National Service Scheme (NSS) Unit

Introduction: The NSS unit of International Institute of Information Technology, Hinjawadi Pune and JSPM's Rajashri Shahu College of Engineering, Pune had organized a one-week long NSS camp at Aadhale Khurd village situated in Maval Taluka of Pune from 26th February 2022 to 4th March 2022 under the guidance of Dr. Sandeep Varpe, NSS Program Officer of I²IT.

CLEANLINESS DRIVE

In this drive the NSS Volunteers have participated in the cleaning the surroundings of village area near the Bhairavnath temple. They have cleaned the roads in the village and gathered all the waste. It was then dumped to respective locations. Volunteers worked very hard to clean the village.

Contribution in Pulse Polio Drive

The pulse polio drive has been conducted in the village in association with health centre. The children below 5 years in the village has got benefited due to this campaign.

EXCAVATION OF PIT FOR TREE PLANTATION

On 28th of February was reserved for the tracking at Wagheshwar Hill near Aadhale Khurd. NSS Volunteers have carried utensils for the Maha-Shivratri Pooja. The NSS Volunteers were divided into 5 groups of 10 NSS Volunteers and each group dug 10 pits of 2 ft × 2 ft. so total 50 pits are ready for the plantation activity. The plantation activity will be done in coming monsoon season by villagers and NSS Volunteers. The villagers have arranged lunch for all NSS Volunteers after this activity.

The main objective of this trek was to create awareness about conservation of nature by planting trees. This task was successfully completed by the unit of NSS. At the end of the day everyone was happy and feeling proud about the day activity.

BEAUTIFICATION OF TEMPLE **AREA**

On 3/3/2022 in the morning NSS Volunteers went to the nearby temple for participating in the renovation work. They collected the bricks and arranged them in proper manner. Kept the surrounding neat and clean. NSS Volunteers have formed a team for doing different tasks. First team had collected the bricks, by forming the human chain the bricks are transported to the site. The second team went for cleaning of the surrounding of the temple. They collected the garbage from the surrounding and sent it to the

garbage collection area also they cleaned the ground below the trees in the surrounding and formed the proper pits for collection of water for trees.

Family Survey in village

One of the major activities of NSS Unit is to conduct survey of the village.

In this connection, The survey was conducted on 1/3/2022 to understand the areas of development in the village, members in family, literacy ratio and biodiversity of village etc, .

NSS Volunteers were divided into pairs and each pair had to take survey of around 10 families.

The mentors were helping the NSS Volunteers for this survey.

This was a great experience to interact with the villagers as they were very friendly, and the task completed perfectly.

Kitchen Activities

During 7 days of NSS camp each group of 10 NSS Volunteers was assigned the daily cooking task. The group has the responsibility to plan for Breakfast/lunch/dinner for the day, also volunteers must plan what to cook and availability of ingredients. One group of volunteers were planning of washing of cloth and cleaning of utensils.

Cooking activity starts in the morning for breakfast which must be ready by 8:00a.m, followed by the morning tea. Then it was time for the preparation of lunch by 1p.m and evening tea at 5.00p.m. The day ends up by 8.30p.m. after dinner.

It was a fun day for all the group members as everyone was actively participating and helping each other. Cutting vegetables, serving other group members and teachers, washing utensils, cleaning cooking area, checking availability of drinking water, bringing milk were the activities to be done in a daytime.
