<u>Road Repair and Side Edge Filling Initiative</u>

Academic Year: 2023-24

Name of the Event: Road Repair and Side Edge Filling Initiative

Date & Time of the Event: 29/01/2024 (8:00 am to 12:30pm)

Venue: At: Khamboli, Tal: Mulshi, Dist: Pune

Event Coordinator: Dr. Sandeep Varpe (NSS Programme Officer)

Number of Participants: 50 NSS volunteers + 03 staff members

Activity Description in Nutshell:

The National Service Scheme (NSS) volunteers embarked on a significant road repair initiative, focusing not only on the main surface but also on the side edges of a cement road located in Khamboli village. The objective was to address not only the wear and tear of the road but also to ensure the stability and longevity of the side edges, enhancing overall road infrastructure. Volunteers, organized into teams, diligently filled damaged sections of the road using a combination of concrete mix and appropriate tools. Simultaneously, they focused on repairing and reinforcing the side edges, preventing further erosion and ensuring the overall integrity of the road structure.

Volunteers successfully repaired damaged sections of the cement road. The side edges of the road were filled and reinforced, preventing erosion and enhancing the overall stability of the road. The NSS Volunteers commitment to community service is evident in the success of this road repair initiative. By not only addressing the main road surface but also reinforcing
