

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1.Name of the Institution

**International Institute of
Information Technology**

- Name of the Head of the institution **Dr. Vaishali V. Patil**
- Designation **Principal**
- Does the institution function from its own campus? **Yes**
- Phone no./Alternate phone no. **02022933441**
- Mobile No: **9595459547**
- Registered e-mail **naac2018-19@isquareit.edu.in**
- Alternate e-mail **naac@isquareit.edu.in**
- Address **P-14 Rajiv Gandhi Infotech Park,
Phase-I, Hinjawadi, Pune-411057**
- City/Town **PUNE**
- State/UT **Maharashtra**
- Pin Code **411057**

2.Institutional status

- Affiliated / Constitution Colleges **Affiliated**
- Type of Institution **Co-education**
- Location **Rural**

- Financial Status **Self-financing**
- Name of the Affiliating University **Savitribai Phule Pune University**
- Name of the IQAC Coordinator **Dr. S. Mohan Mahalakshmi Naidu**
- Phone No. **02022933442**
- Alternate phone No. **0202293344**
- Mobile **7040253454**
- IQAC e-mail address **iqac@isquareit.edu.in**
- Alternate e-mail address **mohans@isquareit.edu.in**

3. Website address (Web link of the AQAR (Previous Academic Year))

<https://www.isquareit.edu.in/wp-content/uploads/2023/10/AQAR-report-of-AY2021-22-Final-copy.pdf>

4. Whether Academic Calendar prepared during the year?

Yes

- if yes, whether it is uploaded in the Institutional website Web link:

<https://www.isquareit.edu.in/wp-content/uploads/2022/08/Institute-Academic-Calendar-2022-23-SEM-I-I2IT-SETEBE.pdf>

5. Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	2.96	2019	01/04/2019	31/03/2024

6. Date of Establishment of IQAC

20/10/2015

7. Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
NIL	NIL	NIL	NIL	NIL

8. Whether composition of IQAC as per latest NAAC guidelines

Yes

- Upload latest notification of formation of

[View File](#)

IQAC

9.No. of IQAC meetings held during the year **2**

- Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website? **Yes**

- If No, please upload the minutes of the meeting(s) and Action Taken Report [View File](#)

10.Whether IQAC received funding from any of the funding agency to support its activities during the year? **No**

- If yes, mention the amount

11.Significant contributions made by IQAC during the current year (maximum five bullets)

Organizing IEEE International Conference: IEEE PuneCon 2022 during 15th-17th December 2022

Dy. Director of COEP Technological University conducted a mock NBA visit to review the Institute level facilities and preparations. Interacted with faculty members on 21st Jan 2023

Organizing Pune Smart Health Hackathon 2023 on 14th and 15th Feb 2023

Institute has been conferred with the NBA accreditation for two UG programs: Computer Engineering and E&T/C Engineering for three years starting AY2023-24 through AY2025-26

Organizing Guest lecture of Police inspector about safety and security on 28th Aug 2022

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
IQAC action plan is prepared based on the quality objective parameters with set targets for both semesters	Departments have achieved most of the set targets for AY2022-23
Improve on Industry Institute Interaction	Eight value added certificate courses were delivered by the industry experts on the state of art technologies and skills.
Conduct Industry visits of students	Elevan industrial visits were conducted by the departments on an average two industrial visits for each class.
IQAC file structure and format changes	Few new files were added to IQAC and format changed
Schedule of Academic Audit	Academic audit was conducted at the end of each semester

13. Whether the AQAR was placed before statutory body? No

- Name of the statutory body

Name	Date of meeting(s)
Nil	Nil

14. Whether institutional data submitted to AISHE

Not applicable	

17.Skill development:

Institute has engaged external professional agency for English language soft-skills training, preparation for aptitude test and interview preparation for students. These training courses are included in the student regular time table itself so that all students attend them.

Students are encouraged to take "on-line" courses such as Coursera / NPTEL / MOOC / Swayam, IIT Mumbai spoken tutorials to enhance their technical skill sets. Many students have completed these "on-line" courses and have obtained certification which is beneficial for getting them internships and jobs.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Teaching is done in English language only. However, programs such as Marathi Bhasha Divas, Reading month and Book review competition were conducted by central library in AY2022-23.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Board of studies of Savitribai Phule Pune university has identified Course Educational Objectives (CEOs) and Course Outcomes (COs) for each course. Also twelve Program Outcomes (POs) are specified as Graduate attributes of an outgoing engineering student. All students are expected to possess these twelve POs during their four years of graduation. Philosophy of Outcome Based Education (OBE) is made in practice while teaching the subjects. Proper documentation is maintained as per NBA formats.

Faculty members have done mapping of these CO's and PO's for every course. Also direct and indirect tools are used for attainment of CO's and PO's and then attainment matrix is calculated. Gap analysis is done, and in case where the PO's are not closely mapping with the syllabus, additional courses such as Value-added courses, Add-on courses, Guest lectures are conducted. Faculty members also conduct additional sessions for content beyond syllabus and the rare PO's are mapped with CO's.

Students are made aware of these Course Outcomes (COs) during lectures, laboratories etc. Also at the end of teaching a course, student feedback is taken on CO's and then final CO and PO attainment is calculated, which forms a basis for Outcome Based Education.

20.Distance education/online education:

CURRICULAR ASPECTS		
1.1 - Curricular Planning and Implementation		
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process		
<p>a) Institute level academic calendar is prepared by IQAC before the start of every semester taking into consideration duration of the semester as per affiliating university calendar, various events and public holidays. Institute calendar includes start and end of semester dates, class test weeks, In-semester weeks, mock on-line test/mock practical weeks, practical and theory examination dates.</p> <p>b) Academic coordinators of the departments in consultation with HoD's prepare departmental calendar which includes departmental activities such as Guest lectures, Add-on courses, Seminars/workshops/conference visits, Faculty development programs, Industrial visits, Student association activities,</p>		

Seminar/project reviews etc.

c) Teach plans are prepared by faculty members and are checked by HoDs and academic planning and monitoring committee members of the college. Student daily attendance is recorded in ERP system.

d) Daily class/practical conduction is monitored by Academic coordinators of each department. Student performance in the class tests is also monitored in ERP. Students are given assignments and mini projects by respective subject teachers as continuous assessment.

e) Additional classes are conducted for slow learner students and few challenging assignments are given to advanced learner students. Remedial classes are conducted for students whose result university examinations so as to help them prepare for re-examination.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

a) Academic coordinators of the departments in consultation with HoD's prepare departmental calendar which includes departmental activities such as Guest lectures, Add-on courses, Seminars/workshops/ conference visits, Faculty development programs, Industrial visits, Student association activities, Seminar/project reviews, Class tests, Mock practical examinations etc.

b) Three class tests are conducted for every subject during the entire duration of the semester as per the dates planned in the academic calendar as a part of continuous internal evaluation (CIE).

c) In addition to class tests, one assignment is given on each unit. If the subject has 6 units, then 6 assignments are given.

d) During practical sessions, students perform the experiments and

write a laboratory report for each experiment.

e) Appropriate weightage are given to the assignments, practical lab reports, class attendance and performing mock practical examinations. Based on these, marks are calculated for Term work as applicable.

2.1.2 - Number of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy during the year (exclusive of supernumerary seats)

2.1.2.1 - Number of actual students admitted from the reserved categories during the year

166

File Description	Documents
Any additional information	No File Uploaded
Number of seats filled against seats reserved (Data Template)	View File

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Slow learner students are identified from the University result, Class test performance and class observation. Students who secure less than 40 percent marks in these three areas are identified as slow learners. Extra lectures / practice sessions are conducted for them in addition to regular teaching. The performance of slow learners is closely monitored by faculty mentors as well as HoD's.

Advanced learners are also identified in the same way. Students who secure marks greater than 75 percent in the above three areas are identified as advanced learners. Additional challenging assignments, projects are assigned to them and their work is closely monitored by mentors.

Details of slow and advanced learners of only IT department are given in the attachment (due to size limitations)

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
1190	53

File Description	Documents
Any additional information	View File

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

In order to have different learning experience, student centric learning methods such as Group discussions, Flipped class room, Puzzle solving, Match the pairs, Quizzes are conducted.

Students are given a topic and they make presentation in the class. They get opportunity to improve their language skills. Similarly in Flipped classroom, students are assigned topics 1-2 days prior to lecture. Students study the topic and explain to the class. They get to study and explain to the rest of the class. Feedback is taken on these activities and students seem to enjoy this way of teaching. Details are enclosed in the attachment.

Link for additional information	http://www.isquareit.edu.in/wp-content/uploads/2024/01/2.3.2_5-Teachers-using-innovative-teaching-methods-during-AY2022-23-Combined.pdf

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In this digital era, ICT use in the classroom is important for giving students opportunities to learn and apply the required 21st century skills. Hence studying the issues and challenges related to ICT use in teaching and learning can assist teachers in overcoming the obstacles and become successful technology users.

Innovation in education encourages students and teachers to research, explore, and use all the tools to uncover something new. Innovation involves a different way of looking at problems and solving them. It also improves education because it compels students to use a higher level of thinking to solve complex problems. The Innovation in Teaching and Learning includes Flipped Classroom, Peer Learning, Cross Word and many more activities are conducted by faculties.

ICT enables self-paced learning through various tools such as assignment, computer etc as a result of this the teaching learning enterprise has become more productive and meaningful. ICT helps facilitate the transaction between producers and users by keeping the students updated and enhancing teachers capacity and ability fostering a live contact between the teacher and the student through e-mail, chalk session, e-learning, web-based learning including internet, intranet, extranet, CD-ROM, TV audio-videotape.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment consists of,

1) Class tests - Three class tests are conducted for every subject having six units. Each class test has two units.

2) Assignments - One assignment is given on each unit to the students and they are required to submit their solutions. Each assignment carries 10 marks and then average is taken for six such assignments in term work calculation.

3) Mock practicals - Mock practical sessions are conducted before the university practical examinations so that students can get hands on practice.

Details are provided in the attachment.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

Provision of adequate infrastructural facilities for teaching and learning has always been a priority area for the Institute. The institute abides by the norms provided by AICTE and Savitribai Phule Pune University (SPPU) to provide and enhance the infrastructure required to facilitate effective teaching and learning. The Institute has a total land area of 10.22 Acres of land which is constructed with robust structures for various academic purposes.

The Institute has 4 Departments as Engineering Sciences, Computer Engineering, Information Technology and Electronics & Telecommunication with 18classrooms & 28 Laboratories.

Class rooms: Each classroom is of adequate size and has enough lighting, air ventilation and good ambience. The institution has sufficient number of well-furnished, well ventilated, spacious classrooms for conducting theory classes. Class rooms are equipped with overhead LCD projectors to facilitate the teachers to adopt varied teaching methods. 4classrooms are also equipped with Smart boards for interactive learning experience.

Laboratories/Workshops: Institutehas 28 well equipped laboratories, Central Computing Facility with 100 computers and one workshop. Wi-Fi is available across the campus. The institute has Laboratories with state of the art equipmentand machinery for the students to carry out practicals, projects and research. All laboratories are operational, and well maintained.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institute encourages and facilitates students to participate in various activities to inculcate leadership skills, team spirit and holistic development. A qualified physical education director along with team of faculty members looks after the extracurricular activities. Institute has developed over the years a number of facilities for the students to participate in a variety of sports and cultural events.

Cultural Activities: - A committee for cultural activities is constituted. The committee conducts the annual cultural festival DHRUVA comprising of various events like singing, dancing, sports, drama etc. Financial assistance and facilities like a state of the art auditorium; Amphi theatre audio-visual aids have been established in campus to conduct these events. The students enthusiastically participate in several drama competitions like Purushottam Karandak, Vinodattam Karandak at University and state level cultural competitions.

Sports: - The institute has a playground of 1984.59 sq. mt. for various sports activities like Football, Cricket, Kabaddi, Kho-Kho, Athletics and Yoga. Apart from multipurpose ground we have Basketball Court of standard size 431.12 sq. mtr, as well as a well equipped Gymnasium of size 119.40 sq. mtr. We also have indoor games facilities such as TT room, Carom room, Chess room and Sports Equipment room in our campus.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The institute had SOUL 2.0 software since 2012. Now the I²IT central library has user friendly and fully automated cloud based WEB DESK ERP having version 1.0 from 2018. The new software was installed as a part of Integrated Library Management System (ILMS) and now all the library operations are computerised.

Various activities of the library such as book circulation, branch wise book report, bulk member's record, web OPAC (Online Public Catalogue), book accession e-register are done through the software and through barcode scanner. It helps to generate various reports, simple and fast counter transactions. It gives notifications automatically to users like reminders for book reissue/ return. Generate missing, untraced, lost book report, top book circulation, member history etc. Students can search books on their own device, they can also reserve books by their devices. It helps the library to give quicker service to the users by using a barcode scanner. The software efficiently generates reports and these can be exported into file formats. With this software every member of I²IT can get required information at any time and at any place. The library law which accounts for "save the time of the readers" is fulfilled by this software.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Infrastructure and associated facilities are augmented periodically as and when there is a requirement and to introduce new technologies to students. Computer systems are upgraded with latest configuration as per the need and requirements of the various departments. In line with the stipulated requirements mentioned in

the University syllabi, every department upgrades licensed versions of up-to-date software that are in line with industry trends.

All the computers are grouped through different Local Area Networks (LANs) in different Laboratories to segregate the academic needs for the students and the faculty members. All the computers are equipped with Internet facility through an exclusive 120 Mbps of Leased Line connection. The Internet is facilitated through both wired and wireless connections. The entire Internet communication is controlled by a Hardware firewall "Cyberoam CR 500iNG-XP" .

IT services are classified as follows:

- 1) Computing services:
- 2) Computer Center Communication services
- 3) Wired LAN Connectivity (198 Mbps) & Wi-Fi connectivity throughout the campus

The service Management & delivery is carried out by the Service providers in coordination with the Network Administrator. Information Security Cyberoam hardware firewall (UTM) scans for any intrusion prevention system (IPS) network traffic to actively block attacks. Entire network is protected with Quick heal Endpoint

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Civil Infrastructure Maintenance: Adequate human resources are appointed exclusively for maintenance and upkeep of campus infrastructure. The cleanliness of the campus and the hostels is out-sourced. The institute outsources the maintenances of infrastructure facilities.

Following is the list of Annual maintenance contracts:

1) Annual Pest Control Service Contract

2) Fire Systems Maintenance

3) Annual Maintenance of Elevators

4) Maintenance of UPS

5) Water Tank Cleaning /Drinking Water Testing Maintenance of Equipment & Computing Facilities: The institute has dedicated staff for maintenance of equipment & computing facilities. All computers are maintained by systems department which includes routine maintenance, software installations and networking. Antivirus software is renewed annually for all computers.

Library Stock Maintenance System:

Central Library is holding the physical collection of more than 11000 books and has subscription to 41 print journals/Technical magazines of national as well as international repute. The stacking arrangement of the books in the library is been done with the help of Dewey Decimal Classification (22nd Edition); respective guide cards are placed for easy searching of books; whereas the stacking arrangement of periodicals are arranged in alphabetical order by its title of the journal and technical magazines separately.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Students are actively involved in various committees which include Course Monitoring Committee (CMC) of the department, Technical committee, Cultural committee, Sports committee, Magazine committee, Public Relations (PR) Committee, Career Management Committee (CMS), IEEE chapter, CII-Yi chapter, IQAC committee and such other committees as per the interest of the students stepping up to take an active leadership role.

The main purpose of these committees is to ensure harmony across an ample, vibrant, and continuous range of campus events and activities in the course of an academic year. The committees ensure maximum involvement and engagement of all members of the Institute and its respective stakeholder groups. Working on these committees instills leadership and management skills among students.

The prominent committees involving students are as follows.

Departmental Committees for extra-curricular and co-curricular activities / Student Clubs:

- 1) Computer Engineering Students Association (CESA)
- 2) Information Technology Students Association (ITSA)
- 3) I²IT Society of Electronics & Telecommunication Students (ISETS)

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The institute fosters a strong bond with its Alumni. Recognizing the importance of sustaining the relationship with our alumni Institute has established Alumni Association in year 2017. Alumni meetings are organized every year to bring together alumni community. During the meets alumni are informed about the progress happening in the institute. Every department maintains strong association with their alumni.

Details of Alumni engagement are attached herewith as an attachment due to word count limitation here.

Alumni meeting was conducted on 8th Oct. 2022 in our campus and the report of the same is attached herewith.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Hope Foundation, a Public Charitable Trust/ Society was established by Late Shri. Pralhad P. Chhabria in the year 1979 with the objective of rendering social service in the field of education, medicine and research. The Trust/ Society extends financial support to the deserving and needy students so that they should not be deprived of education.

Under Hope Foundation, there are two educational institutions and one research institution.

Educational Institutions:

- 1) Finolex Academy of Management and Technology (FAMT), Ratnagiri
- 2) International Institute of Information Technology (I²IT), Pune

Research Institution: 1) Pralhad P. Chhabria Research Center (PPCRC), Pune

Vision statement of I²IT:

To be a premier academic institution that fosters diversity, value added education and research, leading to sustainable innovations and transforming learners into leaders

Mission statement of I²IT:

1) To strive for academic excellence, knowledge enhancement and critical thinking capabilities by adopting innovative and dynamic teaching-learning pedagogies

2) To enrich and leverage interactions and associations through Industry-Academia partnerships

3) To groom students so as to make them lifelong learners by helping them imbibe professional, entrepreneurial and leadership qualities

4) To embrace an environment that allows all stakeholders to benefit from the technology enabled processes and systems

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Institute's management including Board of Trustees, President-Hope Foundation, Board of Governors (BoG), College Development Committee (CDC), Principal, Heads of Departments believe strongly in decentralization of authority and the mechanism is mentioned below.

Top management in consultation with BoG and Advisory Council gives strategic directions /recommendations to the Principal regarding various future initiatives focusing broadly on Vision and Mission of the institution and the roadmap ahead.

Principal prepares the strategic/action plan keeping in view the short term and long term goals of the institution and gets it

executed through various Head of Departments and IQAC committee.

Student activities are handled by Chief Coordinator-Students Affairs, Student Welfare Officer (SWO) and Physical Education Director. Student examinations are handled by College Examination Officer (CEO), Assistant to CEO and Senior/Junior supervisors. Academic Planning and Monitoring Committee (APMC) is established to ensure smooth and timely conduction of academic activities.

Purchase committee deals with the purchase of capital equipment and recurring expenditure. Financial decentralization is achieved by giving financial power to Principal, HoDs, Section heads, Registrar for expenditure up to certain limits. If the expenditure required exceeds the approved limits, then approval of the management is required.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Key points of the strategic plan are as under:

- 1) NAAC accreditation - (First cycle completed in March 2019 and Institute plans to apply for the second cycle in AY2023-24.
- 2) NBA accreditation for two programs namely Computer Engineering and E&T/C Engineering - (received NBA accreditation in May 2023)
- 3) Permanent affiliation with Savitribai Phule Pune university
- 4) Moving towards academic autonomy
- 5) Applying for Govt and Non Govt grants for Sponsored research projects: Institute is recognized under section 2(f) of the UGC act, 1956.
- 6) Consultancy projects for private companies

7) Add-on courses and Value added courses for students to fill gap between industry and academia

8) MoU's with industries

9) Upgrade qualifications of faculty members and non-teaching staff

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Institute has various bodies/cells/committees for the purpose of decentralization and smooth functioning. Some of the bodies/cells/committees are mentioned below:

- 1) Board of Trustees
- 2) Advisory Council
- 3) Board of Governors (BoG)
- 4) College Development Committee (CDC)
- 5) Department Advisory Board (DAB)
- 6) Program Assessment Committee (PAC)
- 7) Internal Quality Assurance Cell (IQAC)
- 8) Grievance Redressal Committee
- 9) Reservation Grievance Committee
- 10) Women Grievance Committee Anti-ragging Committee
- 11) Library Advisory Committee

12) Student Committees

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

Institute has several welfare measures for teaching and non-teaching staff as below:

1) Employee provident fund, Gratuity, Group accidental insurance, Study leave / skill enhancement leave for upgradation of qualification, Vacation leave, medical leave

2) Maternity Benefit, Women empowerment programmes, Free medical aid and Emergency services, Doctor on call, On campus employee

residences

3) Financial assistance, Scholarships, Fee relaxations and waivers for wards of Employees if they take admission in our institute.

4) Wi-Fi enabled campus, Reprographic facilities & General Store on campus, Cafeteria and Clean Drinking Water

5) Women grievance redressal cell, Reservation grievance cell

6) Hygienic Work Environment, Smoke-free green campus, Dedicated vehicle for medical emergencies, 24x7 campus security services, CCTVs at strategic locations, Fire & safety precautions, Lift facilities, Uniforms for Class IV employees and Maintenance safety Kits for employees handling emergency services

7) Tea free of cost in the morning and in the afternoon

8) Compensatory Offs, Restricted Holidays for celebrating regional festivals, regular employee get-togethers, festival advances to Class IV employees (on request)

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Institute conducts appraisal of teaching and non-teaching staff members once in a year. There is standard format of Performance Based Appraisal System (PBAS) for teaching staff. The following are points of evaluation.

- 1) Effective Teaching and Learning
- 2) Co-curricular and Extra curricular activities of faculty member
- 3) Research publications by faculty member
- 4) Consultancy services and working on sponsored projects
- 5) Handling of Institute level portfolios
- 6) Upgrading of qualifications such as Ph.D.

Increments and promotions are given to the deserving faculty members.

For non-teaching staff, work is allotted by respective section heads such as student section, establishment section, accounts section, maintenance section, system administration section, training and placement officer.

Registrar looks after all the administrative matters whereas Assistant Registrar looks after student admission section, scholarship section and student support services. Performance appraisal of non-teaching staff is done with the help of set targets and achieved targets during the year (sample appraisal forms are attached herewith as attachment).

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The scope of the internal financial audit comprises of working of various compliances under appropriate laws and rules and regulations framed there under, sufficient systems and procedures are in place for adherence of institutional policies, physical verification of assets, consumables, stores, inventory, spare parts, and other assets, proper books of accounts, vouchers along with supporting documents are maintained, confirmation of balances from debtors, creditors and other parties are obtained periodically at the year end and proper systems and procedures are in place for internal control at the various department levels.

The external financial audit is performed by an independent Chartered Accountant appointed as a Statutory Auditor of the Institute who initially reviews the reports and observations made by the Internal Audit Team and the explanations given by the Accountant of the Institute. Taking into cognizance these observations, an exhaustive list of requirements is given for compliance and submissions to the Statutory Auditor for completing the auditing of the financial statements of the Institute and providing a realistic statement through his audit report that the books of accounts reflect a true and fair view of the operational activities and the financial position of the Institute for the relevant financial year.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Our institute is an unaided self-financing private institution. The prime source of income is by way of fees received from students, reimbursements of student scholarships by State Government, interest received, donations / grants (if any) and such other income auxiliary to the educational activities.

The surplus generated year on year is invested in various bank instruments and notified securities at the appropriate time. In case of deficit, the parent Trust extends support by way of funding from the corpus for the smooth and efficient functioning of the Institute. The Institute is not a recipient of any financial support directly from the regulatory bodies. However, specific funding / grants are received from the Savitribai Phule Pune University for capital requirements based on submission and acceptance of project proposals.

Well established mechanism of effective financial management exists in the Institute to ensure optimal utilization of resources for the overall development of the academic and administrative activities. The entire process of mobilization of funds and preparation of the detailed cash flow statement is undertaken on a conservative basis with the involvement and consultation of all departmental stakeholders before the commencement of the relevant academic year / financial year.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

IQAC plays important role in formulating new initiatives and guidelines for improvement of quality assurance processes. Following are the contributions of IQAC in AY2022-23:

- 1) Applying for National Board of Accreditation (NBA) of Computer Engineering and Electronics & Telecommunication programs.
- 2) Focus on Outcome Based Education (OBE) philosophy
- 3) Organizing IEEE International Conference (IEEE Punecon-2022) during 15th-17th Dec. 2022
- 4) Organizing Pune Smart Health Hackathon-2023 on 14th and 15th Feb. 2023
- 5) Organizing Guest lecture of Police inspector about safety and security on campus on 26th Aug. 2022
- 6) Improving industry-Institute interactions by way of signing new MoUs, Guest lectures of industry personnel, value-added courses conducted by industry experts
- 7) Revising IQAC file formats and file structure
- 8) Conducting academic audit twice in a year
- 9) Conducting Academic and Administrative Audit (AAA) once in a year

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC reviews its teaching learning processes twice in a year. Targets are set for each department at the beginning of each semester in terms of No. of Add-on courses, Guest lectures, Value

added courses, Content Beyond Syllabus lectures to be conducted, No. of industry visits, student MOOC certifications, Faculty publications, patents, Faculty Development Programs (FDP), Short Term Training Programs (STTP), Student Association activities, Sponsored projects, MoUs etc.

At the end of the semester IQAC reviews as to how many targets have been achieved and targets for the next semester are given. Monitoring is done during IQAC meetings and during academic audit which is conducted twice a year (at the end of the semester).

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

(A) Safety and Security:

- 1) Total 35 CCTV cameras are installed at various places in the campus to monitor movement of students and faculty members, thus ensuring safety and security within the campus.
- 2) Students in/out movement is recorded in the register placed at the entrance gate. As per hostel policy, students are not allowed to go outside the campus after 9 pm.
- 3) All students and staff members are given ID cards and they are expected to wear them all the time they are on campus.

(B) Common rooms:

- 1) Institute has provided separate common rooms for boys and girls. Facilities such as magazines, carrom /chess board and few beds are provided for students to relax and rest during their free time.

(C) Awareness programs:

- 1) Programs such as Self defense, Nirbhay Kanya Abhiyan, Safety awareness are organized for girl students.
- 2) Programs covering cyber threats are conducted.

(D) Sanitary pads are made available in various machines located in hostel buildings.

(E) Health:

- 1) Free medical check-up is provided for students. Medical doctor is available on campus for students.

(F) Counselling:

- 1) In case of any personal issues of students, one psychiatric doctor is made available on campus.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

(A) Solid waste management:

1) Solid waste is collected from hostel rooms every day by house keeping staff in separate containers and assembled at the waste yard marked as garbage collection pit at the extreme end of the campus. Separate garbage collection bins are also kept at laboratories, library, classrooms etc. Dry and wet waste is separated and handed over to municipal authorities for recycling.

2) Tree leaves are collected in a separate pit and compost is made out of that. The compost manure is used for fruit trees.

3) Use of plastic is banned on the campus and notices are displayed throughout the campus regarding the same.

(B) Liquid waste management:

1) Waste water from wash basins and bathrooms is collected in two storage tanks and used for the garden.

2) Rain water harvesting is done by storing the rain water in storage tanks.

(C) E-waste management:

1) Institute has identified certified vendors for E-waste disposal. Equipment such as monitors, non-working computers, key boards, mouse etc. are periodically written off and disposed to the certified vendor. We obtain certificate from the vendor ensuring that E-waste would be disposed as per prevailing norms without harming the environment.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Practice-1:

Title of the Practice: Innovative Teaching and Learning practices

1. Objectives of the Practice:

- Foster a dynamic and engaging learning environment that stimulates critical thinking and creativity among students.
- Integrate modern pedagogical methods to enhance the overall effectiveness of teaching and learning.
- Encourage faculty members to explore and implement innovative strategies to address diverse learning styles.

The Practice: The institution has initiated various innovative teaching and learning practices, including:

- Integration of technology: incorporating interactive online platforms, virtual simulations, and multimedia resources to enhance learning experiences.
- Project-based learning: encouraging students to apply theoretical knowledge to real-world scenarios through hands-on projects.
- Flipped classroom model: Inverting the traditional teaching model by delivering instructional content outside the classroom and using class time for interactive discussions and activities.

Practice-2:

Title of the Practice: Improving quality of Continuous Internal Evaluation (CIE)

1. Objectives of the Practice:

- Establish a systematic and comprehensive program assessment process to ensure continuous improvement in quality of internal examination evaluations by,

(A) Formation of Program Assessment Committee (PAC)

(B) Perform curriculum GAP analysis

(C) Monitoring the attainment of POs, PSOs

(D) To incorporate suggestions from Department Advisory Board

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

: Improving industry-academia Interaction:

At Hope Foundation's, International Institute of Information Technology, we take pride in our commitment to providing holistic education that extends beyond the realms of traditional academic learning. Central to our mission is the establishment of strong industry linkages, ensuring that our students are equipped with not only theoretical knowledge but also practical insights essential for success in their respective fields by way of:

- 1) Value-added courses conducted by Industry experts
- 2) Signing MoU's with Industries
- 3) Guest lectures by industry experts
- 4) Consultancy work on Industry projects
- 5) Organizing International conferences

In summary, I²IT distinguishes itself through its unwavering commitment to fostering strong industry linkages. By integrating value-added courses, establishing MoUs, hosting guest lectures, and participating in conferences, we empower our students with a unique blend of academic excellence and practical proficiency. As we continue to evolve and adapt to the changing landscape of industries, our institute remains at the forefront, shaping the future leaders and innovators of tomorrow.

Detailed description of above activities can be found in the attachment.

7.3.2 - Plan of action for the next academic year

In the academic year 2022-23, the student intake was increased to 120 for Computer Engineering and Information Technology programs, so the total first year intake is as below:

Computer Engineering: 120 Information Technology: 120 Electronics & Telecommunication: 60 Total: 300 students.

Institute has been awarded NBA accreditation on 30th May 2023 for duration of 3 years for two of its programs namely, Computer Engineering and Electronics & Telecommunication. The accreditation is valid till AY2025-26 i.e. upto 30-06-2026.

Based on receiving NBA accreditation, in the next academic year i.e. AY2023-24, the Institute is planning to add one more division to Computer Engineering program so that the first year student intake will be 180 for Computer Engineering program.

Also institute is planning to obtain status of Autonomous college in the next few years to come.
