Add on Course on "Core Java Essentials: From Fundamentals to Advanced Concepts"

Academic Year: 2024-25

Name of the Event: Core Java Essentials: From Fundamentals to Advanced Concepts

Date & Time of the Event: 21st, 22nd, 23rd & 24th August 2024

Name of the Speaker: Mr. Tejas Digambar Limaye

Designation: Chief Technology Officer

Name of the Company / Institution with Address: Appwizer Solutions OPC Private Limited

Targeted Audience: SE Comp

Venue: PPCRC Seminar Hall

Event Coordinator: Prof. Kimi Ramteke

Number of Participants: 178

Activity Description in Nutshell: This session on "**Core** Java Essentials: From Fundamentals to Advanced Concepts "was organized by the Department of Computer Engineering for Second-year students on 21st, 22nd, 23rd & 24th August 2024.

The session organized to offer participants practical experience in Java programming, aligned with current industry requirements.

Day 1: Mr. Tejas kicked off the session with an introduction to Java, covering the basic concepts essential for beginners.

Day 2: The focus advanced to more complex topics, including Advanced Java Fundamentals, to deepen participants' understanding of the language.

Day 3: The session continued with an in-depth exploration of Multithreading and GUI Development, providing participants with the skills to manage concurrent processes and design user interfaces.

Day 4: The final day was dedicated to Java Web technologies and Spring Boot, rounding off the workshop with insights into modern web application development.

Overall, the workshop effectively combined theoretical knowledge with hands-on practice, addressing key aspects of Java programming in line with industry standards.
