Activity Description in Nutshell:

This session was organized and conducted to give hands on training for "Ease of Academic Documentation" for all faculty members across institutes in region. The session was conducted in offline mode at Hope Foundation's, International Institute of Information Technology, Pune. Through this initiative the department aims for active learning of faculty by guidance of eminent personalities from industry, so that they will be benefited for their future endeavors and through the eminent personality guidance we can highlight the opportunity in this domain for ease of academic documentation.
