Name of the Company / Institution with Address: International Institute of Information Technology

Targeted Audience: FE, SE, TE and BE of all branches

Venue: Parking Lot

Event Coordinator: Shekinah Ezekiel and Radhika Bhutra

Number of Participants: 92

Activity Description in Nutshell: Treasure Hunt were conducted on the span of 2 days inclusive of 3 rounds. Round 1 was scheduled on the first day and Round 2 and 3 on the following day.

Round 1 was based on the hit Netflix show's Squid Game's round 1 called Red Light-Green Light. The participants were asked to stand in a circle, where different poses were assigned to the participants while they jogged in a circle and had to retain the pose assigned when asked to halt. Participants that failed to hold the pose were eliminated with water guns. 24 participants qualified for Round 2.

Round 2 was Treasure Hunt where the qualified participants were divided into teams of 4. They were given a clue that led to a specific location, they would have to click a selfie with the location and send it to the volunteer assigned to each team to verify and give them the next clue. So the first 2 teams that found all 6 secret locations in the shortest amount of time were qualified for the last round. The eliminated teams were divided into groups of 2 where one member would have to stand on the other members feet and walk from the predetermined starting and ending point.

Round 3 was a Blindfolded Maze conducted between PPCRC and Academic Block, where the 2 qualified teams of 4 were divided into 4 teams of 2. A maze, made by the event coordinators, was filled with obstacles. Each team was assigned 5 cups that were scattered in the maze that they had to retrieve while one participant remained blindfolded and the other participant from the same team shouting the directions in code words. The first team that successfully retrieved all the cups were the winners of the entire event. Sumit Patil (TE Comp) and Prathamesh Jadhav (TE Comp) were the winners of Squid Game 2022.
