

## REPORT OF WORKSHOP ON “DISASTER MANAGEMENT”

A workshop on ‘Disaster Management’ was held at International Institute of Information Technology (I²IT) Campus on 21<sup>th</sup> Feb and 22<sup>nd</sup> Feb 2019 in association with National Disaster Response Force (NDRF). In the Workshop NDRF team had guided about disaster act 2005, different types of disasters, and importance of first aid in various emergencies of life.

This workshop was conducted in two sessions. All session was attended by students of computer Engg, IT Engg, ETC Engg and first year students and faculties.

Workshop started with an introduction about NDRF. Its aim, vision, mission, purpose, programs and activities were explained by Mr.L Lawrence, Vishal Rai. These session were focused on various aspects of disaster, understanding of disaster management, its awareness and importance, types of disasters [man made & natural], post disaster precaution and activities, importance of first aid, elements of first aid, use of first aid and benefits of carrying first aid kit during the travel, availability of first aid kit at home/workplace was also explained.

Practical sessions were about - Do & Don'ts during and after the disaster, demonstration of different rescue tools, use of these tools in different types of disasters [like flood, fire, forest fire, land slide, accident etc.], were demonstrated with the help of student volunteers. The students were trained for such emergency situation. Precautions to be taken in helping victims, procedures to be followed after the arrival of medical team, transportation of victim to nearby medical facility and safe areas, were explained and demonstrated with the help of presentation. Essential contents of a first aid kit, effective use of kit to reduce medical complications in different disaster situations were demonstrated.

On second day the demonstration has shown by fire brigade department about how to douse fire as well as sprinkling of water by pipe in building.

Workshop was coordinated by Prof. Mahesh Waghmare [Student Development Officer], Prof. Sandeep Varpe [NSS Program Officer].

Workshop was concluded by vote of thanks by Siddhant Dhokrat (NSS student)

**Sub:** Permission for two day workshop on Disaster Management in 2<sup>nd</sup>/3<sup>rd</sup> week of Feb 19

**Dear Sir/Madam,**

Greetings from **International Institute of Information Technology(I²IT), Hinjawadi Pune**

**I²IT** is one of the reputed Engineering College in Pune known for its excellent record in academics and co-curricular activities. The College offers Four years Bachelor Degree course in **Computer Engineering, Information Technology and Electronics & Telecommunication Engineering**. The state-of-the-art facilities and competent faculty provide an excellent climate for the all round development of the students.

As a part of the curriculum, the students are required to undertake two-day training on disaster management.

In the above background, we would like to conduct workshop for 100 students in our institute in February 2<sup>nd</sup> /3<sup>rd</sup> week .

We request you, to kindly accord the necessary permission for the above said workshop and
