### Activity Report International Webinar

**Academic Year:** 2021-22

**Semester:** I

**Name of Event:** International Webinar

**Date of Conduction:** 1<sup>st</sup> September 2021

**Time:** 10:00 AM to 12:00 Noon

**Targeted Audience:** All students

**Number of Participants:** 90

**Venue:** Online

**Topic:** "IT in Healthcare"

**Resource Person:** Mr. Rajesh Rao

**Coordinator:** Prof. Manjusha Amritkar

#### Objectives:

1. To know where IT stands in healthcare industries.

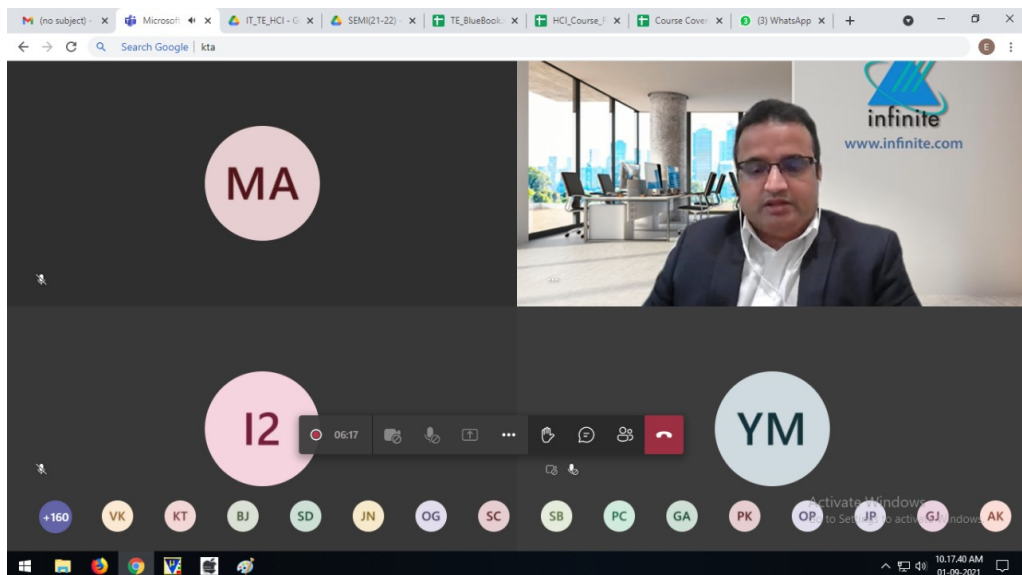

## Outcomes:

1. Students will come to know how IT can be used in healthcare sector.

## Activity Description:

The Department of Information Technology has organized webinar on IT in Healthcare on 1st September 2021. It was graced by highly qualified speaker Mr. Rajesh Rao, who is a Senior Vice President of Healthcare Delivery at Infinite Computer Solutions, California. He briefly explained about the IT in Healthcare as medical facilities across the country continue to modernize, the need for robust and responsive healthcare IT support will only increase. With Worldwide Services, every facility can find the affordable and efficient IT services as needed. By not limiting to the aim of his talk, he also gave the students an insight about how much IT can offer to the healthcare sector.
