

Notice

Date: 21/06/2022

All Students are strictly informed to adhere the traffic rules whether you ride a two-wheeler, three-wheeler, or a four-wheeler. You should all turn left from the main gate and take a U-turn at the traffic island opposite Mahindra School and then ride/drive on from there.

It is observed that, few students while exiting the campus main gate, turn right from the main gate and then cut to the other side at the next junction. This is a violation of traffic rules and may also call for unwanted incidents on road traffic.

It is compulsory to wear a helmet while driving. Students will not be permitted to enter the college premises without helmet.

Security Personnel observations for violating this rule will call for disciplinary action.
