# Founder President

**Late Shri Pralhad P. Chhabria**  
Founder President -  
Hope Foundation and Research Centre  
-----  
Founder Chairman -  
Finolex Group of Companies  
(12.03.1930 - 05.05.2016)

**"I have not gone, just moved on.  
Each morning we are born again to work hard and  
live another beautiful journey."**

Late Shri Pralhad P Chhabria, Founder President, Hope Foundation and Research Centre (Hope Foundation) and Founder Chairman, Finolex Group of Companies has been an inspiration to many. Despite having received only primary education, with his ingenuity and inventive business strategies, Shri Chhabria established the Finolex Group of Companies in 1958 and over the years built it into a well-known conglomerate. He firmly believed that the future of our country depended on two critical aspects; quality education and women empowerment.

He has been known for his philanthropic activities encompassing education, health care, religious and spiritual teachings. Through the educational divisions FAMT at Ratnagiri and I<sup>2</sup>IT at Pune, he has established a number of scholarships, assistantships and cash awards for students who have displayed academic excellence but lack the financial opportunity to pursue their dreams.

Shri Chhabria often said, "It is an irony that I never had the benefit of formal education, but can now be instrumental in providing education to hundreds of deserving and underprivileged students. It gives me great satisfaction that my contribution will leave behind something lasting for these youngsters and for the country.

**Padma Vibhushan**  
**Dr. R. A. Mashelkar** graced the occasion of Founder's Day on I<sup>2</sup>IT Campus.  
Other dignitaries include  
**Dr. Vaishali V. Patil | Mrs. Aruna M. Katara | Dr. Vijay Bhatkar & Prakash P. Chhabria**

# Hope Foundation

Hope Foundation and Research Centre (Hope Foundation) is a Public Charitable Trust / Society established by Late Shri Pralhad P. Chhabria in the year 1979 with the objective of rendering social service towards nation building. Hope Foundation is registered under the Bombay Public Trust Act, 1950 (now known as the Maharashtra Public Trust Act, 1950) and the Societies Registration Act, 1860 under the auspices of the Finolex Group of Companies and has been contributing to the field of higher education, medical assistance and research and development activities and is successfully accomplishing its societal objectives to deserving communities across the country.

Under the aegis of Hope Foundation (the Trust / Society) are two educational institutions:

Finolex Academy of Management and Technology (FAMT), Ratnagiri.  
[www.famt.ac.in](http://www.famt.ac.in)

International Institute of Information Technology (I²IT), Pune.  
[www.isquareit.edu.in](http://www.isquareit.edu.in)

Hope Foundation has been active in the field of medicine since inception extending aid for cancer patients especially children in the form of medical assistance and lifesaving drugs. The Foundation also extends support technically and financially by way of donations, scholarships, awards, fee waivers, student assistantships etc. to its deserving students and to social communities serving the society with a non-profit motto to the maximum extent possible in order to develop innovative products, technologies and services by way of association, collaboration or otherwise for the attainment of the objects of the Trust / Society.

Hope Foundation launched its activities into the field of education with the establishment of the Finolex Academy of Management and Technology (FAMT) on 25 acres of land located in M.I.D.C. Ratnagiri, in 1996. FAMT is a professional engineering college established with the aim of providing quality education to young aspirants from the under developed region of Konkan to acquire specialized technical skills in the fields of engineering and technology management.

FAMT is approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated to the University of Mumbai and offers undergraduate and postgraduate degree level courses in Engineering in the fields of Electronics, Mechanical, Electrical, Electronics & Telecommunication, Chemical, Information Technology, Masters in Computer Applications (MCA) and M.E. (Machine Design). FAMT, Ratnagiri has approximately 2000 students on its campus. FAMT is accredited by the National Assessment and Accreditation Council (NAAC) with B++ Grade in Accreditation Cycle 1. The accreditation is valid for a period of 5 years from 28/03/2019 to 27/03/2024.

FAMT is the first and only recognised Research Centre approved by University of Mumbai in Ratnagiri and Sindhudurg Districts. For more details, please visit [www.famt.ac.in](http://www.famt.ac.in)

***Hope Foundation is recognised as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR), Ministry of Science & Technology, Government of India. This recognition would definitely add value to the Research & Development activities of the Institute for undertaking various funded research projects.***

# Pralhad P. Chhabria Awards

Hope Foundation in association with the IEEE India Council and Women In Engineering Affinity Group, IEEE Pune Section has instituted the Pralhad P. Chhabria Awards from the year 2017, in memory of Late Shri Pralhad P. Chhabria, Founder President, Hope Foundation. These awards applaud academic and professional achievements of young women for their accomplishments in the areas of Science, Engineering and Technology.

Late Shri Pralhad P. Chhabria always encouraged and supported education of young women. He firmly believed that women have always been far superior to men and have the ability to make whatever they get, greater and providing them with good education in turn ensures that they not only share their knowledge and skills with their family; but harness it for the betterment of the community and the nation.

The awards are listed under the following categories:

1. Best Outgoing Female Student (applicable to final year students who are pursuing their UG degree in Science, Engineering or Technology)
2. Best Woman Professional - Early Career (applicable to women professional who have 3-7 years experience in Science, Engineering or Technology)

Receiving this award is a personal challenge and a just competition among all applicants. It is intended to push young women to reach their full potential and be the best; for themselves as well as for those they are associated with. These awards will transform the lives of young women and can play a critical role in their personal and professional development.

Each award comprises of a prize of Rs.1,25,000/- (Rupees One Lac Twenty Five Thousand Only), a medal and a citation which is sponsored by Hope Foundation.

## 2019 Winners

**Ms Janani R**, Currently a final year student pursuing her Electronics and Comm. Engg. at Anna University. She has won accolades in technical and management skills. She has inspired young women to get involved in STEM field through the Girl Script Foundation and Sagacity Hunt Team. Her research on Design and Fabrication of Wheelchair and Stretcher using IoT is poised to be a path breaking help to many people in the country. She also volunteered in the IEEE Smart village South Asia Working Group which gave her the platform to help the Tribals of Sirualai using one of the upcoming domains - 'Hydroponics'. She has also done research in Nanophotonics and Nanomedicine and her patent for wheelchair-cum-stretcher is under review.

**Dr. Anupama Kowli**, is an Assistant Professor with the Department of Electrical Engg., at IITB, She completed her B. E. in Electrical from VJTI, Mumbai and her Masters and Ph.D. from Grainger College of Engg., University of Illinois at Urbana-Champaign. Her doctoral research has been on "Reinforcement Learning Techniques for Power Networks". She was awarded the BHAVAN fellowship by DST and IUSSTF to visit Lawrence Berkeley National Laboratory, US in 2020 to facilitate research in grid-integrated energy-efficient buildings. She was also invited as a visitor to conduct research in Isaac Newton Institute, University of Cambridge under the Mathematics of Energy Systems program in April / May 2019. Further, she has spearheaded the development of sensors and actuators for energy management applications.

She has also worked with electric utilities in Gujarat to create software support for planning and operational decision making. She has 28 published works which span areas of smart grids, demand response, optimization and renewable integration. Her research in demand response and electricity markets are highly cited. She also holds a patent on low cost PIR sensing solution for detecting spatial occupancy patterns.

**Dr. Esther Florence Sumarsingh**, and Associate Professor at SSN College of Engineering, Chennai has completed her B.E. in Electronics & Comm. followed by Masters and Ph.D. in Design, Development and Performance Evaluation of Conformal Textile Antennas. She has developed the novel textile based microwave components that led to her first patent. She has filed three more patents for developing low cost testing (sensing) devices for various applications including healthcare; while she also started working on wearable product development including a patent filed for offering a cost effective wearable alternative to polysomnography for the diagnosis of obstructive sleep apnea. She further developed a loom that can introduce technical functionalities in the produced cloth fabric.

She received a grant from DST SERB GoI (Rs.30.91 Lakh), for developing a computer controlled loom for the making of textile antennas and sensors. These end products were also deployed for socio-friendly applications such as kyphosis detection & location tracking for fishermen at sea (was submitted as a proposal for CSR initiative of HCL Technologies and was shortlisted among the top 6 at SSNCE).

# Management & Authorities

## Board of Trustees / Managing Committee

### Mrs. Aruna M. Katara

Educationist  
President & Founder Member

### Mr. Amit M. Katara

Industrialist  
Vice President & Trustee

### Dr. Mukesh D. Katara

Industrialist  
Member & Trustee

### Dr. Avinash N. Katara

Surgeon  
Member & Trustee

### Ms. Amrita M. Katara

Private Service  
Managing Trustee & Founder Member

### Dr. Samita Moolani

Surgeon  
Member & Trustee

### Ms. Sangeeta S. Bajaj

Service  
Member & Trustee

## Board of Governors

### Mrs. Aruna M. Katara

President of the Registered Society / Trust  
Chairperson

### Dr. Mukesh D. Katara

Nominee of the Registered Society/ Trust  
Member

### Ms. Amrita M. Katara

Nominee of the Registered Society/ Trust  
Member

### Nominee of AICTE Council

Nominee of the AICTE  
Ex-Officio Member

### Dr. D. D. Shah

Nominee of the Affiliating University  
Member

### Mr. Samir Pradhan

Industrialist/Technologist/Educationist from  
the region nominated by the State Govt./UT  
Member

### Prof. Madhuri S. Reddy

Faculty Nominee  
Member

### Mr. Amit M. Katara

Nominee of the Registered Society/ Trust  
Member

### Dr. Samita Moolani

Nominee of the Registered Society/ Trust  
Member

### Nominee of DTE

Nominee of the State Government / UT  
Ex-Officio Member

### Mr. Raja Mahbubani

Industrialist / Technologist / Educationist from the  
region nominated by the State Govt. / UT  
Member

### Prof. Dr. Sashikala Mishra

Faculty Nominee  
Member

### Prof. Dr. Vaishali V. Patil

Principal of the Institution as Nominee of the  
Trust / Society  
Member Secretary

# Messages

**Mrs. Aruna M. Katara**  
President, Hope Foundation

“Education has to be taken to the masses; it needs to be rooted not in rote learning but in a dynamic new pedagogy that fosters innovation and the leadership mantra in each individual within the system. Flexibility and rapid adaptation to the needs of the day have to be its hallmark if we are to fulfill our vision of a ‘Shining India’. I truly believe that the priorities for our country are Education and Health. I am grateful that we are one of the providers of these priorities. I am forever an idealist. To me, the spirit of nation building has to be at the core of our motivation if we are to break the shackles of age-old beliefs and responses.

A vibrant, corruption-free India can only be built by a Generation that has learnt to cherish those values our country was known for. This vision is based on idealism. Our efforts are, we know, but a drop in the ocean. Yet, I also believe that every drop in the ocean counts and these efforts can come to a wonderful fruition. We fulfill our pledge towards “Make in India!”. Confucius reminded us that the journey of a thousand miles begins with a single step. We began with tiny steps, and look forward to this journey as an adventure in learning and creating. The way ahead can only get better.”

**Prof. Dr. Vaishali V. Patil - Principal**  
Ph.D (IIT Bombay)

“Greetings from International Institute of Information Technology (I<sup>2</sup>IT)! The Institute is established to create, nurture, and shape technical professionals and leaders to create an inclusive and sustainable society in a national and international perspective. To achieve this vision, we launched undergraduate engineering degree programs that nurture many vibrant and promising professionals equipped with skills to face the ever changing social, economical and technical landscape of our country. At I<sup>2</sup>IT, we provide high-end undergraduate education and research opportunities in new frontiers of Engineering and Technology with special focus towards Innovation & Leadership.

Students are provided with opportunities for interaction with the experts from the Industry through Guest Lectures, Industrial Visits, Vocational Training, Internships, Student Chapters of International Professional Bodies, Sponsored Projects etc. To align with the curricula, we have excellent faculty, state-of-the-art infrastructure and laboratories. Spacious green campus, good library and peaceful atmosphere ensures that learning becomes a wonderful experience.”

# Academic Advisory Council

## Introduction

The Educational Divisions of the Trust / Society i.e. Finolex Academy of Management and Technology (FAMT), Ratnagiri and the International Institute of Information Technology (I<sup>2</sup>IT), Pune are entering a challenging and exciting phase in the field of higher education and research.

The Academic Advisory Council of the Hope Foundation and Research Centre (Hope Foundation) comprises of eminent personalities with varied knowledge and rich experience to provide the right impetus to its educational divisions so as to strengthen the academic, research and development in India.

## Members of the Academic Advisory Council

**Padma Vibhushan  
Dr. R. A. Mashelkar**  
National Research Professor, NCL  
President, Global Research Alliance

**Prof. Dr. B. B. Ahuja**  
Director,  
College of Engineering

**Mr. Nanik Rupani**  
Chairman Emeritus,  
Priyadarshni Academy

**Prof. Dr. Aditya S. Abhyankar**  
Dean - Department of Technology  
Savitribai Phule Pune University

**Mr. Shyam Raheja**  
Chairman,  
S. Raheja Realty Pvt. Ltd

**Dr. Ganesh Natarajan**  
Founder,  
5F World

**Mr. Sameer Dua**  
Founder,  
Institute for Generative Leadership

**Dr. Sujata Tolani Naik**  
Chairperson,  
Tolani Maritime Institute &  
Tolani Shipping Co. Ltd.

**Dr. Srikanth Thiagarajan**  
Senior Algorithms Engineer,  
Philips Connected Sensing

**Mr. Rajiv Vaishnav**  
Managing Partner  
Cornerstone Venture Partners

**Mr. Narendra Goidani**  
Founder,  
Life School

# Institute Profile

## International Institute of Information Technology (I<sup>2</sup>IT), Pune

The International Institute of Information Technology (I<sup>2</sup>IT), Pune [pronounced as I Square IT] was established in the year 2011 as a world class academy to impart high-end education in Engineering and Technology to meet the growing needs of the industry. Established on 10 acres of land, this institute equips students to accept challenges in the areas of Information Technology, Engineering and other niche areas of expertise.

I<sup>2</sup>IT is an Undergraduate Engineering Institute approved by the All India Council for Technical Education (AICTE), New Delhi; Recognized by the Directorate of Technical Education (DTE), Govt. of Maharashtra and is affiliated to the Savitribai Phule Pune University and offers 4 years full-time B.E. courses in Computer Engineering, Information Technology and Electronics and Telecommunication with approximately 800+ students on campus.

I<sup>2</sup>IT is accredited by the National Assessment and Accreditation Council (NAAC) with B++ Grade in Accreditation Cycle 1. The accreditation is valid for a period of 5 years from 01/04/2019 to 31/03/2024.

The three co-ordinates for all the courses offered are theoretical foundations, applied practices and real – life experiences; which are achieved through spacious and comfortable lecture rooms, well-resourced laboratories and hands-on project work in association with various companies. The whole teaching – learning environment is geared towards nurturing innovation and building leadership.

# Vision

To be a premier academic institution that fosters diversity, value added education and research, leading to sustainable innovations and transforming learners into leaders

# Mission

To strive for academic excellence, knowledge enhancement, and critical thinking capabilities by adopting innovative and dynamic teaching learning pedagogies

To enrich and leverage interactions and associations through industry academia partnerships

To groom students so as to make them lifelong learners by helping them imbibe professional, entrepreneurial and leadership qualities

To embrace an environment that allows all stakeholders to benefit from the technology enabled processes and systems

# Core Values

Place learner needs at the centre of our academic and service planning, policies and programmes

Hold high standards of character and integrity as the foundation upon which the institution is built and uphold the dignity of each individual by being ethical, humble, unbiased and polite in communications and actions

Encourage academic flexibility, knowledge and skills by integrating teaching, research and learning to promote continuous progress of our educated community

# Distinctive Highlights

- Strategically situated in the Hinjawadi IT hub of Pune spurred on by an abundance of a highly trained and young work force, technical giants of India and the world, setting up operations as well as R & D base in the city, in turn fueling the demand for technology professionals
- Distinguished faculty members with rich teaching, industry & research experience, number of who are alumni of institutions of national and international repute
- Academic, technical and other value-enrichment courses to meet industry requirements are undertaken beyond the curriculum requirements to enhance the overall development of students
- Students receive Internship opportunities through Centre of Excellences
- International exposure to students by organising Innovation Camps to Thailand & Japan
- Exhaustive library with book bank facility for EBC students and digital library for nurturing learning environment
- State-of-the-art academic, administrative and ICT Infrastructure with well-equipped laboratories for conducive learning
- More than 90% graduating students have consistently secured Distinction and First Class in the University examinations
- Extensive value added and outreach activities are conducted to inculcate leadership qualities, professional development and social awareness among students
- Active student participation and achievements in academic and non-academic events at national and international levels
- Financial scholarships for meritorious and deserving students
- Encouragement to students for participating in athletic, cultural and social activities
- Strong Alumni network for global reach
- On-campus separate student hostels for boys and girls
- Well-equipped 24 x 7 Medical Assistance Centre
- Environment friendly and green campus

# Research and Development

The Institute has a dedicated In-house Research, Development, Consultancy and Collaboration Centre (RDCCC) known as the Pralhad P. Chhabria Research Centre (PPCRC) established in the year 2016 in memory of our Founder President Shri Pralhad P Chhabria to fulfil his lifelong commitment toward fostering social development in India.

RDCC Cell is an eminent wing of academics that encourages and facilitates the environment to undertake sponsored and consultancy projects by its research team. RDCC Cell intends to have collaborative research programmes in association with top research institutes in India and abroad. An interdisciplinary approach is encouraged to involve in different research and consultancy activities for the industries in several diverse fields of engineering and technology.

**I<sup>2</sup>IT currently has received sanction for two research project grants worth Rs. 50 Lacs. These projects shall be executed in collaboration with a.) Asian Institute of Technology, Thailand and University Kebangsaan, Malaysia and b.) Indian Institute of Technology (IIT), Bombay.**

I<sup>2</sup>IT, Pune has entered into a Memorandum of Understanding (MoU) with M/s EdGate Technologies Pvt. Ltd. (University program partners of M/s Texas Instruments, USA), a Consulting Services Agreement (CSA) with M/s TOM TOM India Pvt. Ltd. and an agreement for a consultancy project on development of market research platform on health care is entered with Codex GPO Solutions Pvt. Ltd.

Further, the recognition granted to Hope Foundation (Trust / Society) as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR), Ministry of Science & Technology, Government of India would definitely add value to the Research & Development activities of the Institute for undertaking various funded research projects.

## Center of Excellence in Geoinformatics

The Center of Excellence in Geoinformatics, is an initiative aimed at promoting education, research and support services for Information Communication Technology (ICT) enablement of Geospatial applications using open source solutions. Its main efforts are geared towards increasing awareness, understanding, appreciation and application of Geospatial solutions using a participatory and community driven approach in the form of research, outreach and consultancy. The research activities in the center are in the form of community development projects and sponsored projects by national & international funding agencies.

## Center of Excellence in Cloud Computing & Cyber Security

The Center of Excellence in Cloud Computing & Cyber Security is an initiative to promote Cloud Architecture, DevOps, Big Data Analytics, Machine Learning, Deep Learning, Alexa Skill Builder on Cloud, Threat intelligence analysis, Forensic Investigation, Penetration Testing and Application Security Management. Center of Excellence in Cloud Computing and Cyber Security was inaugurated by Prof Vishram Thatte, who is one of the AWS Academy – Technical Program Manager at I<sup>2</sup>IT campus & its main efforts are geared towards increasing awareness, understanding, appreciation and application of Cloud Computing and Cyber Security. The research activities in the center are in the form of community development projects and sponsored projects.

# ICT Infrastructure

The Information and Communication Technologies (ICT) and its infrastructure support have become an integral part of our existence and learning experiences in all aspects of life. ICT has fundamentally changed the systems and processes of nearly all forms of enterprises within their business activities and governance. The presence of ICT in the education and research domains / sectors has made a substantial impact in the last several years and it is virtually at par with the other functional fields. With the entire world moving very rapidly into digital media and other niche areas of technology, the role of ICT in education is becoming more and more significant and this significance will continue to foster and advance in the 21st century.

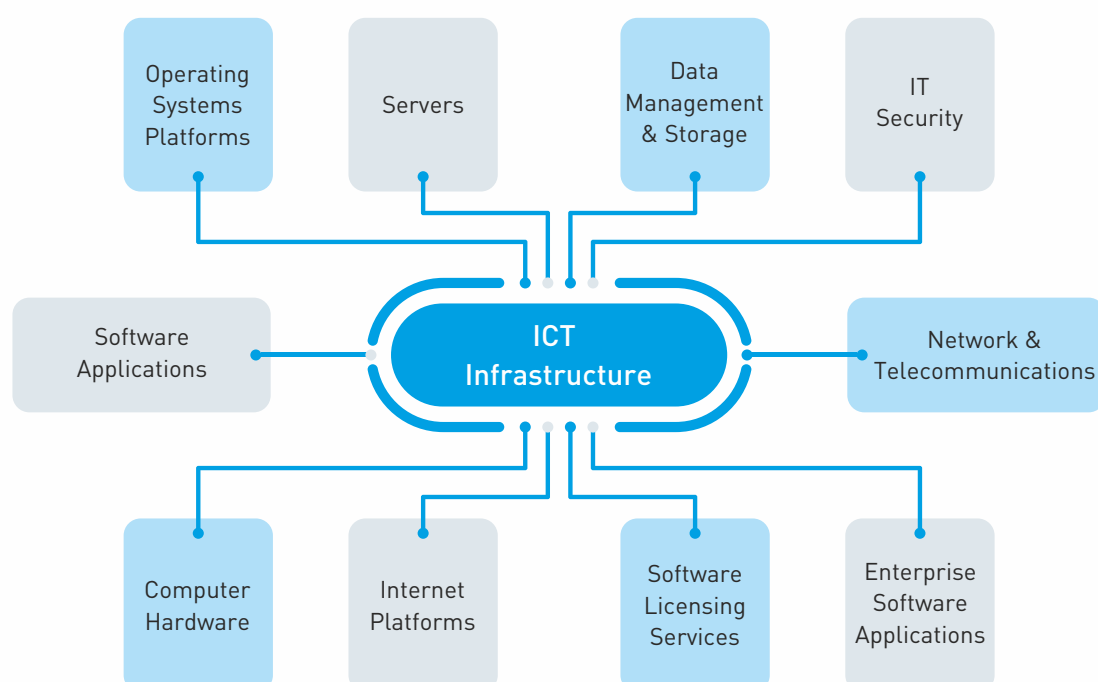

The ICT infrastructure of the Institute would definitely contribute in transforming the delivery quality of the teaching and learning process activities and seeks to explore the impact it would make for a much more effective way the academic programmes would be offered and delivered in the years to come. In addition to the regular interactive classroom teaching, some of the additional ICT tools used during the teaching pedagogy includes Youtube, Slideshare, Flipped Class, Moodle, Google Groups, Digital Social Media, Animations, Simulations and the like.

The International Institute of Information Technology (IIIT) continues to strive towards maintaining a sustainable ICT enabled environment and serve to provide the resourceful means of infrastructure for the benefit of the student community and their academic and research activities to realize the potential it holds.

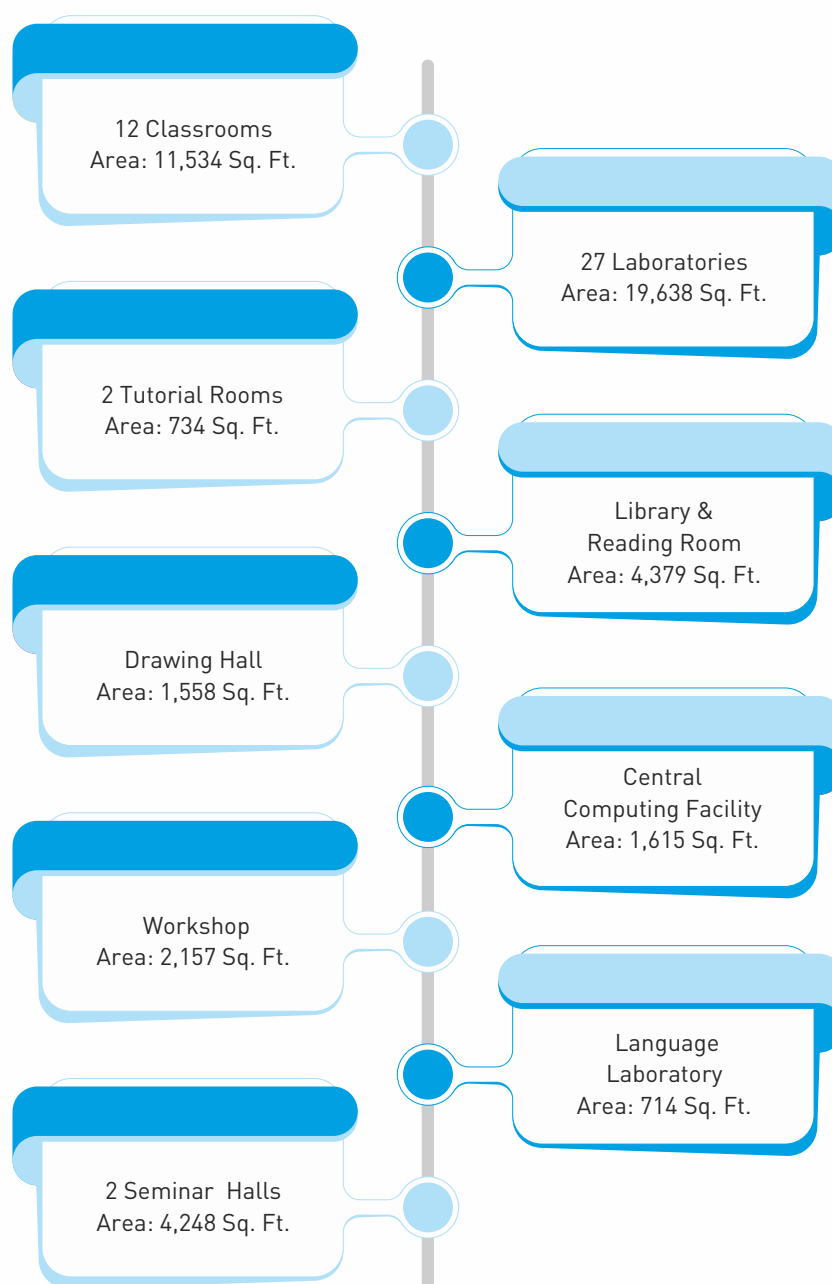

## ERP Software Implementation

In order to provide automated, authentic and accurate information and services for the overall management and administration of the Institute activities, a complete cloud based Institute Management ERP Solution (WEBDESK) is implemented from the Academic Year 2018 – 19. Webdesk provides a source of information and offers modules with robust features needed for Student, Parents, Faculty, Staff and the Management of the Institute.

Some of the key modules that the Webdesk ERP Solution would provide includes Admission Management, Fee Management, Examination Management, Faculty Allocation and Course Plan, Student Attendance, Students / Parents Login, Library Module, Teaching Feedback etc. for the efficient, effective and errorless dissemination of various information and services to all stake holders of the Institute.

# Academic & Administrative Infrastructure

**Administrative Areas**  
15,288 Sq. Ft.

**Cafeteria Area**  
10,508 Sq. Ft.

**Amenities Area**  
2,26,419 Sq. Ft.

**Common Areas**  
1,29,472 Sq. Ft.

**Student Residences**  
Girls Hostel : 250 Beds  
Boys Hostel : 350 Beds

**Other Facilities**  
24 x 7 Medical Assistance Centre Sports Club , CCTV ,  
Physical Activity Spaces, Barrier free Environment for differently abled

# Programmes Offered

Bachelor of Engineering ( B. E. ) - [Affiliated to the Savitribai Phule Pune University ]

Degree	Duration	Mode	Branch	Branch Code	Sanctioned Intake
B. E.	4 Yrs.	Full-Time	Electronics & Telecommunication	675437210	60 Seats
B. E.	4 Yrs.	Full-Time	Computer Engineering	675424510	60 Seats
B. E.	4 Yrs.	Full-Time	Information Technology	675424610	60 Seats

## Examination and Assessment

Result Analysis of B. E. Students (AY 2018 - 19)

■ Distinction
 ■ Higher Second Class
 ■ First Class
 ■ Others

Dept. of  
Computer Engineering

Dept. of  
Electronics & Telecommunication

Dept. of  
Information Technology

### Examination and Assessment Scheme

The theory examination will be conducted in three phases for all the subjects of Semesters 1 to 4 and two phases for the Semesters 5 to 8. For the Semesters 1 to 4 the Phase-1 and Phase-2 exam are part of in-semester exam and Phase 3 is a part of end-semester exam.

### Assessment and Grade Point Average

Grade	Grade Points	Percentage of marks obtained	Remarks
O	10	90 - 100	Outstanding
A	9	80 - 89	Very Good
B	8	70 - 79	Good
C	7	60 - 69	Fair
D	6	50 - 59	Average
E	5	40 - 49	Below Average
F	0	Below 40	Fail

### CGPA and Class Awarded

CGPA	Class of the Degree Awarded
7.75 or more than 7.75	First Class with Distinction
6.75 or more but less than 7.75	First Class
6.25 or more but less than 6.75	Higher Second Class
5.5 or more but less than 6.25	Second Class

For detailed information and clarifications regarding the Examination and Assessment Scheme, please write to [ceo@isquareit.edu.in](mailto:ceo@isquareit.edu.in) and / or meet the College Examination Officer of the Institute.

# University Rank Holders

**Priyanka Singh**  
**1st Ranker and Gold Medalist**  
Computer Engineering (B. E. 2016 – 17)

“When I heard that I have been awarded three Gold Medals for First Rank in B.E. Computer Engineering under Savitribai Phule Pune University, I was elated and excited about my achievement. I believe this isn't just my achievement, these Gold Medals belong to my parents, who have always supported my dreams and aspirations, my teachers at I<sup>2</sup>IT (Hope Foundation's International Institute of Information Technology, Pune) who encouraged me to believe in myself, my peers, who pushed me to try harder; in fact this belongs to all those who have impacted my life”

**Suraj Sadanand Tandel**  
Information Technology  
SGPA - 10  
Rank - 1<sup>st</sup>

**Indraneel Dongaonkar**  
Electronics & Telecommunication  
SGPA - 9.41  
Rank - 9<sup>th</sup>

**Shalaka Thorat**  
Information Technology  
SGPA - 9.68  
Rank - 3<sup>rd</sup>

**Nikhil Vijay Yadav**  
Computer Engineering  
SGPA - 9.80  
Rank - 10<sup>th</sup>

**Sahana BG**  
Computer Engineering  
86.60%  
Rank - 5<sup>th</sup>

**Ankush Kumar**  
Information Technology  
SGPA - 9.37  
Rank - 9<sup>th</sup>

**Manali Manoj Kaswa**  
Computer Engineering  
SGPA - 9.92  
Rank - 5<sup>th</sup>

**Amit Kumar**  
Computer Engineering  
SGPA - 9.39  
Rank - 10<sup>th</sup>

**Nikhil Kothari**  
Electronics & Telecommunication  
SGPA - 9.41  
Rank - 6<sup>th</sup>

# Department of Engineering Sciences (First Year)

## Bachelor of Engineering ( B. E. )

[Affiliated to the Savitribai Phule Pune University ]

For engineering students, it is very important to have the ability to apply knowledge of Mathematics and Sciences to Engineering problems. It is also crucial to have good analytical and data interpretation skills so that they can identify problems and provide optimum solutions. At the same time, they should also be perceptive of their professional and ethical responsibilities. Under the Department of Engineering Sciences, students are taught basic sciences like Physics, Chemistry and Mathematics with an application oriented approach. The Department also imbibes basic knowledge related to core branches of Engineering.

The Department has faculty members from diverse disciplines who help foster departmental and interdisciplinary teaching. With a holistic approach to student development, along with academics, there is a strong focus on extracurricular activities which instill values of leadership and team building. This important task of life skills development is also handled by the Department. To develop students to become proficient members in the science and engineering communities, the Department provides an encouraging environment which helps them develop their intellectual and critical thinking capabilities.

## Programme Educational Objectives

- To bridge the gap between school education and professional education
- To establish a strong foundation of the fundamentals in Mathematics, Science and Engineering
- To impart necessary skills to identify, formulate and solve the engineering problems
- To improve communication skills of students

The objective is to nurture the students in all dimensions of technology, communication as well as ethics. A team of qualified and experienced faculty members along with support technical staff works together to ensure a smooth transition of fresh out-of-school students into professional undergraduate students. For practical exposure of theoretical concepts to the students, the Department is well equipped with Physics, Chemistry, Basic Mechanical, Basic Electrical, Basic Electronics, Basic Civil Engineering Laboratories and Workshop.

---

## Highlights of the Department

- Continuous monitoring of academic performance of the students
- Extra practice sessions for University examinations
- Remedial lectures for students for better understanding
- Departmental Library is available for students
- Extended Laboratory hours for practice purposes
- One to one interaction with students through Mentor Scheme

## Lab Infrastructure

### List of Laboratories

- |                                |   |

---

The Department of Engineering Sciences (First Year) has all the required laboratories, which are equipped with modern infrastructure so that students can gain maximum knowledge. All these laboratories are efficiently handled by support staff members who assist as Laboratory/Technical Assistants and are equipped to handle the laboratory demonstrations and sessions along with the concerned subject faculty.

# Faculty

## Department of Engineering Sciences (First Year)

### Prof. Rakhi P. Wagh

M. E. Prod. Engg. (Manuf. and Automation)  
Assistant Professor & HoD  
Areas of Expertise: Robotics, Computer  
Integrated Manufacturing  
Professional Experience: 13 years

---

### Prof. Ravindra P. Joshi

M. S. Electrical and Computer Engineering (USA)  
Associate Professor  
Areas of Expertise: Computer Networks,  
Power Electronics  
Professional Experience: 31 years

---

### Prof. Madhuri S. Reddy

M. E. Civil (Construction and Management)  
Assistant Professor & CEO  
Areas of Expertise: Estimation & costing, Engineering  
Mechanics, SOM Environmental Engineering  
Professional Experience: 11 years

---

### Prof. (Dr.) Sandeep R. Varpe

Ph. D, M. Sc. (Physics), NET  
Assistant Professor  
Areas of Expertise: Acoustics,  
Atmospheric Physics  
Professional Experience: 11 years

---

### Prof. Rupali B. Yeole

M. Sc. (Mathematics), SET  
Assistant Professor  
Areas of Expertise: Differential Equations,  
Integral Equations, Fractional Differential Equations  
Professional Experience: 8 years

---

### Prof. Mahesh S. Waghmare

M. Tech. (Civil Hydraulic Engineering)  
Assistant Professor & SDO  
Areas of Expertise: Water Resources  
Engineering, Hydraulic Engineering,  
Dam and Hydraulic Structure, Hydrology  
Professional Experience: 21 years

---

### Prof. Yogiraj R. Deshmukh

M. E. Mechanical Engg. (Heat Power)  
Assistant Professor  
Areas of Expertise: Engineering Graphics,  
Thermodynamics, Heat Transfer, IC Engines  
Professional Experience: 11 years

---

### Prof. Amit B. Kasar

M. Tech. (Power System Engg.)  
Assistant Professor  
Areas of Expertise: Power Systems, Electrical Machine  
Professional Experience: 12 years

---

### Prof. Mandar V. Datar

M. Tech. (Incl. Math. with Comp. App.), SET  
Assistant Professor  
Areas of Expertise: Graph Theory, Fuzzy Graphs  
Professional Experience: 9 years

---

### Prof. Vaidehi S. Banerjee

M. A. (Communication Science)  
Assistant Professor  
Areas of Expertise: Communication Skills  
Professional Experience: 22 years

---

### Prof. Suvarna R. Bhagwat

M. Sc. (Mathematics), B.Ed  
Assistant Professor  
Areas of Expertise: Differential Equations, Graph Theory  
Professional Experience: 9 years

---

### Prof. (Dr.) Smita A. Kavalgikar

Ph.D, M. Sc. (Polymer Science)  
Assistant Professor  
Areas of Expertise: Polymer Chemistry Synthesis and  
Environmental Applications  
Professional Experience: 8 years

---

## Support Staff

Mr. Anil Waghmode  
Sr. Lab Assistant

Mr. Sahdev Uttekar  
Assistant Workshop Instructor

# Department of Electronics and Telecommunication (E & TC)

Over the past two decades, Electronics & Telecommunication Engineering has played a pivotal role in improving quality of human life and also contributed to the economic growth of our nation and the world at large. The main aim of the Department is to impart strong theoretical and practical knowledge in the domains of basic electronics as well as advanced fields of Industry Automation, Medical and Agriculture Electronics. There are ample learning opportunities in broad areas of communication; ranging from classical fields of Satellite, Wireless, Optical & Data Communication to the latest field of Unified Communication which are provided through well-equipped labs and facilities.

The Department supports in-house development of kits and we take utmost care that students get more hands-on with self-design and implementation of circuits and projects. Our Analog Communication lab, Embedded and Electrical labs are currently equipped with our own designed kits. The Department is equipped with a variety of antennas with testing and measurement system facilitating research activities. The Department encourages students to carry out innovative research to match the needs of the technical education system, the industry and our society.

The Department has well-qualified faculty members with rich academic experience who have made significant contributions in various fields and have published research papers in reputed journals, international and national conferences. We encourage participation of students in various co-curricular and extra-curricular activities as well.

## Programme Educational Objectives

Apply skills acquired in E&TC to analyze problems & design innovative solutions

Inculcate the habit of self-learning using state-of-the-art technologies & innovations for continuous improvement

Internalize and display professional ethics, team spirit & respect societal values

Inspire student for higher studies & research

---

## Program Specific Outcomes

- PS01: Understand fundamentals concepts and acquire co-design skills of E&TC to apply them to its cognitive areas
- PS02: Enhance programming skills for efficient coding practices using open source platform
- PS03: Develop analytical skills to achieve optimized and cost-effective technological solutions for challenges in E&TC
- PS04: Bringing awareness about electromagnetic radiation hazards for the work environment

# Lab Infrastructure

## List of Laboratories

- Electronic Devices and Circuits Laboratory
- E & TC Computer Centre
- Signal Processing Laboratory
- Communication Laboratory
- Network and Measurement Laboratory
- Electronics Design Laboratory
- Digital and VLSI Laboratory
- Basic Electrical & Electronics Laboratory
- Micro Controller & Embedded Laboratory and Digital Microprocessor Laboratory

---

The Department of Electronics & Telecommunication (E & TC) and its lab infrastructure and resources are as specified in the University syllabus. All these laboratories are efficiently handled by support staff members who assist as Laboratory/Technical Assistants and are equipped to handle the laboratory demonstrations and sessions along with the concerned subject faculty.

All major hardware equipment in the E & TC laboratories are certified by the National Accreditation Board for Testing and Calibration Laboratories (NABL), a Constituent Board of Quality Council of India

# Course Structure

## Department of Electronics and Telecommunication (E & TC)

Second Year	Semester III	Semester IV
	Signals & Systems	Engineering Mathematics III
	Electronics Devices & Circuits	Integrated Circuits
	Electrical Circuits and Machines	Control Systems
	Data Structures and Algorithms	Analog Communication
	Digital Electronics	Object Oriented Programming
	Electronic Measuring Instruments & Tools	Employability Skill Development
Third Year	Semester V	Semester VI
	Digital Communication	Power Electronics
	Digital Signal Processing	Information Theory, Coding and Communication Networks
	Electromagnetics	Business Management
	Microcontrollers	Advanced Processors
Final Year	Mechatronics	System Programming and Operating Systems
	Semester VII	Semester VIII
	VLSI Design & Technology	Mobile Communication
	Computer Networks & Security	Broadband Communication Systems
	Radiation & Microwave Techniques	Elective III
	Elective I	Elective IV
	Elective II	Project Stage II
	Project Stage I	
	List of Elective I (Choose any one)	List of Elective II (Choose any one)
	Digital Image and Video Processing	Artificial Intelligence
	Industrial Drives and Control	Wavelets
	Embedded Systems & RTOS	Electronics in Agriculture
	Internet of Things	Electronics Product Design
		Optimization Techniques
	List of Elective III (Choose any one)	List of Elective IV (Choose any one)
	Machine Learning	Robotics
	PLCs and Automation	Bio-Medical Electronics
	Audio and Speech Processing	Wireless Sensor Networks
	Software Defined Radio	Renewable Energy Systems
	Audio Video Engineering	Open Elective

# Faculty

## Department of Electronics & Telecommunication (E & TC)

### Prof. (Dr.) Risil R. Chhatrala

Ph. D, M. Tech. (Electronics and Telecomm.)  
Associate Professor & HoD  
Areas of Expertise: Pattern Recognition, Image and Video Processing  
Professional Experience: 15 years

---

### Prof. (Dr.) S M Mahalakshami Naidu

Ph. D, M.Tech. Electrical Engg.  
(Control & Instrumentation)  
Associate Professor  
Areas of Expertise: Signal Processing and Instrumentation  
Professional Experience: 17 years

---

### Prof. (Dr.) V. Rajesh Chowdhary

Ph. D, M.Tech. Adv. I.T.  
(Satellite Comm. & Space Systems)  
Associate Professor  
Areas of Expertise: Geoinformatics  
Professional Experience: 5 years

---

### Prof. (Dr.) Varsha N. Degaonkar

Ph. D, M. E. Electronics (Digital Systems)  
Assistant Professor  
Areas of Expertise: Image and Speech Processing  
Professional Experience: 16 years

---

### Prof. Bhagyashri T. Thorat

M. Tech. (Electronics & Telecomm. Engg.)  
Assistant Professor  
Areas of Expertise: Fiber Optics Communication, Network Theory, Integrated Circuits  
Professional Experience: 11 years

---

### Prof. Sujata S. Virulkar

M. E. Electronics & Telecomm. (Signal Processing)  
Assistant Professor  
Areas of Expertise: Signal Processing, Image Processing  
Professional Experience: 12 years

### Prof. Smita R. Kadam

M. Tech. (Electronics Engineering)  
Assistant Professor  
Areas of Expertise: Digital Electronics, Image Processing  
Professional Experience: 9 years

---

### Prof. Dipak R. Raut

M. Tech. (VLSI System Design)  
Assistant Professor  
Areas of Expertise: VLSI system design  
Professional Experience: 12 years

---

### Prof. Anjali A. Jagtap

M. E. Electronics & Telecomm. (Comm. Network)  
Assistant Professor  
Areas of Expertise: Control System, Computer Network  
Professional Experience: 10 years

---

### Prof. Ashok N. Shinde

M. Tech. (Electronics Engineering)  
Assistant Professor  
Areas of Expertise: Signal and Image Processing, Machine Learning, Analog and Digital Comm.  
Professional Experience: 8 years

---

### Prof. Ashvini N. Kulkarni

M. E. (Communication Engineering)  
Assistant Professor  
Areas of Expertise: Embedded Systems, Computer Network, Internet of Things  
Professional Experience: 8 years

Lab Assistant

Mr. Shankar Rasal  
Lab Assistant

# Department of Computer Engineering (CE)

The B.E. Program in Computer Engineering imparts an outstanding educational opportunity for those planning to pursue a career or to gain in-depth knowledge in Computer Engineering. Keeping in pace with the current era, the Computer Engineering syllabus covers comprehensive areas of both hardware and software technologies like Operating Systems, Microprocessor, Computer Architecture and Organization, Systems Programming, Operating Systems, Theory of Computation, Computer Graphics, Artificial Intelligence, Machine Learning and many more.

The faculty members are energetic and work with passion in the areas like IoT, Cloud Computing, Machine Learning, Data Mining, Database Management and Soft Computing. They strive to provide conducive learning environment for students so as to develop their analytical and practical skills. The Department of Computer Engineering undertakes various activities to inculcate technical and managerial skills within the students along with social responsibilities. The Department also extends support for projects and innovative ideas.

## Programme Educational Objectives

To prepare globally competent graduates having strong fundamentals, domain knowledge, updated with modern technology to provide the effective solutions for engineering problems

To prepare the graduates to work as a committed professional with strong professional ethics and values, sense of responsibilities, understanding of legal, safety, health, societal, cultural and environmental issues

To prepare committed and motivated graduates with research attitude, lifelong learning, investigative approach, and multidisciplinary thinking

To prepare the graduates with strong managerial and communication skills to work effectively as individual as well as in teams

## Program Specific Outcomes

**PS01:** Professional Skills -The ability to understand, analyze and develop computer programs in the areas related to algorithms, system software, multimedia, web design, big data analytics, and networking for efficient design of computer-based systems

**PS02:** Problem Solving Skills - The ability to apply standard practices and strategies in software project development using open-ended programming environments to deliver quality products for business success

**PS03:** Successful Career and Entrepreneurship - The ability to employ modern computer languages, environments, and platforms in creating innovative career paths to be an entrepreneur, and a zest for higher studies

# Lab Infrastructure

## List of Laboratories

- Fundamental Programming Lab - I & II
- Programming Lab - I
- Programming Lab - II
- Programming Lab - III
- Software Laboratory
- CE Computer Centre
- Project and R & D Lab

---

The lab software and hardware resources and tools of the Department of Computer Engineering (CE) are provided through the ICT infrastructure of the Institute for the efficient functioning of the laboratories. The lab infrastructure and resources are as specified in the University syllabus. All these laboratories are efficiently handled by support staff members who assist as Laboratory/Technical Assistants and are equipped to handle the laboratory demonstrations and sessions along with the concerned subject faculty.

# Course Structure

# Department of Information Technology (IT)

Information Technology (IT) has become one of the most powerful drivers of our economy. It plays an important role in convergence of computing and communication applications to satisfy the demands of customers. The Department of IT imparts an outstanding educational opportunity for those planning to pursue a career or to gain in-depth knowledge in Computing Technology. Keeping in pace with the IT era, the Course Curriculum covers an exhaustive realm of fields like Operating Systems, System Programming, Finite Automata Theory, Computer Graphics, Database Management Systems, Software Engineering, Big Data Analytics, Artificial and Machine Intelligence. To support this, learning facilities are provided through various laboratories such as Data Structures Lab, Networking Lab, Database Lab, Digital Electronics & Microprocessor Lab, Artificial Intelligence Lab etc.

The Department of Information Technology at International Institute of Information Technology (I<sup>2</sup>IT) is recognized for its motivated faculty members. The faculty members are vibrant and work with enthusiasm focusing in the domains like IoT, Cloud Computing, Big Data, Machine Learning, and Distributed System.

They strive to provide conducive learning environment for students so as to develop their analytical and practical skills. Students of this Department will find an encouraging team of faculty members and Laboratory staff who will help them through these four years.

## Programme Educational Objectives

The students of Information Technology course would gain the following intellectual and technological skills during the program tenure.

Possess strong fundamental concepts in Mathematics, Science, Engineering and Technology to address technological challenges.

Possess knowledge and skills in the field of Computer Science and Information Technology for analyzing, designing and implementing complex engineering problems of any domain with innovative approaches.

Possess an attitude and aptitude for research, entrepreneurship and higher studies in the field of Computer Science and Information Technology.

Have commitment to ethical practices, societal contributions through communities and lifelong learning

Possess better communication, presentation, time management and team work skills leading to responsible & competent professionals and will be able to address challenges in the field of IT at global level.

## Program Specific Outcomes

- PS01: Ability to understand & apply software, hardware & mathematical concepts to solve real world problems using appropriate data structure and algorithms
- PS02: Possess knowledge of data management system and networking to find solutions of environmental and social problems
- PS03: Capability to apply standard project design strategies in software project development by using different programming languages and open source tools to deliver a quality product
- PS04: Competent knowledge of various domains for bridging the technological gap and provide solution to various problems that leads to innovation

# Lab Infrastructure

## List of Laboratories

- Network Laboratory
- Data Structure Laboratory
- Database Laboratory
- Artificial Intelligence Laboratory
- Digital Electronics & Microprocessor Laboratory

# Library Infrastructure

The ultimate objective of an academic library is to fulfil the information needs of its stakeholders such as faculty members, students, research scholars as well as support staff with the predominant sources of information and services. As library is presumed as the heart of an academic institution; the overall health of the parent institution depends on it. To commensurate the same, IIT library holds the rich collection of more than 11,300 text as well as reference books in the domain of Electronics, Telecommunication, Computer Engineering, Information Technology, Applied Sciences, General Management, Philosophy, Fiction, Non-Fiction, Religion, Self-Help, Travel, etc.

The collection comprises of print documents such as Books, Research Journals, Technical Magazines, Project Reports, Question Papers etc.; whereas E-books, E-Journals, E-Databases and CDs/DVDs hosts the electronic information resources collection. The Digital Library facility comprises of 10 workstations with campus-wide network connection, Wi-Fi connectivity confirms an uninterrupted access to the electronic information resources to its patrons to provide additional knowledge on industry developments and societal aspects.

# Training & Placement

At I?IT, placement is not an event; it is an on-going process. The strategies are a reflection of technical & skill based talent honed by students during their academic years. It begins with counseling early in the Program, continues with constant exposure to the industry and its dynamics by way of industrial visits, projects and assignments which culminate in the final placement of our students. To give students an edge over other professional aspirants, we provide vocational training as well as sessions on communication skills, personality development and professional ethics and values. We aspire to give equal opportunities to all our students.

In order that our students are unique in the present competitive world, we conduct regular training programs on both functional & technical skill development. Our Training & Placement Department interacts with Industry to constantly deliver Guest Lectures on "Future Trends & Emerging Technologies" so that our students become ready to face the rapidly growing industry challenges.

For more details, please feel free to get in touch with below Team Members -

<b>Mr. Adesh Patwardhan</b>
Head Corporate Relations

<b>Mr. Swapnil Khmabayat</b>
Training & Placement Assistant

<b>Prof. Bailappa A. Bhovi</b>

<b>Prof. Anand A. Bhosale</b>
T & P Coordinator - IT Dept.

<b>Prof. Dipak R. Raut</b>
T & P Coordinator - ETC Dept.

---

## Career Management Committee (CMC)

This Committee aims at facilitating various activities for career development and guidance. It is focused towards preparing students and connecting them to appropriate opportunities. The Committee works towards specific strategies and logistics to maximize the career prospects for students on campus.

It provides complete assistance and support to conduct the recruitment process under the guidance of the Training and Placement Department. The Committee members also actively participate in placement drives and interact with professionals from various corporate and continuously obtain feedback of the students employed with such corporates, that will help improve the overall development and technical competencies of the students to meet the rapid changes in the industry requirements.

The CMC also arranges regular interactive sessions amongst different academic Departments. Being a part of this Committee helps students gain exposure to the corporate world through an applied hands-on method, which in turn develops highly success oriented graduates.

# Internship

Internships are an integral part of most of the professional courses that provide students the opportunity to apply their theoretical knowledge in real-life situations and problems. I<sup>2</sup>IT supports and encourages students to participate in Internship Programs that have relevance to the prescribed academic program and provides growth and learning opportunities for the students.

Internships also assist the students in acquiring their academic and technical credentials by providing them ample opportunities to augment classroom instructions with hands-on exposure to the real world employment challenges and benefit them professionally. It is essential for the student to complete the necessary academic pre-requisites to be eligible to apply for Internship.

The students are strictly advised to adhere to the Internship procedure of the Institute and avoid any fraudulent attempts in undertaking the Internship activity.

Violations if any in this regard will be dealt with appropriately.

# Projects

With rapid development in modern Science and Technology, sponsored projects play an important role in making the students aware of the industry requirements while they are working on the relevant industry project/s. The preliminary exposure to undertake such project/s helps the students gain knowledge about the technical competencies, problem solving capabilities and leadership & managerial skills that they need to possess to meet the requirements of the industry.

Their valuable contributions to the industry during this project phase will create a road map toward achieving employment opportunities within such organizations. This would also encourage and create confidence among themselves in acclimatizing with the work culture of the organization thereby providing them a platform in delivering quality output.

# Entrepreneurship Development Cell (EDC)

The Entrepreneurship Development Cell (EDC) was established by the Institute in the year 2015 with the objective to create awareness about entrepreneurship skills among the students. This cell is an institutional mechanism to create entrepreneurial culture. The EDC of I<sup>2</sup>IT now operates as Innovation and Start Up Cell under the Centre for Innovation, Incubation and Linkages of Savitribai Phule Pune University.

This initiative has shown an encouraging response with many students coming forward with innovative ideas and concepts. The most promising ideas are chosen through "Entrepreneurship Challenge" - an event held on campus.

The Institute encourages students to contribute to the EDC and constantly assists them administratively and financially to meet their entrepreneurial aspirations.

## Objectives of EDC

To design standardized processes, policies and procedures of referral for clients to and from the institute and the incubation start ups

To promote interaction between the institute and the incubation start ups in mutually beneficial areas

To identify and deliver appropriate entrepreneurship and skills training, monitoring and mentoring entrepreneurs and the enterprises

To provide a formal basis for initiating interaction between the institute and the incubation start ups and joint cooperation in undertaking of export and investment promotion activities

To standardize the delivery of services to entrepreneurs and enterprises assisted by co-operating entities

# Start Ups

The Entrepreneurship Development Cell (EDC) of I<sup>2</sup>IT has mentored and extended support to many of its students who have shown interest in setting up Incubators / Start Ups with innovative ideas and concepts. Some of these ideas of students which have materialised during the recent past are categorised as “Established Start-Ups” and “Emerging Start-Ups”

## Established Start Ups

Sr. No.	Name of the Student	Year	Name of the Start Up
1	Ashish Dhone	2019-20	This Look Secure
2	Adarsh Agarwal	2019-20	Klaimify
3	Shubham & Saurabh	2019-20	Travby
4	Parth Bandrewar, Govind Hoge, Satyaprakash Gaikwad	2018 – 19	RopGrow
5	Amit Kumar Tiwari	2018 - 19	Elatform
6	Yogesh Doke	2017 – 18	CS IT Services Private Ltd.
7	Ankit Choudhari	2017 – 18	Shree Varad Enterprises
8	Mehak Sethiya	2016 – 17	PM CCloudTech Private Ltd.
9	Arif Sanadi	2016 - 17	Nexalus Innovations LLP
10	Durgest Tayade	2015 – 16	StartOmatic
11	Sameer Mohanti	2015 – 16	CreaxtInc
12	Gautami Bhavsar	2015 – 16	Public Image Building

## Emerging Start Ups

Sr. No.	Name of the Student	Year	Name of the Start Up
1	Allen Thomas	2018-19	Deepfake Detector
2	Shagun Mahamuni, Mayuresh Patkar	2018-19	Technoagri
3	Susheel Gounder, Vishal Rokade, Madhuri Mengle, Mahaleppa Patil	2018-19	Smart Farmers

## Awards and Recognitions

**Best Emerging Technical Institute**  
in Maharashtra - 2016

**Innovation Award**  
in Engineering College Category - 2016

**Certificate of Special Recognition**  
For Highest participation at the NES Innovation Challenge Awards - 2016

**Navabharat Education Conclave and Awards 2019**  
"Centre of Excellence in Information Technology"

**AICTE-CII Survey of**  
Industry Linked Institutes I2IT in Gold Category - 2018

**10th Annual Indian Education Awards 2020**  
"Research Project of the Year"

**13th Higher Education, Skill and Livelihood Conclave 2020**  
"Excellence in Enabling Research Environment"

# Industry Academia Association

The academic / industry interface of I<sup>2</sup>IT with respect to the academic and research programs has enabled us to create vital links with some major players in the technology industry to drive innovation in the years to come.

The industry academia association of the Institute is a valuable channel between pure technology research and real world scenarios, bringing academic research closer to the students studying at our Institute. These alliances are highly interactive and constantly encourages a continuous flow of ideas between the traditional academia and the growing industry. They provide students with opportunities to work on technical and entrepreneurial projects and are also considered for various fellowships. Employees of startups incubated on campus can benefit by pursuing their continuing education program at I<sup>2</sup>IT.

An abridged list of Industry Academia Associations of the institute are mentioned below:

- College of Engineering (COEP), Pune
- EdGate Technologies Pvt. Ltd.
- GPUONCLOUD
- WiselyWise, Singapore
- Gyanteerth
- Infotech Orbit
- IOTIOT.in
- miTu Skillologies
- MassTechnologies
- PSIT Solutions
- TomTom India Pvt. Ltd.
- ENTESLA
- Wisdom Sprouts

## Industrial Trainings

The Training & Placement Department makes constant efforts to develop the leadership, managerial, technical and soft skills of the student community through various activities as listed below:

### Barclays – Youth Employability Initiative

Barclays conducts Soft Skills Development training programs in our Institute campus for the benefit of students.

### PCI (Persistent Computing Institute)

Interested students need to opt for a 10 Day Winter/ Summer School. The curriculum is based on knowledge in Mathematics & Algorithms. Opportunities are also provided for Academic Project in BE / Placements.

### T&P Sessions – Gyanteerth

The Institute invites a professionally qualified trainer who conducts aptitude and technical preparatory classes twice a week for the 3rd year students to make them ready to face the needs of the rapidly growing IT industry.

### Guest Lectures

Eminent personalities from the industry as well as the academia are invited to the campus regularly to share their professional experiences so that our students get to interact and gain knowledge with respect to the latest technological developments.

### Seminars, Workshops and Industrial Visits

There have been a number of seminars and workshops conducted by the Institute over the last few years on “Emerging Trends of Technology”, Photonics, Android, Aurdino, Bluemix Tool etc. The Institute also arranges for industrial visits for the students to understand the adopted operational processes and practices by some of the premier industries like GMRT, Meltek, Finolex, Infosys, Persistent, Barclays etc.

# Alumni Association

**Annie Bharadwaj**  
Electronics and Telecommunication

They say the road of life is long & winding. So it's important to mark the milestones along the way. As I go down this road, am going to cherish the memories & opportunities, this college gave to me. It transformed me at every stage of growth & made me better all along. It's the friendships & the bonds that added even more to this journey and made it worthwhile.

**Nimit Shah**  
Electronics & Telecommunication

I learned a lot in my four years and enjoyed my college life. Supportive seniors and faculty, beautiful and serene campus, quality education and real-world experiences are words that come to my mind when describing I<sup>2</sup>IT. It's everything one needs from a college and a network developed for life. The college has numerous industry contacts and they visit regularly and give lectures. The professors constantly promote project based learning. All in all, I<sup>2</sup>IT are the best 4 years of my life.

**Rajdeep Bhattacharya**  
Electronics & Telecommunication

I think alongside academics the college provides us opportunities to explore a wide variety of co-curricular activities related to music, drama, sports. I<sup>2</sup>IT also gives us a chance to be part of social committees such as the P.R, Y.I(young india), CMC which can be very helpful for a person to develop his/her social and communication skills. This surely adds up to your experience level.

**Soham Banerjee**  
Computer Engineering

Most of us rarely like waking up in the morning and attending college. That isn't something that we look forward to. But with I<sup>2</sup>IT, I always find myself eager to get to campus. I like hanging out with my friends on campus. I like studying in the library. I like the way academics are conducted. Basically, my day goes by in a jiffy and then when I get home, I look forward to being back on campus the next day.

The lectures, the practical sessions, the events, the teachers, my friends, the knowledge that I have acquired, the canteen, the gaming etc all these will always be etched in my memories forever.  
I am happy to be an I<sup>2</sup>ITian!

**Vaibhav Walke**  
Information Technology

It was a great time that we spent at I<sup>2</sup>IT. Since the first day that I came to I<sup>2</sup>IT, I was met with nothing but energy and enthusiasm. The faculty and staff at this institution are very good. All that they want is for their students to do well. I<sup>2</sup>IT has so many opportunities for the students to get the help they need... Professors helped me beyond words. The Training and placement department continuously provided assistance with regard to placement.

This college always places the students first. You will not be let down. I really believe it is a privilege to have studied at I<sup>2</sup>IT and I am so glad I made that choice.

**Rakhi Agrawal**  
Information Technology

When I first started at I<sup>2</sup>IT, I was unsure about my future and anxious about the different challenges I was heading forward to face. But I<sup>2</sup>IT gave me the support and confidence to grow both personally and professionally. It gave me the opportunity to enrich my knowledge, to learn and to grow gradually. The faculty members are helpful, open and supportive. The campus is beautiful and has limitless professional and personal opportunities. I will forever cherish the memories I made at I<sup>2</sup>IT.

**Amol Patil**  
Information Technology

I<sup>2</sup>IT has helped me transform from a computer enthusiast to an IT professional. For me, I<sup>2</sup>IT is not just a college but a source of opportunities that helped me develop an all-round personality. Students are encouraged to take initiatives and hone their leadership skills, helping them grow into better professionals and better individuals. Also, the relationship between faculty and student is very cordial which made learning joyful. I will always carry within me beautiful memories of I<sup>2</sup>IT and will always cherish them.

**Ankita Jogekar**  
Information Technology

I<sup>2</sup>IT offers a blend of learning, enjoyment and an integration of enduring principles. As an IT student it provided me with a wide arena of the field and thus allowed me learn something new at every step. What amazes me is the plethora of extracurricular activities that the institute offers hence compelling individuals to explore and pursue extra talents while inculcating the spirit to stand out amongst the talented hardworking students.

Another feather in the cap is the professors who impact the quality education to its students. The infrastructure of the institute speaks for itself. I<sup>2</sup>IT was like my family. A family that will be a part of me for the rest of my life.

# Admission Process

## Notice for Aspiring Students and their Parents

Hope Foundation and Research Centre's "International Institute of Information Technology (I<sup>2</sup>IT)" has not authorized any agents, admission consultants, counseling centres or any such persons promising, confirming or providing admissions to any of the courses on offer in the Institute Level / Management Quota seats. The students interested to take admission under such quota (as prescribed by the Regulatory Authorities) should directly apply to the Institute or contact the Principal. **No Capitation Fee / Donation whatsoever is charged by the Institute to the Parent / Student for admission to the courses offered by the Institute and the admission of the students in the Institute are purely based on merit.**

Grievance / dispute (if any) arising out of violation of this notice may immediately be brought to the notice of the Principal of the Institute at [principal@isquareit.edu.in](mailto:principal@isquareit.edu.in) and / or the Executive Secretary of the Trust at [saikrishnab@isquareit.ac.in](mailto:saikrishnab@isquareit.ac.in) for necessary disciplinary action.

## Centralized Admission Process (CAP)

It is mandatory for all candidates to complete the online registration process with Directorate of Technical Education (DTE), Govt. of Maharashtra and complete the Document Verification process with the nearest authorized Facilitation Centre nominated and listed by DTE on their web portal [www.dtemaharashtra.gov.in](http://www.dtemaharashtra.gov.in)

All candidates are required to refer the Admission Brochure published by the Directorate of Technical Education (DTE), Govt. of Maharashtra for AY 2020-21 and follow the guidelines laid down by DTE from time to time.

## Application for Institute Level Seats / Vacant Seats after CAP Rounds

It is mandatory for all candidates who are seeking admission at Institute Level / Vacant Seats after CAP Rounds to complete the online registration process with Directorate of Technical Education (DTE), Govt. of Maharashtra and complete the Document Verification process with the nearest authorized Facilitation Centre nominated by DTE and listed on their web portal [www.dtemaharashtra.gov.in](http://www.dtemaharashtra.gov.in)

After the above procedure is completed, the candidates should apply in the prescribed format available on the Institutes web portal [www.isquareit.edu.in](http://www.isquareit.edu.in) and submit the application directly to the Institute along with a non-refundable application processing fee of ₹ 500/- (Rupees Five Hundred Only) through Debit / Credit Card or Demand Draft drawn in favor of International Institute of Information Technology payable at Pune.

For more details, please feel free to get in touch with below Team Members -

Prof. Madhuri Reddy M: 9370149769	Prof. Rakhi Wagh M: 9881729144	Prof. Amit Kasar M: 7709946240
Prof. Yogiraj Deshmukh M: 8698021994	Ms. Namita Shende M: 8390605958	

## Seats available for First Year Engineering

B. E. Programme in Electronics & Telecommunication, Computer Engineering and Information Technology (Sanctioned Intake - 60 each)

Percentage Matrix of Seats available for Allocation				Seats available for Allocation			
CAP Seats (65%)		All India (15%)	Institutional Level Seats (20%)	CAP Seats (Total Seats = 117 Nos.)		All India (Total Seats = 27 Nos.)	Institutional Level Seats (Total Seats = 36 Nos.)
Home University	Outside Home University			Home University	Outside Home University		
45.50%	19.50%	15.00%	20.00%	82	35	27	36

### Admission to Direct Second Year Engineering

The distribution of Seats available for admission to Direct Second Year Engineering shall be notified on the DTE website before submission of option form of Centralized Admission Process (CAP).

Seats available through Lateral Entry is - [20% of Sanctioned Intake + Seats remaining vacant (within Sanctioned Intake in the same branch during previous year) +/- (Branch / Institution Transfer)] - if any.

### Reservations

All the reservations given below shall be applicable to candidates belonging to Maharashtra State only subject to the fulfillment of the eligibility criteria specified by respective authorities from time to time.

The percentage of Seats reserved for candidates of backward class categories belonging to Maharashtra State is as given below. The percentage of reservation is the percentages of the seats available for Maharashtra candidates, coming under the CAP. Backward class candidates shall claim the category to which they belong to at the time of submission of application form for CAP.

Sr. No.	Category of Reservation	Percentage of Seats Reserved (% age)
1	Scheduled Castes and Schedule Caste converts to Buddhism (SC)	13.00
2	Schedule Tribes (ST)	7.00
3	Vimukta Jati (VJ) / De Notified Tribes (DT) (NT-A)	3.00
4	Nomadic Tribes 1 (NT-B)	2.50
5	Nomadic Tribes 2 (NT-C)	3.50
6	Nomadic Tribes 3 (NT-D)	2.00
7	Other Backward Classes (OBC)	19.00
8	Socially and Educationally Backward Classes Commission (SEBC) / Economically Weaker Section (EWS)	As per Govt. Norms

### Admission Cancellation and Fee Refunds

The candidate shall apply online on the DTE web portal through the student login and submit duly signed copy of system generated application for cancellation of his / her admission with the institution.

After receiving the duly signed admission cancellation request letter from the candidate, the Institution shall cancel the admission immediately and generate online acknowledgment of cancellation of admission through institution login as per schedule published by the Competent Authority, and issue a signed copy to the Candidate.

The refund of fees on or before cut-off date of admission declared by the Competent Authority, shall be paid after deducting the applicable processing charges or refund rule shall be as per the guidelines of the appropriate authorities or the State Government, as the case may be.

If the admission is cancelled after the cut-off date of the admission declared by the Competent Authority, there shall be no refund except the Caution Deposit (if any).

For cancellation of admission before reporting to the institution, the candidate shall apply to the Admission Reporting Center where he / she has paid Seat Acceptance Fee. On cancellation of such admission through Online System before reporting to the institution, the amount may be refunded electronically to the Candidate, after deduction of applicable processing charges.

**The above information is subject to any changes / revisions as declared by the Competent Authority in their Information Brochure published for Academic Year 2020-21.**

## Steps of Admission\*

Sr. No.	Particulars
1	Online registration of application for admission On the Directorate of Technical Education Web Portal <a href="http://www.dtemaharashtra.gov.in">www.dtemaharashtra.gov.in</a> (Mandatory for all students aspiring to take Admission either through Central Admission Process or through the Institutional Level)
2	Uploading and Verification of documents and further confirmation of Application Form with Facilitation Centre Note: I <sup>2</sup> IT is a recognized Facilitation Centre of the Directorate of Technical Education for Engineering
3	Display of the provisional merit list by competent authority on the DTE web portal
4	Submission of grievance (if any) at a recognized Facilitation Centre [During this period candidate can submit deficient documents ( if any) for verification at FC]
5	Display of the Final Merit List by competent authority on the DTE web portal
6	Display of Category wise Seats (Seat Matrix) for CAP Round I by competent authority on the DTE web portal
7	Online Submission & Confirmation of Option Form of CAP Round-I through candidates Login by himself/herself through the website
8	Display of Provisional Allotment of CAP Round-I by competent authority on the DTE web portal
9	Reporting to the Admission Reporting Centre (ARC) as per Allotment of CAP Round I
10	Display of Vacant Seats for CAP Round-II by competent authority on the DTE web portal
11	Online Submission & Confirmation of Option Form of CAP Round-II through candidates Login by himself/herself through the website
12	Display of Provisional Allotment of CAP Round-II by competent authority on the DTE web portal
13	Reporting to the ARC as per Allotment of CAP Round II if seat allotted for first time in CAP Round II
14	Display of Vacant Seats for CAP Round-III by competent authority on the DTE web portal
15	Changing the option from Sliding or Floating or Freezing and vice-versa, Online Submission & Confirmation Of Option Form of CAP Round-III through candidates Login by himself/herself through the website
16	Display of Provisional Allotment of CAP Round-III by competent authority on the DTE web portal
17	Reporting to the ARC as per Allotment of CAP Round III if seat allotted for first time in CAP Round III
18	Reporting to the Allotted Institute and Confirmation of Admission by submitting required documents and remaining fees, if any, as per Final Allotment.
19	Cut-off Date for all type of admissions for the Academic Year 2020-21
20	For Jammu & Kashmir Migrant Candidature Candidates Counselling Round at Sardar Patel College of Engineering (SPCE), Versova Road, Munshi Nagar, Andheri (West), Mumbai-400058
21	Commencement of academic activities for All institutes

\* The Admission Procedure mention in this Student Prospectus is provisional and is subject to revision / modification as declared by the Competent Authority from time to time. The students are notified to visit the Directorate of Technical Education, Govt. of Maharashtra web portal [www.dtemaharashtra.gov.in](http://www.dtemaharashtra.gov.in) regularly for timely updates.

### First Year Batch Commencement

The Orientation Session for students admitted to First Year Engineering for AY 2020-21 would be tentatively in the first week of September 2020. The exact date would be notified via e-mail as well as displayed on the Institute web portal [www.isquareit.edu.in](http://www.isquareit.edu.in) Attendance on this day would be MANDATORY to all students. The Admission reporting dates at the allotted Institute, would be as per the schedule given by Directorate of Technical Education. We take pleasure in inviting the students along with parents for the Orientation Session to be conducted on the First Year Batch Commencement Day.

## Fee Payment Information

a) The Tuition Fee and Development Fee shall be as approved and published by the Fee Regulating Authority for the particular Academic Year and that shall be the fee payable by the student for the enrolled course. The lodging and boarding charges will be payable as per the tariffs of the Institute.

b) The details of concession in fees for reserved category students (belonging to the Maharashtra State only) for SC / ST / VJDT / NT (B) / NT (C) / NT (D) / SBC / OBC, the scheme / mode of concessions, scheme of loan scholarship (if any) for eligible students, in tuition and other fees will be announced by the Government of Maharashtra. These students would get only that amount of waiver as notified in the circulars issued by the Government of Maharashtra from time to time, subject to fulfilment of applicable norms and conditions laid down by the State Government. Candidates claiming fee concession under various categories shall produce the requisite certificates as may be specified by the Government of Maharashtra.

c) Please note that, as per provisions of the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admission and Fees) Act, 2015 any upward revision of fees shall be binding and mandatory for payment on demand from the college authorities as approved by the Fee Regulating Authority, Mumbai from time to time.

For detailed break-up of the fee structure, rules and regulations and applicable dates and modes of payment, please visit the website of the Institute [www.isquareit.edu.in](http://www.isquareit.edu.in) or contact the Accounts Section at [accounts@isquareit.edu.in](mailto:accounts@isquareit.edu.in)

## Student Financial Support

Hope Foundation's International Institute of Information Technology (I<sup>2</sup>IT) offers several financial support schemes by way of scholarships, fee waiver and concession schemes, teaching and research assistance, financial assistance for entrepreneurial development etc. to meritorious and deserving students. Nurturing excellence is the underlying philosophy of I<sup>2</sup>IT. It is our endeavor to ensure that constraints like financial background don't deny a student his / her right to excel and find his / her place under the sun.

Student Merit Scholarships and Patron Awards also form part of the financial support scheme of I<sup>2</sup>IT. It is an endeavor to provide opportunities to students who have the potential to become the innovators and leaders of tomorrow but cannot fulfil their educational ambitions due to financial constraints. Student Merit Scholarships and Patron Awards promise the dream of many students to reality. Excellence in Academics, Innovations, Entrepreneurial Development etc. are also some of the financial support schemes which are created and awarded to the deserving students for every academic year and on the basis of need as well as merit.

In addition to merit scholarships, fee concessions and fee waivers, several other categories of awards are instituted every year comprising of Academic Excellence Awards, Patron Awards, Technical Awards, Cultural Awards, Social Awards, Sports Awards and the like for the benefit of the student community.

The Institute initiates the Karmaveer Bhaurao Patil 'Earn and Learn' scheme under the purview of Savitribai Phule Pune University. This scheme facilitates the students to earn while they learn by undertaking various Technical and Office work at the Institute Campus. The students receive an appropriate remuneration for their contribution as per the University norms.

For more details regarding the financial support policy, please contact the student section of the Institute.

**Academic Excellence Award bestowed  
at the hands of Padma Vibhushan  
Dr. R. A. Mashelkar**

# General Code of Conduct

The student Code of Conduct is formulated to foster and protect the core mission's and values of the Hope Foundation's International Institute of Information Technology (I<sup>2</sup>IT), Pune to nurture the scholarly and civic development of the students in an academic environment that is safe and secure, and to protect the individuals, properties and the systems and procedures that support the activities of the Institute.

All the students while on the Institute campus continue to be subject to the laws of the land and violation of those laws may also constitute violations of the Code of Conduct. Under such circumstances, the competent Authorities of the Institute may proceed with necessary disciplinary action under the stated Code of Conduct independently of any civil / criminal proceedings as deemed fit. A student should not discriminate on the basis of race, colour, creed, age, religion, gender, national or ethnic origin, marital status, sexual preference, physical disability or any other legally protected status.

A broad overview of the aspects covering the Code of Conduct include academic misconduct, cheating, plagiarism, disruptive conduct, discrimination, falsification, refusal to identify, illegal or unauthorised possession or use of weapons, illegal or unauthorised possession or use of drugs or alcohol, smoking, unauthorised access and use of property and facilities, act of violence, threatening, harassing or assaultive conduct, theft, property damage and vandalism, recording of images without knowledge, causing disrepute to other students, failure to comply with the Institute or any other Competent authority, ragging, illegal contracts, abuse of electronic communication, media contact, organization and event registration, presenting false testimony and violation of the rules and regulations of the Institute.

Admission of the student to any academic programme of the Institute carries with it the presumption that students will conduct themselves as responsible members of the academic community. They are expected to practice high standards of academic and professional honesty and integrity and also to respect the rights, privileges and property of other members of the academic community and the society. The students are also advised to refrain from any conduct that would interfere with the functions of the Institute or endanger the health, welfare or safety of other individuals on campus.

There are several committees constituted by the Institute to monitor the Code of Conduct for the students and address such aspects and provide for suitable resolutions within a reasonable period of time.

---

## Self Discipline

In addition to what is specified in the General Code of Conduct, we reiterate that being a professional Institution with students who are adults, we expect a high standard of discipline with emphasis on self discipline. It would be pragmatic to implement rules of the Institute reinforced by notices, circulars, ordinances and the like through the medium of self discipline. Please refer to the Institutes's website for the detailed rules and regulations.

---

## Mandatory Registration with Election Commission of India

India is a Democratic Country and to achieve its purpose, it is the duty of every citizen who attains the age of 18 years to mandatorily register on the Electoral Roll of the Indian Constituency as per the guidelines prescribed by "The Election Commission of India" and empower oneself to attain the "Right to Vote" and participate in the Democratic process.

---

## Student Handbook

The International Institute of Information Technology (I<sup>2</sup>IT), Pune serves as your foundation for academic, professional and social growth and we truly believe that the students are the core of our institute. We are committed towards achieving the success of the student individually and collectively. A copy of the Student Handbook is issued on the batch commencement day to every student admitted to the institute so that he / she understands the policies, procedures and other necessary information. As a conscientious individual and a student, he / she is expected to act in accordance with the general campus rules, related regulations and standards of conduct during his / her entire course duration. A copy of the Student Handbook is also made available on the Institute website [www.isquareit.edu.in](http://www.isquareit.edu.in)

# Campus Life

Situated amongst giant IT organizations, the students and faculty at I<sup>2</sup>IT relish their little paradise on campus. I<sup>2</sup>IT instills the belief that the college campus is essentially a second home to the students. It is a residential campus providing the best of services and facilities to make the students feel at home. The residential facility at I<sup>2</sup>IT is complete with a large cafeteria catering to 400 students at a time, a fully equipped gymnasium, emergency medical facility with residential medical staff, visiting counselor and a communication center and mini-store for assisting the students with their daily needs. In addition, the Balewadi Sports Complex, located within 2 kms, from the campus is available to the students for their recreational needs. Sprawled over 10.22 acres, I<sup>2</sup>IT stands proud on lush green surroundings, complimented by inspiring architecture and rich natural bounty.

At I<sup>2</sup>IT, students are given a creative license to form their own leagues to plan, organize and execute various activities that bring about strong values like leadership, team-building and a sense of responsibility which help them face the world outside in a very professional way. The activities include seminars, debates, dramatics, sports and placements. I<sup>2</sup>IT conducts several workshops and events for IEEE, the International Organization of Engineers. It prides itself on being one of the largest groups of its kind in the city.

The Amiad Water Filtration Plant installed on the Institute campus caters to the drinking water needs of all the Students, Faculty, Staff and the Visitors. The raw water comprising of Total Dissolved Solids (TDS) is treated through this filtration plant and brought to the generally acceptable limit of the TDS. This ensures that the water is pure, tasty and hygienic rendering it highly suitable for human consumption. The supply of this purified drinking water is done regularly to all locations of drinking water provisions made on campus. The rejected water of the filtration plant is used for gardening and other cleaning purposes.

The Institute has allocated certain amount of space to create an organic vegetable garden. This garden produces delicious vegetables and also raises awareness for food access and sustainability which connects deeply to social responsibilities of the institute.

Student Hostels

Cafeteria

Solar energy is one of the green energy available in abundance which can meet the power crisis in the near future without the use of fossil fuels. Solar energy is an infinite source of energy which is also a clean energy and assists in producing pollution free electricity. In this context, I<sup>2</sup>IT has taken the first step towards being an eco-friendly campus by installing an 8KW Grid Tied Solar Power Plant on the rooftop of the Library building with the financial support of the Affiliating University i.e. the Savitribai Phule Pune University in promoting green energy concepts on its campus.

To add value to the academic learning of the student, extracurricular activities ranging from technical, sports, cultural and social events are conducted on campus all through the year. Glimpses of all such events are compiled and released in the form of E-Newsletter (an in-house magazine) and Dhruva Magazine which are published and circulated to the students and other stakeholders periodically.

Installation of 8KW Grid Tied Solar Power Plant

Annual Techno - Cultural Fest 'DHRUVA'

# Institutional Committees

## College Development Committee

The College Development committee is a statutory body formed as the guidelines laid in The Maharashtra Public Universities Act 2016 with the purview of establishing academic and administrative governance at the Institutional Level.

---

## Internal Quality Assurance Cell (IQAC)

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

---

## Grievance Redressal Committee

The Grievance Redressal Cell is established to ensure transparency in admissions and with a paramount objective of preventing unfair practices. It is a mechanism to provide redressal of grievances to innocent and aggrieved students, in exercise of the power conferred under Clause 1 of Section 23 of the All India Council of Technical Education Act 1987 (52 of 1987).

A complaint shall be filed by the aggrieved student, his / her parent or with a special permission from the ombudsman by any other person. More details are available on our website.

---

## Internal Complaints Committee (Women Grievance Cell)

The Internal Complaints Committee (ICC) is constituted as per the guidelines of Vishakha Judgement of the honourable Supreme Court and notification received from The Ministry of Women and Child Development, Govt. of India, for effective implementation of "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013".

---

## Anti - Ragging Committee

Ragging in any form is a criminal offence and strictly prohibited inside and outside the Institute. As per the directives of Hon. Supreme Court, All India Council for Technical Education (AICTE) and Govt. of Maharashtra, strict actions are recommended against students for indulging and abetting ragging.

Whosoever directly or indirectly commits, participates in, abets or propagates ragging within or outside any educational institution shall on conviction, be punished as per the rules. If a student is involved in any act of ragging prior to taking admission then such student will be denied admission in the Institute.

However, if at a later stage it is found that an admitted student has indulged in any act of ragging then such student will be rusticated.

Every student admitted in the Institute shall have to furnish separate affidavits signed by himself / herself and his / her parent / guardian. For students who will be availing hostel accommodation facility on campus, another affidavit jointly signed by the student and his / her parent / guardian will have to be submitted along with the admission form. More details are available on our website.

---

## Reservation Grievance Committee

The Institution has formed various Reservation Grievance Committees namely Committee for SC / ST, Committee for Minorities and Committee for Other Reservation categories.

# Student Committees

The Student Committees comprise of representatives from all stakeholder groups / student batches and led by senior faculty or staff members of the Institute. The categories of these Committees include Departmental, Technical, Cultural, Social, Sports and such other Committees as per the interest of the students depending on one or more individuals stepping-up to take an active leadership role. The main purpose of these Committees are to ensure harmony across an ample, vibrant, and continuous range of campus events and activities and that there is the least possible conflict in sequencing and timing amongst the multiple events and activities that arise in the course of an academic year, and maximum involvement and engagement of all members of the International Institute of Information Technology (I<sup>2</sup>IT) and its respective stakeholder groups.

The LAN Committee promotes interest in IT business applications and works to connect students and others in the area who share similar interests and goals. This Committee strives to organise ICT related events and activities on campus. The Institute has a full-time Physical Director who is in charge of the Sports Committee. The Sports Committee shows leadership in organising various sports activities on and off campus; coordinates and promotes participation of students in inter-college sports festivals; plans and organises financially self-sustainable inter-college sports activities; ensures facilities and equipment are safe, clean, and in good, usable condition at all times.

For more information and details regarding the activities and events of the Student Committees, please visit the Institute website [www.isquareit.edu.in](http://www.isquareit.edu.in)

## "The Women's Prowess 2019"

Mrs. Aruna M. Katara, President - Hope Foundation and Dr. Ganesh Natarajan, Founding Trustee of Natarajan Education Society called for a national movement "The Women's Prowess 2019" on April 5, 2019 to enable millions of women to become entrepreneurs and create worthy jobs for their fellow citizens. Pune has been a role model for women to succeed and the lessons can be taken country-wide! It showcased success stories of Women Entrepreneurs in Pune. The Chief Guest of the event was Dr. Annurag Batra, Chairman & Editor-in-Chief of BW Businessworld & Exchange4media. The panel discussion was led by Dr. Uma Ganesh, Chairperson of Global Talent Track featured success stories from Manufacturing (Ms. Uma Nidmarty – CEO, Lectrotek Ltd.); IT (Ms. Dipti Agrawal – Co-Founder & CEO, Tudip Software); Social (Parul Vaidya – General Manager, Social Venture Partners, Pune Chapter), Journalism (Sheetal Kharka – Vice President, BW BusinessWorld) and other sectors.

## 3<sup>rd</sup> Founder's Day

12<sup>th</sup> March, birthday of Shri Pralhad P Chhabria, Founder Chairman, Finolex Group of Companies and Founder President of Hope Foundation and Research Centre is celebrated as Founder's Day. We pay tribute to the person who created career and educational opportunities for so many.

Dr. Radhakrishnan Pillai, Deputy Director, Masters in Leadership Science, University of Mumbai and Founder-Director of Chanakya Institute of Public leadership was the Chief Guest on the occasion. Mr. Dinanath Kholkar Vice President & Global Head Analytics & Insights, TCS, and Chair, IEEE Pune Section joined the celebration and also announced the Late Shri Pralhad P Chhabria Awards constituted by Hope Foundation and Research Centre in association with IEEE India Council, WiE Affinity Group, IEEE Pune Section.

# Technical, Cultural & Sports Events

As a part of its philosophy, I<sup>2</sup>IT organizes various technical, cultural and sports events every academic year for student aspirants with a very high competitive spirit and strong determination to include them in their achievements and accomplishments. As a participant in such events, the student gets a chance to meet with other like-minded students, professors and professionals to discuss issues of importance and also learn field-related job skills that can help them be better prepared for their future career and develop a holistic personality. These events also provide a platform for the students to showcase their cultural talent, sports temperament and skills leading to a valuable learning outcome. The winners of these events are encouraged with appropriate recognition.

Rangoli Competition

Intercollegiate Sports

Traditional Day

Student gathering at "Farewell Party"

Dance Performance at "DHRUVA"

Panel Discussion on  
"Meeting the Industry Demand by Academia"  
in collaboration with IBM

## Social Events

The faculty, staff and students of I<sup>2</sup>IT are encouraged to voluntarily participate in community service projects and service-learning activities during their academic breaks for mutual benefit. This helps all participating volunteers to make friends, grow as a person, and most importantly help others thereby emphasizing self-reflection. Also, getting involved in such activities helps all participants increase their awareness and understanding of the cultural consciousness and its different ethnic and racial backgrounds.

MoU with Pune Blind Men's Association

Distribution of Clothes

Creating AIDS Awareness on Campus

Tree Plantation on Forest Day

Social contribution at Apang Shala

Salute The Support Staff

## Key Visitors

I<sup>2</sup>IT regularly invites eminent personalities on campus throughout the year. These individuals, who are a source of inspiration to many, share their life experiences with the students who get the opportunity to hear first-hand how these great achievers reached scaling heights. The conversations and interactions with such visitors are on the current and emerging topics on interdisciplinary domains of knowledge which helps the students gain a deeper understanding of the real world complexities and addressing such challenges.

Hon'ble Shri Ajit Doval, National Security  
Advisor to Prime Minister of India

Mrs. Rashmi Shukla  
Ex-Commissioner of Police, Pune

Dr. Manpreet Singh Manna,  
Ex-Director - AICTE, Swayam & PMSSS

Dr. Govind Swarup, Eminent Scientist and  
Radio Astronomer with Dr. R. A. Mashelkar

Mr. Dinanath Kholkar, Vice President &  
Global Head Analytics & Insights, TCS
