

Second Edition of Bytes officially released on 13 Jan 2017. This is the Techathon edition. Techathon is a 24 hours competition organized by Geometric Ltd. for the second consecutive time in I2IT. This year also Techathon got a brilliant response from I2IT students. Their ideas, implementation, overall fun of 24 hours, also the help and support of geometric people and not to forget our I2IT teachers and volunteers and even our alumni. Some of the projects and unforgettable moments are shared in this edition. Techathon : Burning codes...Blazing ideas.
