FESA

First Year Engineering Student's Association (FESA) 2021-2022

About FESA: -

FESA stands for First-year Engineering Student Association. FESA is an organization or committee for the students in their first year. It is for the FE and by the FE as the committee members also comprise of all the first year's students. FESA organizes gaming events, quiz, sports and recreational activities for the students. Also, the role of FESA is not just limited to recreation, but any and all problems faced by the students in the first year can be helped to resolve by the FESA committee members.

Objectives: -

- To promote the interaction between academia and industry by organizing industrial visits, special lectures and facilitating industrial training.
- Promoting the interests of students in various technical areas
- To encourage students to develop their personal skills, like event management & time management by organizing intra & inter Collegiate Events.
- To bring about the technical development of students by organizing seminars, workshops and other activities.

Faculty Advisors: -

Prof. Mandar V. Datar and Prof. Amit B. Kasar
