

ABOUT INSTITUTE

The International Institute of Information Technology (I²IT), Pune [pronounced as I Square IT] was established by Late Shri. P. P. Chhabria, Founder Chairman of Finolex Group of Companies, a well-known philanthropist and former President of Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA). As a world class academy to impart high-end education in Engineering and Technology the Institute has strived to meet the growing needs of the industry. Established on 10 acres of land, this institute equips students to accept challenges in the areas of Information Technology, Engineering and other niche areas of expertise.

I²IT has always propagated 'Innovation and Leadership' as their mantra to bring ground-breaking ideas and provide a rock solid foundation for learning. With the vision and mission of providing quality education, the Institute is constructed by world renowned architects with its uniquely designed dome as its temple of learning.

DEPARTMENT VISION & MISSION

Vision:

To be recognized as an ingenious department that provides value added education with technology excellence to transform students into lifelong learners and ethical professionals.

Mission:

- To provide excellent academics with positive atmosphere in the domain of Information Technology.
- To impart new technologies with innovative and interactive teaching learning
- To encourage students for higher studies, skilled professionals and future entrepreneur.
- To groom the student with ethical and social values
