Activity Description in Nutshell: Intermediate level Coding Competition with the Hackerrank which held online on 30th Oct 2021 from 2:00 pm to 3:00 pm where basically the logical ability to code is tested and prizes distributed accordingly. At 1:45 pm one of our coordinator Akalbir Singh had given instructions to all participants regarding the contest. All the 41 participants were actively competing till the end of the contest. There were participants from other than I²IT also. At exactly 3:00 pm contest ended. Points were calculated from the no. of test cases the code passed, and the code of top 10 participants is checked by our team itself. And after all the evaluation at 4:pm results announced for the top 3 winners.
