Activity Report
Audit Course Poster Presentation Competition

Academic Year: 2022-23

Name of Event: Poster Presentation Competition

Topic: Waste Management and Pollution Control & Green and Unconventional Energy

Date & Time of Conduction: 13th May 2023, 10:00 AM - 12:30 PM

Targeted Audience: SE & TE

Venue: Lab 213, 214, 223 & 224

Number of Participants: 51 Groups from SE, 20 groups from TE

Activity Description in Nutshell: Posters created for Audit Course of SE & TE on topics "**Waste Management and Pollution Control**" and "**Green and Unconventional Energy**" respectively. The participants displayed the posters under the competition and were awarded a prize based on criteria of creativity, presentation skills, teamwork and QA.

Topics covered in the session :
This course is conducted for SE & TE students. They were instructed to create the poster addressing a subtopic of their audit course. At the end of the semester the ITSA committee came up with the idea of having a poster presentation competition for all the beautiful posters. The primary aim behind organizing the competition was to bring out the awareness of these topics.
