Event Report
Introductory Event: CESA Opening Ceremony

Academic Year: 2023-24, Semester-I

Name of the Event: Introductory Event: “Computer Engineering Students’ Association (CESA) Opening Ceremony”

Date & Time of the Event: 31.08.2023 (02:00 pm)

Name of the Speakers: YashKhairnar and TanayaPawar

Designation: CESA Committee Members

Name of the Company /Institution with Address: I2IT, Pune

Targeted Audience: CE students from SE, TE, and BE

Venue: Convection Center, International Institute of Information Technology, Hinjewadi, Pune.

Coordinator: Prof. Chandrapal Singh Arya

Number of Participants: 120

Briefing of the Event:

The Introductory Event of the CESA committee was held at our college with the aim of bringing together students and faculty members to foster a sense of community and provide valuable insight into the field of computer engineering. The event witnessed a remarkable turnout, with students from all years of the Computer Engineering program in attendance. Faculty members and senior students also graced the occasion, adding to the significance of the event.

A series of speeches were delivered by esteemed faculty members, alumni and senior students. These speeches aimed to inspire and motivate the audience by sharing personal experiences, industry insights, and the vast opportunities available in the field of computer engineering. The speakers emphasized the importance of continuous learning, innovation, and collaboration in this ever-evolving industry. Following the speeches, variety of engaging games were organized. These games were designed to not only entertain but also challenge the participants' problem-solving skills and teamwork abilities. From trivia challenges to song guessing, the games catered to the diverse interests and talents of the attendees.

The event provided an excellent platform for networking and building connections. Students had the opportunity to interact with their peers, faculty members, and industry professionals. This facilitated the exchange of ideas, knowledge-sharing, and the establishment of valuable connections that can contribute to future academic and professional endeavors.

In conclusion, the Introductory Event organized by the team was a resounding success. It not only served as an introduction to the committee but also sparked enthusiasm and a sense of belonging among the attendees. The engaging games, inspiring speeches, and networking opportunities created a vibrant atmosphere that will undoubtedly contribute to the growth and development of the Computer Engineering program at the college.
