DST & TI India Innovation challenge 2018- Announcing the Qualifying Round Results

IICDC Coordinator <ti-india-dc@list.ti.com> 1 December 2018 at 18:14
To: IICDC Coordinator <ti-india-dc@list.ti.com>

Greetings from Texas Instruments !

We are aware that you have been waiting for the IICDC 2018 – Qualifying Round results with bated breath ! ☺

IICDC 2018 registrations have set a new benchmark in itself. This edition has seen participation by **26511** students from **10146** teams from all the states of India witnessing some of the brightest engineering minds of the country giving shape to their innovative ideas by engineering path-breaking solutions.

A big thanks to you all for making IICDC 2018 a huge success!

We have shortlisted **346 teams** of IICDC 2018 who will be moving ahead to the Quarterfinals Round.

All the teams were screened as per the judging criteria of the Qualifying Round .

The decision is full and final. Please do not write to us regarding the same.

Results on MyGov Link : https://blog.mygov.in/iicdc2018-qualifier-results-and-an-introduction-to-the-evaluation-panel/

As a token of appreciation, we will be sending mementos to all the esteemed Faculty /Mentors who have supported the student teams to participate in IICDC 2018.

Congratulations to all the Qualifying teams ! Further details to the shortlisted teams will be shared shortly.

For teams who submitted their proposals on IIMB MOOC and couldn't make it to the next round, we will send the Qualifier e-certificate by Dec 30th , 2018.

We urge you not to give up on your dreams and look forward to your participation in the upcoming IICDC 2019 edition.

Thank you once again !

Regards,

IICDC Coordinator
