**Date of the Event:** 26<sup>th</sup> September 2023

**Venue:** College of Engineering Pune(COEP), Pune

**Number of Participants:** 10

### **Activity Description in Nutshell:**

The Amrit Kalash Ceremony, held on September 26, 2023, was a tribute to India's sacred soil and the vibrant spirit of its youth. Organized by Mr. J.P. Nadda, Former Union Minister and National President of BJP, along with Honorable Shri. Chandrakant Patil, Minister of Higher and Technical Education, Maharashtra, the event highlighted unity and cultural diversity. A key part of the ceremony was the mixing of soil from different regions of India, symbolizing the country's rich cultural heritage and collective strength. The active participation of students from various colleges in Pune emphasized the important role of youth in national development.

The ceremony also stressed the importance of environmental stewardship and preserving cultural heritage. Initiatives like "Meri Mati, Mera Desh" and youth-focused programs were highlighted to instill national pride and civic responsibility. These efforts aimed to promote solidarity, resilience, and optimism for India's future.
