Activity Description in Nutshell:

Department of Computer Engineering organized International Webinar on “My Story Session” by Mr. Subodh Parulekar (CEO and Co-Founder - AFour Technologies) on 30th September 2021. This webinar has fulfilled objectives of promoting the ZEAL OF ENTREPRENEURSHIP among the students and also bring forward their LEADERSHIP QUALITIES. The webinar not only inspired students with the entrepreneurial mindset but also made them aware about the GLOBAL SCENARIO of this virtue. The students understood the importance of individual and team work for effective functioning of the START-UP. They also knew the role of ENTREPRENEUR as a member and leader to manage projects and in multi disciplinary environments. They recognized the need of ENTREPRENEURSHIP SKILLS required for every individual as part of lifelong learning.
