Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite

& transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. I.e. $15,000 \times 20 \times 2.7\% \times 80\% = \text{Rs. } 6,480$ per month as supplementary pension payable. *Grade Factor is a band specific predefined pension Accrual rate.

2. Voluntary Superannuation Policy (VSS)

Wipro Voluntary Superannuation Plan offers an easy and convenient way to help you lead a happy and tension free life by planning your retirement. Starting contribution to pension plan at an early age gives you enough time to contribute towards building your retirement corpus and leverage the compounding interest earned by the corpus year on year. You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will, also, be available once every financial year. The Company, on behalf of the member employee, shall contribute 15% of basic salary, towards the scheme selected by the member. In case 15% of basic exceeds Rs.1,50,000 per annum, member employee will have an option to restrict the contribution to Rs.1,50,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,50,000 every year).

Annual pension contribution amount is re-adjusted from fixed cash component and will reflect under 'Pension' component in the salary stack of the enrolled member. The accumulated contribution amount and the interest earned (or the corpus) can be utilized to avail the retirement benefits.

For further clarity, please refer the Policy on My Wipro -> My Information Sources > India -> My Financials-> Deferred Benefits-> Voluntary Superannuation Scheme. After reviewing the related documents if you wish to enroll into VSS, please log onto My Wipro-> My data->My Financials-> Pension, and exercise the option within 30 days of joining the Company. In case you miss enrolling into VSS in this window period, you can do the same in the window period that is available for all employees once every financial year.

COVID-19: IBM Initiatives for Employees and Communities

As we navigate the COVID-19 pandemic, IBM has taken a series of initiatives to help and support our employees and their family members in this challenging environment. The health and safety of IBMers, partners, and clients is our top priority.

We have put together a comprehensive support plan for our employees and their families to tide through this pandemic.

Employee Well-being and Safety

- **Vaccination for all IBMers:** Vaccination camps will be opened (in line with Government regulations and availability of vaccines) in all major cities with IBMer populations. IBMers and their family members will have the option of getting vaccinated at hospital centers or camps at selected IBM locations. We are working closely with the concerned authorities on this
- **Dedicated 24X7 Medical Helpline with Portea:** IBM has launched a dedicated helpline through Portea Health Care Services - for a variety of services including doctor consultation, medical/home care services, and testing services. This helpline is the first point of contact for support for any medical help.
- **Access to Oxygen Concentrators**
IBM has procured oxygen concentrators to support IBMers and their family members. We have partnered with Portea Health Care Service to deploy these oxygen concentrators across Bangalore, NCR (Delhi, Gurgaon, Noida), Kolkata, Chennai, and Hyderabad.
- **Eldercare Support with Samarth:** IBM has partnered with Samarth, one of India's leading organizations supporting the elderly by creating a COVID care system. Samarth will help the elders deal with the pandemic by providing 24/7 emergency assistance, home care resources, medicines, doctor tele-consultations, food services, oxygen, and requirement for other equipment as needed.
- **COVID Care Center:** We have worked with Apollo Hospital to offer medically supervised "step down" facilities at designated hotels in every major city where IBMers and immediate family members can quarantine in case it's not feasible at home.
- **Emergency Transport for Medical Needs:** We are offering an emergency transport facility 24x7 for medical requirements for both employees and their immediate family members who are COVID-19 positive (for transport to a medical facility) and those who are COVID-19 negative (for procuring medical supplies or attend to impacted family members).
- **Additional Insurance Coverage:** IBM is providing additional insurance coverage for each insured employee and their covered dependents (spouse and children) for up to Rs. 5 Lakhs per member covered.
- **Meal Delivery Service**
We have tied up with HungerBox for the delivery of freshly prepared meals, ensuring the highest levels of hygiene and safety measures. The service is currently available in Bangalore, NCR, Hyderabad, Chennai, Kolkata, Mumbai, Pune, and Vishakhapatnam.

Leverage the Power of Tech for good

- **COVID Assist:** We have launched COVID Assist, a Watson Assistant powered AI bot, to channelize the requests around critical resources such as ambulance, oxygen, medicine, hospital beds, in an efficient manner. It will also help you connect with the IBM Squad volunteers on ground.

Mobilizing the collective power of the IBMers

- **IBMer volunteer COVID squads :** We have organized squad groups staffed by IBMer volunteers to take service requests and match them to verified sources of available resources - Hospital Beds, ICUs, Oxygen requirements, ambulances, medicines, and more. With over 2000 volunteers already signed up, this is really making a difference to quickly triage requests and ensure that needs are matched to resources available nationally.
- While we do this, employee health and well-being remain a key priority for us. We have set up several **employee support groups across cities** to provide employees with a platform to discuss issues, challenges, concerns and coping mechanisms such as managing stress, staying active and promoting self-care. Covid Warrior stories to energise teams.
- IBM has partnered with United Way of India to drive an employee giving campaign. Employees can donate financially to the NGO and they in turn are working with several partners at the ground level to provide critical and emergency care for the community.
- IBMers are volunteering to become first responders on Covid-19 helplines through a collaboration with StepOne. StepOne is an NGO having an interface with 18 state governments and is helping to train & deploy volunteers to respond to queries on the government helpline.

Leveraging our voice and influence to rally global support

- IBM is playing a key role in **Global Task Force on Pandemic Response** launched by the US Chamber of Commerce to aid India and other Covid-19 Hot-Spots. This includes Sourcing, shipping and delivering 1,000 ventilators; 25,000 oxygen concentrators and working with local partners to fund emergency hospital beds in communities where our teams live and work.

In addition, we are also closely engaged with the government and government agencies in India to offer our support and we are ready to do more.

Given the dynamic pandemic situation, IBM is constantly revising and updating any initiatives it has put in place to respond to the pandemic, And any of these programs and policies may be changed or withdrawn by IBM at its sole discretion. Please reach out to your HR contact to understand the current measures in place at IBM.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Flexmoney Technologies Pvt Ltd (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Dear Friends,
Greetings of the day.

Please refer to the table below in the trailing mail. Congratulations to all selects. Still waiting for more names from our institute as the process is still ongoing.

Some of these hirings are open for only premier institutes like IITs, NITS. BUT thanks to Mr. Hrishikesh Dhande, Academic Relationship Manager, Tata Consultancy Services, Pune that he made those available to our students also.

I also feel very happy that our students proved their mettle through these national level hirings.

Last but not least, I appeal to all students that they should participate in different TCS initiatives / hirings processes. They can contact me on 9096063015 for any further query.

Thanks and Regards

#Provident Fund Contribution Option:

As permitted by the Employees Provident Funds and Miscellaneous Provisions Act, 1952 and its Rules, at the time of joining, if you give your written consent, Company will provide you an option to limit your Provident Fund Contribution to maximum monthly wage ceiling defined by EPF authority (Currently it is Rs. 15,000/- per month) instead of on the entire basic salary mentioned in this salary break-up sheet. You understand and agree that if you explicitly consent to choose the above mentioned option, you will see following impact in your monthly pay slip.

- There is no impact on your Gross salary and CTC salary as stipulated under Annexure A.
- Both Employee's contribution and Company contribution to E.P.F will be lesser than what is mentioned in the salary break-up sheet under Annexure A -I point no. 3. Differential amount will be shown under "Special Pay I" in your pay slip. Income tax deduction benefit would reduce to that extent.
- As EPF deductions are less, your take home pay would be more than what is stipulated under Annexure A. This will attract appropriate income tax.

You agree and understand that as and when the EPF authorities revise maximum monthly wage ceiling (currently Rs. 15,000/- per month) appropriate changes will be made keeping the same principle, i.e. limiting both employee and employer contribution to statutory wage ceiling, as long as it is permitted by the law.

Yours sincerely,
