**Activity Description in Nutshell:**

The members of I²IT CESA conducted a Webinar on How to nail your next job interview. It was organized by the co-ordinators of CESA Mr. Atharv Kulkarni and the teacher co-ordinator Prof. Sunil A. Sushir. The session was delivered by the resource person Mr. Manoj Kadulkar, he is HR Analyst in Persistent Systems Ltd with an experience in Compensation and Benefits, performance Management and Quality Analytics. The speaker encouraged the students for better opportunities in the industry for placements. The Speaker guided the students by stating few rules to be followed by the students while appearing for an interview like be punctual, stay focused and clear, maintain good body Language. He also gave few tips that should be followed before an interview which included Research about the

company you are opting interview and basic information about the company, vision, mission, Key achievements, Recent Projects, Key Personnel. The session then ended by the student's interaction with the speaker in a doubt solving discussion.
