Activity Description in Nutshell:

On February 11th, 2024, the NSS unit of International Institute of Information Technology participated in a Granthdindi event organized by the Matangrushhi Sahitya Samelan at Kalewadi, Pimpri-Chinchwad. The event aimed to promote awareness about literature and facilitate book unboxing sessions, featuring the notable presence of Padmashree Shri Girish Prabhune. Shri Prabhune's insightful speech emphasized the importance of literature in contemporary society and its role in shaping cultural and intellectual landscapes. His address enriched the participants' understanding of literature's profound impact on individual and societal growth. The event also included interactive book unboxing sessions, where 22 participants from our college explored new books and discussed their contents, fostering a deeper connection with literature and encouraging reading habits.

The Granthdindi event successfully achieved its goal of promoting literary awareness and encouraging a culture of reading. Participants left with a renewed appreciation for literature

and a deeper understanding of its significance. The presence of Padmashree Shri Girish Prabhune added immense value, leaving a lasting impression on the attendees. The collaborative efforts of the SPPU NSS unit and the Matangrushi Sahitya Samelan organizing committee were instrumental in the event's success. This initiative highlighted the importance of literature and provided a valuable platform for participants to engage with literary works and thought leaders. Moving forward, similar initiatives should be encouraged to continue fostering a love for literature and promoting intellectual growth within the community.
