Subject: Permission for the Faculty Development Program on "EMF Awareness"  
Respected Madam,

With respect to the above subject Department of Electronics and Telecommunication is organizing a Faculty Development Program on "EMF Awareness" by Shri, Vinay Jambhali, Director, Department of Telecommunication. The time & venue for the Faculty Development Program is 12<sup>th</sup> September at **2:00 pm to 5: 00 pm** in **Convention Center**.

Objectives of the Guest Lecture:

1. Faculty are able to get comprehensive understanding of Electromagnetic Fields (EMF), their sources, and potential health implications.
2. Discuss the latest research findings on the health effects associated with EMF exposure, emphasizing evidence-based information.
3. Explain the existing regulations and guidelines governing EMF exposure, helping participants understand their rights and responsibilities.

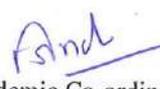

Outcome of the Guest lecture:

1. Increased awareness of existing Indian Government regulations and guidelines will enable participants to advocate for and contribute to the creation of safer EMF environments.
2. Faculty gained hands-on experience measuring EMF levels and implementing mitigation strategies, enhancing their ability to take practical action

So we request you to grant us the permission in reference to the subject mentioned above.

Thank you.
