

# Hope Foundation's International Institute of Information Technology, Pune

## Department of Computer Engineering

5th March 2021

**Name of the Event:** Guest Session on LEARNING OPPORTUNITIES AT CANADA

**Name of Event Coordinator:** Prof. Kimi Ramteke

**Date of the Event:** 5th March 2021

**Resource Person:** Mr. Ashok Ranade

**Number of Participant - 70**

**Topic - LEARNING OPPORTUNITIES AT CANADA**

### **Objectives:**

1. Understand the most demanded technological institute in Canada..
2. Understand different program structures and the courses offered by various Canadian colleges.
3. Understand the benefits of collaboration with Canadian Colleges.

### **Outcomes:** Student will able :

1. To know the Canadian colleges offering where students can pursue Higher education and build careers.
2. To know the pathway to blockchain in canada.

**Summary of the Event:** Mr. Ashok Ranade from Toronto Canada talked to our Computer Engineering TE students and all faculties on 5th March 2021 at 6.00 PM regarding Higher Studies Opportunities in Canada. He discussed the Collaboration Opportunities on post graduate courses for our students with few colleges in Canada. He also explored the different technical courses and program structures run by different colleges there. Like for Blockchain and Fintech related, or other courses that these colleges offer. He also exposed the career opportunities related to Blockchain Technology there. We end up with the possibility of signing an MoU with these colleges as the next step.
