Topic: “BLOG-AURA 21”

Date & Time of the Event: 20th September 2021, 4:00 PM

Targeted Audience: All students

Venue: Blogger website

Coordinator: Prof. Manjusha Amritkar

Number of Participants: 20

Activity Description in Nutshell:

The event was conducted by the committee members of ACM Student Chapter of I²IT. Participants were asked to register for the competition through Google forms. They were supposed to write blogs on blogger.com with their desired templates.

In Round 1, participants were given 5 technical topics viz

- Full Stack Development
- Data Science
- Cloud Computing
- Deep Learning
- Cyber Security

In first round out of 20 blogs, 8 blogs qualified for next round. For Round 2, topics were given as:

- Myths about Full Stack Development
- Deep Learning models for Computer Vision
- Cyber Security on Social Media

At the end out of 20 participants 3 participants were declared as winners based on judge's evaluation as follows:

- Rank 1: Rishabh Moharir
- Rank 2: Kalpesh Khairnar
- Rank 3: Aditi Naik
