- 2) Student will able to understand the challenges and solutionin he field of astrophysics and astronomy.

Activity Description:

Second year and Third year Electronics and Telecommunication students have visited Inter-University Centre for Astronomy and Astrophysics (IUCAA), Pune. on 6th September, 2019. The Inter-University Centre for Astronomy and Astrophysics (IUCAA) is an autonomous institution set up by the University Grants Commission (UGC) of India to promote the nucleation and growth of

active groups in astronomy and astrophysics at Indian universities. IUCAA aims to be a centre of excellence within the university sector for teaching, research and development in astronomy and astrophysics.
