

## ABOUT INSTITUTE

The International Institute of Information Technology (I<sup>2</sup>IT), Pune [pronounced as I Square IT] was established by Late Shri. P. P. Chhabria, Founder Chairman of Finolex Group of Companies, a well-known philanthropist and former President of Maharashtra Chamber of Commerce, Industries and Agriculture (MCCIA). As a centre of learning, I<sup>2</sup>IT impart education in Engineering and Technology and has strived to meet the growing needs of the industry. Established on 10 acres of land, this institute equips students with skills that allow them to take on challenges in the areas of Information Technology, Computer and Electronics & Telecommunications.

I<sup>2</sup>IT has always propagated 'Innovation and Leadership' as its mantra to bring ground-breaking ideas and provide solid foundation for learning. With the vision and mission of providing quality education, the Institute aims to advance knowledge through research and provide education & training in Science, Engineering and Technology, to serve India and the world through its in-house R&D Centre- Pralhad P. Chhabria Research Center.
