Activity Description in Nutshell:

On March 12, 2024, the NSS Unit of International Institute of Information Technology teamed up with Bharati Dental College and Hospital to organize a free health check-up camp. The event ran from 9:00 am to 4:30 pm in Room No. C-08 (Girls Common Room) of the Library Building, close to the cafeteria. The goal was to offer various medical services to participants, including consultations with gynecologists, ENT specialists, ophthalmologists, general physicians, and dentists.

Attendees at the health check-up camp received a wide range of medical services provided by dedicated professionals. Specialists in gynecology, ENT, ophthalmology, general medicine, and dentistry offered thorough care and consultation throughout the event. By the end of the day, over 230 free health check-ups had been conducted, thanks to the strong support from students, staff, and faculty members of the I²IT. Their commitment and active involvement were crucial in ensuring the success of the health check-up camp and its positive impact on the community.
