5. To understand what characterizes an attractive business opportunity and common pitfalls during the entrepreneurial process .

Activity Report :

The competition was organised by SIC, Pune and evaluated by Mr. Manoj Pangarkar and Mr. Pranay Upadhyay, Successful young entrepreneur and Industry person. This competition was held to encourage students from our college to make their idea happen and implement them in reality and make students familiar with the world of business and startups.

Students actively participated by showing their keen interest towards ideas through brief powerpoint presentations and posters. Out of all the participant teams 6 teams were shortlisted for next round and then winning teams were declared.

Two Teams "Deep fake detector (SE IT) and Fusion (BE E&TC)" were selected . And third team prize is given on sharing basis for two groups "Technoagri and SmartFarmers". As per the suggestion from Judges, these students can collectively form one startup. All of them are from BE (IT).

Results :

The winners of the Entrepreneurship Challenge Competition held on I2IT campus are :

First Prize - Allen Thomas (SE COMP)

Second Prize - Parth Gopal Bandrewar (Team Leader)   (BE E&TC)
     Govind Radhakishan Hoge
     Satyaprakash Khandu Gaikwad

Third Prize - This prize is given on sharing basis for these two groups. As per the suggestion from
     Judges, these students can collectively form one startup. All of them are from BE (IT).
