Activity Description in Nutshell:

The Department of Information Technology has organized the Guest Lecture on dated 08th April 2024 at I^{2}IT, Pune for TE students on "Cloud Computing". The duration of the event was 2 hours and started on the date 08/04/2024 at 08:30 AM. A total of 52 students has attended the guest lecture.

The Guest Lecture was conducted through offline mode in Seminar Hall 307 (Academic Building 3rd Floor). The guest resource person was heartily welcomed by Prof. Deepali Bhaturkar, Assistant Professor, Information Technology. Mr. Piyush Sonewar was the resource person for the Guest Lecture. He is the Co-Founder of Pixaflip Technologies. He is also a Lead Developer at Pixaflip Technologies. In his talk, he emphasized the importance of cloud computing concepts & their implementation to model real-world problems. He has also demonstrated the practical implementation of how to deploy a project on AWS (Amazon Web Services). The resource person has cleared all doubts/queries asked by the students. The event ended with a vote of thanks.

As per the feedback received from the students, it was a very good learning experience, the guest lecture helped them in their understanding of the Cloud Computing concept and AWS deployment of projects. The students have requested to conduct more guest lectures with hands-on in the near future.
