Activity Description in Nutshell:

This Add-on course was organized by the Department of Computer Engineering for Third-year students on 22th, 24th, 25th and 27th January 2022. Mr. Ganesh Pawar, CEO of "Curiculo Live" has conducted the same through MoU company InternsLab. This 4 days Add-on course was started with the small web page creation using HTML, CSS and Javascript different elements. He provided the solutions to various issues faced by the students during the session. Also explained, how npm will help you to get the code for respective functionality of the project without writing it explicitly. He demonstrated how it is difficult to do little changes for the web page using Javascript and introduced the concept of React as the solution for the same. Importance of components, Props and states in React setup was discussed and demonstrated. Students were given with the small assignments on every topic covered. In the end the code optimization was covered.
