## Add on Course on "Introduction to Java programming"

**Academic Year:** 2021-22

**Name of the Event:** Add on Course on "Introduction to Java programming"

**Date & Time of the Event:** 18<sup>th</sup>, 19<sup>th</sup>, 25<sup>th</sup> & 26<sup>th</sup> February 2022

**Name of the Speaker:** Mr. Suchit Gajbhiye

**Designation:** Trainer and Senior java developer

**Name of the Company / Institution with Address:** Bharat Soft Solutions, Kothrud, Pune

**Targeted Audience:** SE Comp

**Venue:** Google Meet

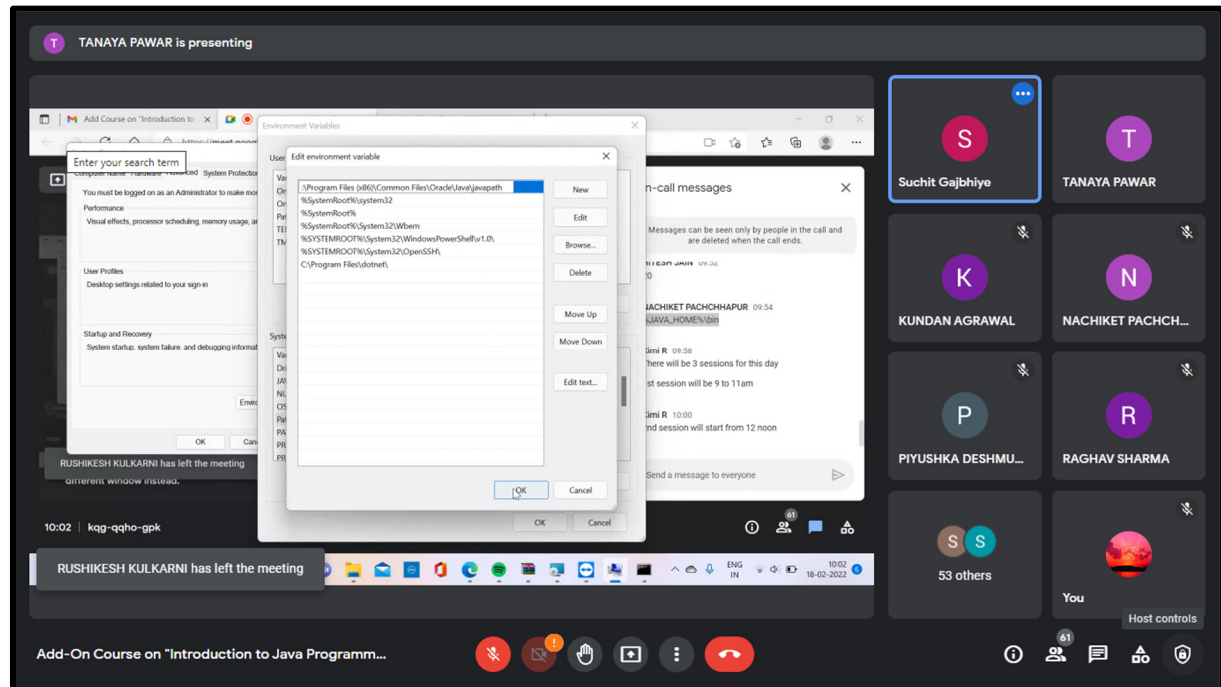

**Event Coordinator:** Prof. Kimi Ramteke

**Number of Participants:** 75

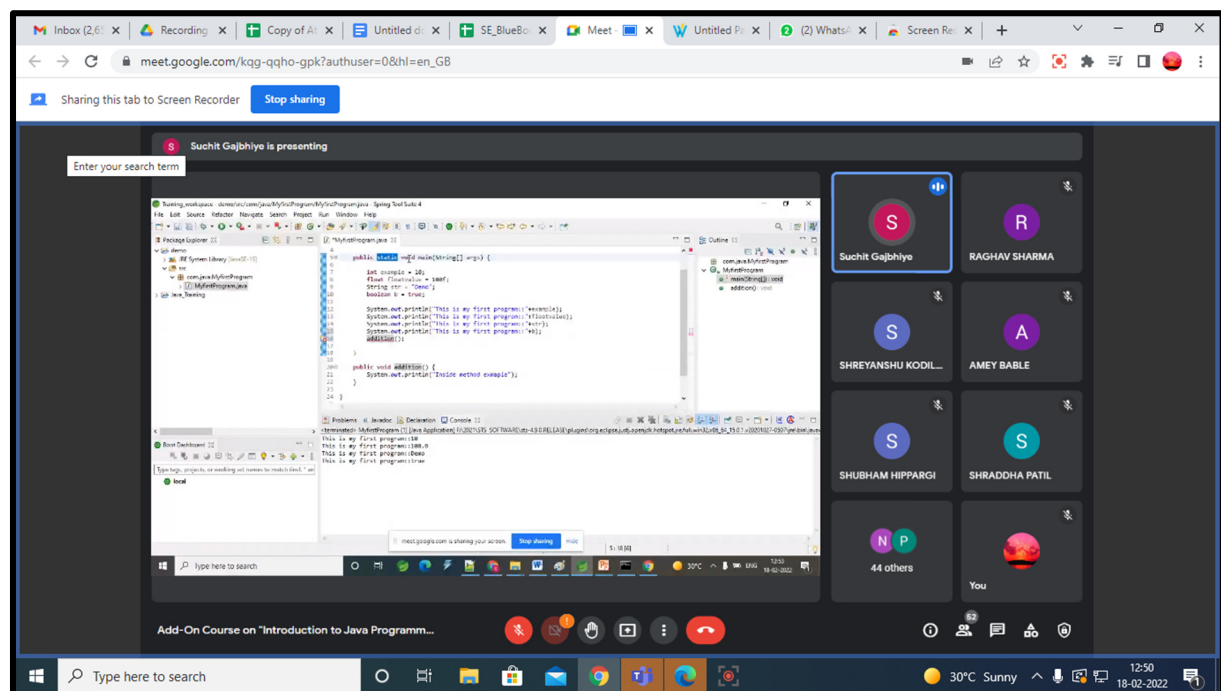

### Activity Description in Nutshell:

This Add-on Course on "Introduction to Java programming" was organized by the Department of Computer Engineering for Second-year students on 18<sup>th</sup>, 19<sup>th</sup>, 25<sup>th</sup> & 26<sup>th</sup> February 2022. This course was arranged to give hands-on experience of Java Programming as per industry needs today. Mr. Suchit Gajbhiye started with the installation Java SDK environment to create, debug and run simple Java programs. He explained the OOP principles and proper programming structure to write java programs. Important contents to be covered under the same were also discussed. Students were able to develop Java programs using packages, inheritance, interface and error handling techniques. Session ended with the web application creation using database, Postman and Spring. Students enjoyed the course and also discussed assignments and quiz conducted during the same.
