### **Activity Description in Nutshell:**

The NSS and Board of Student Development of International Institute of Information Technology, Pune has organized international women's day on 8/3/23. A lecture of Dr Tejaswini, Nutritionist has been organized to get awareness about nutritional food in today's fast life among the women and girl students. In the morning the cyclotron was organized by 50 girl students from college gate to maan road to create awareness about health and fitness. On convention center some students expressed their thought about life of women as a mother, sister, wife and grandmother in our Indian family. Some faculty recited one poem on the life of women.

The vote of thanks is given by final year students.
