Visit to Historical Place
"Bhandara Dongar "

All team members decided to visit a Historical Place Bhandara Dongar on sixth day of camp 04th Jan 2019. All Five Teams visited Bhandara hill which is a great devoted place of villagers. On that day all Five Teams after having their breakfast arrived at 9:30 a.m. towards Bhandara Hill. All Teams together started climbing the hill. Everyone reached the hill by 11:00 p.m. There was a temple of Sant Tukaram Maharaj. We went to The Temple and worshiped God. After that we took information about the temple from the Villagers. Then the Villagers served us Food. After lunch, we served food to the Villagers. Then we cleaned the Surrounding area of the temple.

It was a great Experience for all The Students.

Study Visit to
"JADHAVWADI DAM"

During the camp it was decided to visit the Jadhavwadi Dam on the fifth day to study the construction of the dam and the backwater region.

The team visited the dam on 3rd January in the evening at 4:30 pm. This dam is an earthen dam. It's total length is 1215 meter, and it's foundation height is 36 meters. The purpose of building this dam was to bring the surrounding land under water and irrigation. We enjoyed the sunset at the dam.

A Study Visit

"Polyhouse: Plant Biodiversity"

The NSS unit had organized a visit to polyhouse on 3rd January, 2019 at 5:30 pm. Mr. Somnath Chorghe, owner of the polyhouse explains students and faculties the construction and working of polyhouse and the flower business. Mr. Somnath told us the overall working of his business. Also, he explained the scientific process of farming flowers. Along with this information he shares the economics of the business.
