Hope Foundation's
International Institute of Information Technology (I²IT)

P-14, Rajiv Gandhi Infotech Park, Phase – 1, Hinjawadi, Pune – 411057

Internal Quality Assurance Cell (IQAC)

Significant Contribution Made By IQAC During 2020-21

1	Facilitated to migrate to online teaching from offline classroom based teaching during the Covid-19 pandemic using ICT for both theory and practicals
2	Made sure that the syllabus coverage was 100% during the pandemic.
3	Facilitated the opensourse tools and virtual laboratory tools for practical conduction during the pandemic.
4	More than 300 students availed the peerrevied courses from Coursera under the facilty registed for ""Coursera for campus"
5	Course file contents are updated to capure the innovative pratices adopted by the faculty and ICT tools used for improvement of qulality of outcome based education.
6	Five MoUs have been signed in the academic year 2020-21 to improve the industry-institute interaction and eleven events were conducted through active MoUs.
7	Student engagement during pandemic through several online events.
