Activity Description in Nutshell:

The NSS Unit of International Institute of Information Technology, along with Aditya Birla blood bank, organized a Blood Donation Camp on March 12, 2024, to honor the Founder's Day a Birth Anniversary of Shree PP Chhabria sir. The event took place from 9:00 AM to 5:00 PM in Room No. C-07 (Boys Common Room) at I²IT, near the Cafeteria. This event celebrated an important day and showed the institute's commitment to helping others in need.

We want to thank the Mukul Madhav Foundation for their strong support. They helped us connect with Aditya Birla Hospital's blood bank, making the Blood Donation Camp possible. These connections helped people contribute to healthcare and well-being in society. With the help of students, staff, teachers, and faculty members of I²IT, we collected over 103 blood donations by the end of the day. In appreciation, the foundation honored the college with certificates of thanks.
