Hope Foundation's

International Institute of Information Technology (I²IT), Pune

P-14, Rajiv Gandhi Infotech Park, Phase - 1, Hinjawadi, Pune - 411057, Maharashtra

This Memorandum of Understanding (MoU) is made and entered into on 26th July 2021, at Pune, BY AND BETWEEN, **Intern Labs**, a company having its registered office at Office No. 202, Prasanna Heights, Above Pune Merchant Bank, Manik Bagh, Sinhgad Road, Pune - 411051, (hereinafter referred to as **Intern Labs**, which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors and assigns); AND **Department of Information Technology, Hope Foundation's International Institute of Information Technology (I²IT), Pune** (hereinafter referred to as **Dept of IT**), having its office at P-14, Rajiv Gandhi Infotech Park, Phase-1, Hinjawadi, Pune-411057 (hereinafter, which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors and permitted assigns)

Intern Labs and the **Department of IT** are hereinafter referred collectively as "Parties" and individually as "Party".

About Intern Labs:

Intern Labs aims to develop skills in software professionals, who are expertise in Open Source, to start a wonderful career; with lots of opportunities. In order to provide the training on open source software, the "Intern Labs" was founded one year ago at Sinhgad Road, Pune of Maharashtra. As FOSS that is, Free and Open Source Software's are Free, License less, Secure and fast, the popularity of them is increasing with great speed. The purpose of this initiative is to provide a platform to take the open source to the professionals who want to aspire a career as a leader in the IT industry.

Intern Labs has an experienced and dedicated team of developers. They are product development company and building CRM product in Supply chain management. They are working with some of the most renowned technologies used in IT industries which support the growth of companies. Intern Labs strongly believes in constructive education. In order to empower, they provide opportunities for learners to transform their lives through innovative learning and practical training.

About Department of Information Technology (Department of IT):

The department aims at addressing essential challenges faced by our country's IT Industry, society and the academia. More importantly, we believe in upholding our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career.

It is our vision to be recognized as an ingenious Department. Our goal is to nurture students providing them with a balance of intellectual and industry needs that will help them develop

Khushal

Net

and create solutions to tackle problems at a professional, social and national level. Students are encouraged to become good software professionals who can be productive to the organization from the day they join the team or explore entrepreneurial opportunities using their own innovative ideas and concepts.

Objective of this MOU

1. MOU is for the purpose of enriching the technical knowledge of the students in new areas of education being imparted to Computer Science, and Engineering students.
2. MOU is to enhance the knowledge of the students to enable them to meet the industry needs and to be recognized globally.

Scope of Work - Intern Labs

1. Sponsorship of UG projects.
2. Internship/Industrial Training to students.
3. Placement assistance.
4. Expert Lecture/Add-On/ Value Added course for students.
5. Consultancy Projects

Scope of Work – Department of Information Technology (Dept of IT)

Department of IT agrees to provide *Intern Labs* facilities such as classrooms & other required infrastructure, including but not limited to, projector, screen, Internet, Audio/visual facility, flip charts and markers to give training to the students if required.

I²IT shall provide sufficient advance notice to *Intern Labs* regarding any examination dates, vacation, or other holidays when classes will not happen. I²IT or any other person is not allowed to carry out any sort of video recordings of the training conducted by the *Intern Labs* at the I²IT premises.

Obligation of Work – Intern Labs

Either Party shall not use logos, trademarks, trade names or intellectual property of other Party for any other purpose as enshrined under this MOU without prior written approval from other Party.

1. Either Party shall ensure that nothing is done or omitted to be done by them which may affect the reputation of other Party or its intellectual property.

2. The Parties hereto agree that they are independent contractors. Nothing contained herein shall construe either Party as an agent, legal representative, partner, subsidiary or employee of the other.
3. Each party shall be at liberty to terminate this MoU with a written notice period of 60 (sixty) days / (2) months to the other party without any compensation and seeking legal redress.
4. In case of termination of this MoU, Intern Labs agrees to fulfil their commitments towards the enrolled students and to complete the remaining training for the particular semester.
5. All claims, disputes, differences or disagreements of whatsoever nature arising out of, in connection with or in relation to this MoU whether during its term or after expiry thereof or prior termination, shall be finally decided by arbitration to be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996 in force as at the date of the invocation of the arbitration. Parties mutually agree to refer their disputes to the sole arbitration of a mutually agreed person, whose decision and award shall be final and binding between the Parties. The venue of arbitration shall be Pune, Maharashtra.
6. Courts in Pune shall have exclusive jurisdiction to settle all disputes and differences arising out of this MoU, whether during its term or after expiry / earlier termination thereof.
7. Both the Parties shall indemnify and hold each other harmless from and against any claim, loss, liability, or expense, including, but not limited to, damages, patent and trademark infringement, costs and attorneys' fees, arising out of or in connection with any acts or omissions of their agents or employees.
8. Any notice/letter/correspondence through registered post/courier/fax shall be delivered /served at the business address of the Parties.
9. Each Party shall bear its own legal, and other costs, charges and expenses connected with the negotiation, preparation and execution of this MoU or any other agreement incidental to or referred to in this MoU.
10. This MoU may not be amended or modified except by an instrument in writing signed only by the authorised signatories on behalf of both the Parties. In witness whereof, both Parties put their hard seal on the day, month and year herein mentioned.

[Handwritten signature]

Obligation of Work – Department of Information Technology (Dept of IT)

1. Dept of IT may receive information proprietary to 'Intern Labs' and vice versa (the "Confidential Information") in the course of performance of their obligations under this MoU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by Dept of IT /Intern Labs from third Parties without accompanying secrecy obligations; (c) is already in Dept of IT / Intern Labs possession and was lawfully received from sources other than Intern Labs and Institute or (d) is independently developed by Institute/Intern Labs.
2. The two Parties understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will always be kept in trust, to be disclosed only to such persons as have a "need to know" the same for the effective implementation of this MoU and that it will only be used by the Dept of IT /Intern Labs for the benefit of others.
3. All information or correspondence including information shared with or exchanged by Intern Labs or the Dept of IT or any of its employees, agents, officers, directors and contractors in connection with this MoU including all training materials, training content & methodologies, classroom & trainer notes, assessment tests etc. will be the sole and absolute property of Intern Labs including intellectual property and proprietary rights.
4. Either Party shall not use logos, trademarks, trade name or intellectual property of other Party for any other purpose as enshrined under this MoU without prior written approval from other Party. Dept of IT agrees and confirms that during the term of this engagement and for a minimum period of twenty-four (24) months after termination or expiration for any reason of this agreement, shall not engage, directly or indirectly, or assist any other party in hiring any person employed or hired as an employee by Intern Labs, who is directly or indirectly associated with the project.

Validity of MoU

For good value, this MoU Validity is made by and between Department of Information Technology & Intern Labs.

Whereas a MoU between the parties dated 26th July 2021, and the parties want to continue said MoU; it is agreed that said MoU is valid till Date 25th July 2026. This validity shall be on all other terms and conditions as stated in the original MoU.

This validity of MoU shall be binding upon and inure to the benefit of the parties, their successors, and personal representatives.

[Signature]

[Signature]

FOUNDATION FOR INTERDISCIPLINARY RESEARCH, a not-for-profit organization, registered under public charitable trust and by abiding provisions of Maharashtra Public Trust Act, 1950, having registration number E-7284/Pune dated 9/10/2015, having its office at E-8 Sahadeo Avenue, Someshwarwadi, Pashan, Pune-411008, Maharashtra, Republic of India ("FIR").

Hope Foundation's International Institute of Information Technology (I²IT) herein after referred to as "I²IT" having its office at P-14, Rajiv Gandhi Infotech Park, Phase – 1 Hinjewadi, Pune - 411057 is a premier educational and research institution located in the InfoTech Park in the Knowledge city of Pune in India. (www.isquareit.edu.in). Established in the year 2011, I²IT is committed to grow on a path of delivering distinctive high-quality education, fostering research, outreach, creativity and discovery. The Institute is approved by All India Council for Technical Education (AICTE), New Delhi; recognized by Directorate of Technical Education (DTE), Govt. of Maharashtra; and affiliated to Savitribai Phule Pune University. Currently, the Institute offers Bachelor of Engineering (B. E.) courses in Electronics and Telecommunication, Computer Engineering, and Information Technology.

Hereinafter, FIR and I²IT are each referred to as "Party", collectively as "Parties".

1. Purpose

This MOU is intended to summarize the current business understanding of the Parties for the purposes of developing skill building programs in the areas of Artificial Intelligence,

Cyber Security and Cloud Computing, Geo-informatics and IoT through sharing knowledge, research, innovations and skilled resources in the interest of mutual benefit in the area of development and deployment of:

- a) Smart Initiatives in Urban, Rural and Industrial environment
- b) Green Energy Transformation and it's optimal utilization.
- c) Bio-Technology initiatives.
- d) Industrial Research & Development projects (hereinafter referred to as the "Project").

New Project in other areas can be considered as per the requirement and approval from both the parties.

Whereas FIR is interested in building synergy and extending supports through knowledge, experience and expertise available with FIR through their eminent resources for the proposed Project to be developed and implemented through various educational and transformation processes and has expressed its interest to support I²IT for successful implementation of processes for the Project.

Whereas I²IT is also interested in extending their knowledge, experience and expertise services and also has intention to develop and implement the project through various educational and transformational processes and also to provide advisory services and deployment supports, to develop Project for the Urban Local Bodies, Government Departments, their companies or subsidiaries and public/private sector companies/Individual entrepreneurs or scholars/innovators through FIR.

2. Co-operation

The following items, without limitation, shall be defined and agreed upon by the Parties for this MOU:

- a) Knowledge, Research, Development of the Project through various methods and mechanisms.
- b) Transformation and deployment and advisory services for the Project.
- c) Collaborate on efforts to implement,
- d) Cooperation on other matters that are of mutual interest.
- e) Exchange of information and human resources without infringing the IPR Rights of individual or institution or industry involved in the Project.

3. Non-Binding

Except for Sections 3, 4, 5, 6 and 7, this MOU is legally non-binding and does not create legal rights or obligations on the part of either Party.

4. Costs

Each Party shall bear its own costs in relation to the performance of their respective obligations under this MOU. Indian or International travel cost will be borne by the respective parties for persons deputed by them including local logistics, accommodation and travel. In case any staff /resource of foreign collaborative agency visits I²IT for specific program specially designed for the I²IT, all expenditure of invitee for the local logistics, accommodation and travel shall be borne by I²IT.

5. Fees

- a) I²IT shall register every new project with FIR by paying an initial prescribed project registration fees of Rs. 500.

- b) Once the project is registered and mentors/ subject experts are assigned, a project supervision fees shall be worked out by FIR considering the involvement Time and Supports and I²IT shall pay the same before starting the actual work on the project.

The Fees structure will be decided by FIR and applicable for the specific period for specific project.

6. Restrictions

I²IT shall not deal directly with any party or institution or organisation they are introduced through FIR without written consent from Secretary, FIR.

7. Term and Termination

This MOU shall become effective as of the Effective Date and remain in force for a period of Five (5) years and can be renewed with one (1) month prior written notice

Either Party may terminate this MOU without any cost and liability by one (1) month prior written notice.

8. Governing Law and Dispute Resolution

This MOU shall be governed and construed by the laws of Indian Central Governments and State Governments, without reference to conflict of law principles.

All disputes arising out of or in any manner relating to this MOU shall be resolved between the Parties within fifteen (15) days. If not, such dispute or controversy shall be finally settled by the Arbitration Authority in accordance with the arbitration rules thereof, and the arbitration shall be held in English language. The arbitration award shall be final and binding, and a judgment consistent therewith may be entered by any court of competent jurisdiction of Pune.

9. Confidentiality

During the term of this MOU and for so long as such information remains confidential, both Parties agree that no Party hereto may use, disclose and/or release, any of disclosing Party's information which was disclosed pursuant to activities in connection with this MOU, to any third party (except as required as part of its activities under this MOU) without the prior written consent of such disclosing Party.

10. Intellectual Property Rights

During the term of this MOU and after that also both the parties will honor the Intellectual Property Rights already possessed by either of the party and shall not infringe them and

course of working together if any Intellectual Property right/rights created will be registered Jointly by creating mutual understanding.

11. Amendment

No amendment, variation or modification of any provisions of this MOU shall be effective unless made with the prior written agreement of both Parties.
