Activity Description in Nutshell:

Hope Foundation's International Institute of Information Technology, National Service Scheme (NSS) has celebrated NSS Day by conducting Blood Donation Camp on 24th September 2021 in association with Acharya Anandrushiji Blood Bank, Sadashiv Peth, Pune.

In the current pandemic scenario, Blood Donation becomes the real act of humanity, as it can mean the world to someone in need. In this view a blood donation camp was organised by NSS Unit, I²IT, Pune. In all Twenty (20) bags each of 350 ml blood was donated by Students and faculty members of I²IT. The staff members of Acharya Anandrishiji Pune Blood Bank appreciated the participation from students and faculty members and acknowledged every donor by providing a donation certificate. At the end honourable Principal Dr. Vaishali V. Patil, congratulate all participants and ensures to conduct such blood donation camps in near future.
