and interning with Infosys (the "**Intern**").

Infosys provides the Intern with access to its Confidential Information, on the terms and conditions set out herein below:

1. For the purposes of this Agreement, "**Confidential Information**" shall mean any information disclosed to the Intern or obtained by the Intern from Infosys, its affiliate companies, or its customers in connection with, and during the term of this Agreement. Confidential Information may be information disclosed to the Intern either orally, visually, in writing (including graphic material) or by way of consigned items.
2. The Intern shall treat Confidential Information as confidential and shall not divulge, directly or indirectly, to any other person, firm, corporation, association or entity, for any purpose whatsoever, such confidential or proprietary information so received, and shall not make use of such information, wholly or in part, other than for the purpose of completing the tasks assigned to him/her during the course of the internship, or at all after the term of internship, without the prior written consent of Infosys.
3. The secrecy of the Confidential Information disclosed pursuant to this Agreement shall be maintained for a period of 16 weeks. The Intern shall take all reasonable security precautions during this period, to protect the secrecy of the Confidential Information.
4. In case of breach, Infosys shall have the right to seek injunctive relief, which relief shall not exclude any other recourse provided by law.
5. Upon request of Infosys, any written information subject to this Agreement shall be returned to Infosys.
6. All Confidential Information, and any Derivatives thereof whether created by the Intern or Infosys, remain the property of Infosys and no license or other rights to Confidential Information is granted or implied hereby. For purposes of this Agreement, "**Derivatives**" shall mean: (i) for copyrightable or copyrighted material, any translation, abridgement, revision or other form in which an existing work may be recast, transformed or adapted; (ii) for
