Name of the Speakers: Not Applicable

Designation: CESA Technical and Event Management Team

Name of the Company / Institution with Address: I^{2}IT, Pune

Targeted Audience: Students from FE, SE, TE, and BE

Venue: A-307, International Institute Of Information Technology, Hinjewadi, Pune.

Coordinator: Prof.AryaChandrapal Singh

Number of Participants: 8 students

Briefing of the Event:

The contest was organized by the CESA Technical Team and managed by the Event Management Team with the goal of showcasing our coding skills and problem-solving abilities. Participants were given a set of coding challenges to complete within a specified time limit. We had to come up with efficient algorithms and write clean code to solve the problems.

The atmosphere during the contest was intense and competitive, but also filled with excitement and camaraderie. We had the opportunity to collaborate with fellow participants, exchanging ideas and discussing different approaches to solve the problems. It was a great learning experience to see how different people tackled the same challenges.

The competition fostered a spirit of healthy competition, pushing us to excel and think creatively. It helped us build confidence in our coding abilities and tested our resilience under pressure. Overall, the coding contest was a wonderful opportunity to showcase our skills, learn from each other, and have a great time coding together.

The winners of the contest are as follows:
First Place: Raghav Sharma.
Second Place: Abhishek Fadke.
Third Place: SiddharthBramhecha.
